The NEW WESTMINSTER News

VOLUME 8, NUMBER 263. NEW WESTMINSTER, B. C., FRIDAY MORNING, JANUARY 16, 1914. PRICE FIVE CENTS

MAYOR GRAY POPULAR CHOICE OF WESTMINSTER RATEPAYERS

Returned to Power With Majority of 241 Over Apponent, Ex-Alderman J. J. Johnston—Four of Present Council Re-elected—Henley Defeated—Annandale, Smith and Goulet New Members—Bryson Heads Polls—T. J. Trapp, Trustees Green and Gilley Returned With Dr. McSween to School Board.

The following is the table showing how the voting was distributed:

	St. Georges	Sapperton	West End	Queensboro	Total
Mayor:					
A. W. Gray	1114	96	94	12	1316
J. J. Johnston	832	126	95	22	1025
Aldermen:					
J. S. Bryson	1348	161	144	28	1678
T. S. Annandale	1235	122	108	16	1569
W. Dodd	991	108	128	17	1244
T. H. Smith	977	93	68	5	1143
J. B. Jardine	984	77	55	8	1124
A. E. Kellington	870	74	54	7	1005
Ed. Goulet	775	71	41	14	901
William McAdam	649	94	91	16	850
J. Henley	721	122	108	16	824
A. Hardman	573	68	71	20	732
A. Hogg	436	102	77	8	623
D. S. Cameron	390	58	68	10	525
T. Rutledge	411	51	53	7	522
T. A. Barnard	369	57	80	12	518
School Trustees:					
T. J. Trapp	1361	128	128	14	1631
Dr. T. B. Green	1140	148	111	12	1417
Mrs. S. A. Gilley	801	70	68	12	951
Dr. P. D. McSween	737	103	85	6	931
W. Murray	706	65	57	5	833
D. W. Cross	630	80	77	16	803
Mrs. M. S. Rennie	596	101	63	13	773

The electorate of New Westminster yesterday decided in favor of the administration of Mayor A. W. Gray, returning him over his opponent, J. J. Johnston, with a majority of 241, after one of the sharpest and most spirited election contests that has ever taken place in the Royal City. A record in the number of votes was established, no less than 2391 votes being polled in the mayoralty contest.

Four Aldermen.

For aldermen, four of the present administration were returned in Aldermen Bryson, Dodd, Jardine and Kellington. Messrs. Annandale, Smith and Goulet are the new members. Alderman Henley was the only member of the present council to go down to defeat being second man amongst the defeated candidates.

Bryson Heads Poll.

For the victors, Alderman Bryson dislodged Alderman Dodd's 1913 record by heading the polls, followed by T. S. Annandale, whose total of 1569 was one of the surprises of the campaign. Alderman Dodd came third, followed in order by T. H. Smith, Alderman Jardine, Alderman Kellington and Ed. Goulet. Of the defeated ones William McAdam made a surprising run with 850 votes to his credit.

Only one labor man was elected in Alderman Dodd, the others, Messrs. Hogg, Cameron and Barnard being away down in the list.

Johnston Leads Three Polls.

The business section or the vote polled at St. George's hall, defeated ex-Alderman Johnston, mayoralty candidate, for while he was ahead of Mayor Gray in Sapperton, West End and Queensboro, the heavy vote polled in the business area more than offset the other three stations.

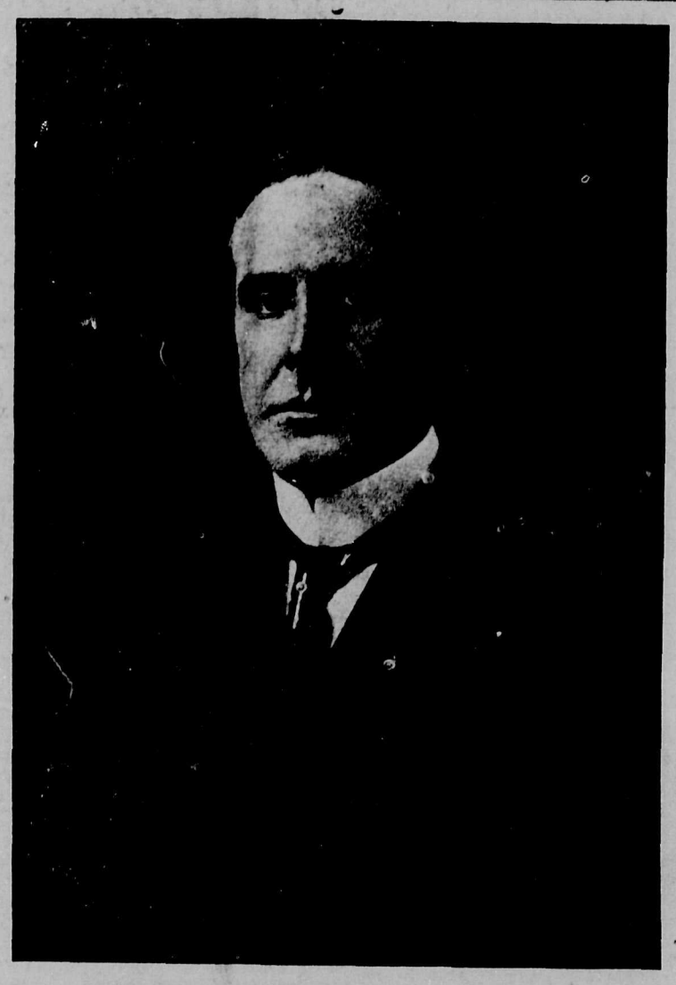
School Board.

Of the school board, Chairman T. J. Trapp was at the head of the polls with 1631 votes, leading all other candidates whether seeking the mayoralty or aldermanic chairs. Mr. Trapp was followed by Dr. Green with 1417; Mrs. Gilley, 951, and Dr. McSween with 931. This means that three of the present school board were re-elected to office, Dr. McSween being the new member.

Despite what appeared to be harsh criticism of each other's platform during the campaign the utmost friendly feeling existed between Mayor Gray and ex-Alderman Johnston, the two being noticed enjoying lunch together at a downtown cafe at a time when the voters were flocking to the polls.

By an agreement reached following the opera house meeting of Wednes-

(Continued on Page Eight.)



MAYOR GRAY EXTENDS THANKS.

When the result of the polling was announced Mayor Gray made the following statement to The News:

"I wish to extend my sincere thanks to the electors, and especially the ladies, who yesterday marked their ballots in my favor. Their appreciation of my efforts to give this city a good clean administration in the past is most gratifying, and I must say I feel the honor of being elected mayor for 1914 even more than I did my elevation to the position by acclamation in 1913.

"To my opponent, Mr. Johnston, I wish to extend my thanks for the clean and gentlemanly manner in which he conducted the campaign against the administration. It is something to be proud of that, after a short but sharp campaign, not only the principals, but also all the supporters, can meet again without having to express regret for anything that has happened during the past week. Mr. Johnston and myself remain the best of friends.

"The aldermen-elect are representative gentlemen, and I am well satisfied with the choice of the electors. We can look forward to a year's good work in 1914, and I feel confident that when these gentlemen appear on the platform at the next annual ratepayers' meeting they will be able to give a satisfactory account of their work during the year. I am only sorry that by the defeat of Alderman Henley the city loses a good and faithful servant, who has spared neither time nor trouble in the discharge of his civic duties."

ENDS LIFE IN ICY WATERS OF FRASER

A. Campbell Disappears from Royal Columbian Hospital and It Is Alleged Committed Suicide.

After a search lasting two days the local police have come to the conclusion that Alex. Campbell, who disappeared from the Royal Columbian hospital early Wednesday morning, has committed suicide by throwing himself into the Fraser.

Campbell was receiving treatment at the hospital, being located on the ground floor. At a time when the hall was free of any of the nursing staff, the man disappeared through the door dressed only in his night clothes and slippers.

His footsteps were traced to where he climbed a fence to Keary street and it is believed that he made his way to the river and ended his life by drowning.

Campbell is a married man having a wife and children who, according to a letter he received the day previous to his disappearance, had just sailed for Canada to join him. His illness, which was not serious, together with the probable belief that he could not properly provide for his family, are supposed to be the reason he took the step. He was about 40 years of age.

SHIPS ASHORE AT GOLDEN GATE

Ferry on Rocks in Heavy Fog—Passengers Are Saved.

San Francisco, Jan. 15.—The Northwestern Pacific ferry steamer Tiburon ran ashore on the rocks near Fort McDowell on Angel island, shortly after 8 o'clock tonight. She is crowded with passengers and a dense fog covers the bay. Her captain communicated with shore, reporting her bottom undamaged and a hope of floating her off at flood tide. The Fort Point life savers, the United States tug Golden Gate and other craft have gone to her assistance.

The pilot boat Pathfinder, inbound through the gate, ran ashore near Fort Point shortly after the Tiburon struck.

Nearly Collided.

Two Key Route ferry steamers, the Yerba Buena and Fernwood, crowded with passengers, narrowly escaped serious collision earlier in the evening off Yerba Buena island. Their pilots saw each other coming head-on and reversed at full speed in time, the boats just grazing. The only damage done was to the Yerba Buena, whose starboard forward railing was smashed.

Mariners say the fog is the thickest in the history of the bay.

Rescue Passengers.

The passengers of the Tiburon, numbering hundreds, were taken to Sausalito, a suburb, in every form of craft that could be impressed into service. Notice of their predicament, coupled with reassurances as to their safety had been flashed to Sausalito, Mill Valley, San Rafael and other Marin county towns by the government wireless station at the Angel island immigration station.

To aid in the rescue work the Northwestern Pacific company dispatched the Lagunitas, one of its steamers, from Tiburon to the scene of the accident.

Must Justify Increase.

Ottawa, Jan. 15.—At a sitting of the railway commission to be held in Ottawa on the 20th, railway companies will be required to justify the proposed increase in charges for the detention of refrigerator cars. The Grand Trunk and Canadian Pacific will be asked to explain the further postponement of revised joint tariffs on lumber from the southern states to Canadian ports, the said tariffs promised for October 15, as the effective date, not having been filed as yet.

Bank Robbers and Posse in Running Pistol Battle

Everett, Wash., Jan. 15.—Five armed men held up the Granite Falls state bank, 16 miles northeast of here late today, and escaped with between $1500 and $2000, after engaging in a running pistol battle with a posse of citizens.

The men, who wore no masks, entered the bank shortly after 4 o'clock this afternoon when the only employees in the place were J. G. Ingersoll, cashier, and C. E. Stage, assistant cashier. One of the robbers stood guard at the front door, while the others forced Ingersoll and Stage to a back room and attempted to lock them in. While they were capturing the cashier and his assistant Mrs. Stella Forest started to enter the bank but was driven away by the man on guard.

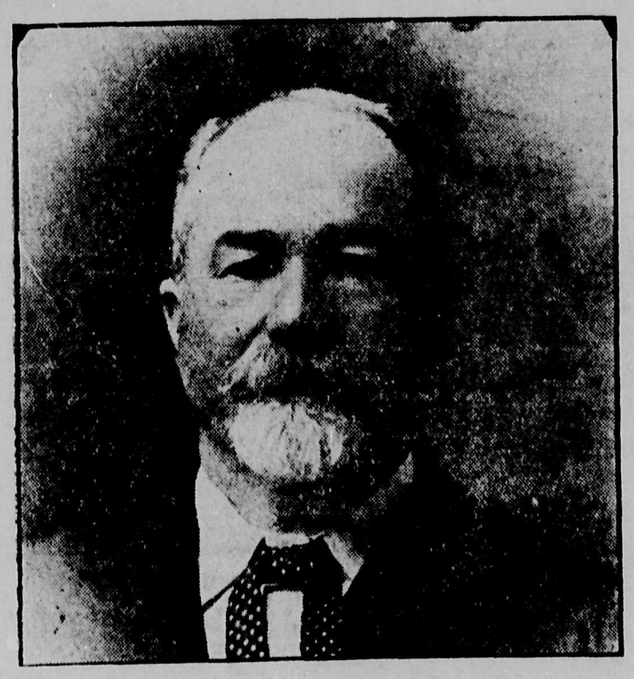
Screaming Down Street.

Realizing that a hold-up was in progress Mrs. Forest ran screaming down the main street of the town. E. L. Turner, the postmaster, hearing the alarm, grabbed a shot gun and ran to the defence of the bank, shooting through the window. This alarmed the robbers who desisted from their efforts to secure the bank officials and gathering up all the loose money in the cages ran into the street and started east toward Iron mountain.

Turner's shot and the screams of Mrs. Forest and children in the street returning home from school spread the alarm and a posse of 15 citizens armed with pistols and rifles, led by Fred Ivy, the town marshal, started in pursuit, firing as they ran. The robbers, each of whom was armed with two revolvers, returned the fire, but as far as known no one on either side was injured.

Ivy and his posse pursued the robbers toward Iron mountain until the fugitives became lost in the fog.

A posse of seven sheriffs attending the state convention of sheriffs now in session here left Everett tonight to search for the robbers who are believed to be hiding in the mountains. Granite Falls is a town of 800 population, situated on the Monte Cristo branch of the Northern Pacific.



T. J. TRAPP

Chairman of the board of school trustees who was yesterday returned to the board at the head of the poll.

SEEKS TO APPOINT NINE SENATORS

Borden Gives Notice of Resolution to Provide New Members in Senate.

Three to Come from British Columbia—Two Each from the Prairie Provinces.

Ottawa, Jan. 15.—The growing number of divorces in Canada and the fact that there are forty applications already before parliament this session, has forced upon the attention of parliament the matter of divorce reform. W. B. Northrup, of East Hastings, has already given notice of a resolution on the subject asking that the problem be taken into immediate consideration with a view to changes in the law.

Mr. Northrup's resolution is as follows: "That in the opinion of this house the procedure under which divorces are granted by parliament and the consequent unreasonable expense thereof are so unsatisfactory, besides being prohibitive to the great majority of the people of Canada, that the same should be taken into immediate consideration by the government with a view to a reform due to the present system."

Mr. Borden gives notice of a resolution providing for two additional senators each from Manitoba, Alberta, Saskatchewan and three from British Columbia.

ALDERMAN KELLINGTON

Whose stand on the liquor license question was yesterday endorsed by the ratepayers when he was returned to the city for the third term.

STRIKER GUILTY ON ONE COUNT

Ernest Morris Convicted of Unlawful Assembly—Another Charge.

The jury in the case of Ernest Morris, charged on six counts of rioting, riotous damage to property and unlawful assembly, returned to the court room about half past nine last night, after having been out more than three hours, with a verdict against the prisoner of guilty on one count, the last named in the indictment, that of having taken part in an unlawful assembly. The prisoner was remanded for sentence, while there still remains to be disposed of the charge against him of attempted murder on which one jury already has disagreed.

Contempt of Court.

The dramatic incident of the trial came late in the afternoon while the accused was in the box. In the face of the evidence of four or five witnesses for the crown, who swore positively that they had seen Morris carrying a rifle, the prisoner stuck to a straight denial of all these stories and entered a strenuous denial as well to the statement of the crown witnesses that when he had taken the fan engineer, White, before the strikers committee he was accompanied by a striker named Anderson who was armed with a rifle.

"Anderson was not with me," said the prisoner.

"Then who was with you?" asked his lordship.

"I do not wish to tell," replied the prisoner.

"Perhaps you do not understand the

(Continued on Page Five.)

MAYOR MARS MEETS DEFEAT

J. R. Mackenzie's Opposition Ticket Elected at Port Coquitlam.

Polling at Port Moody and Chilliwack—Planta Returned in Nanaimo by Large Majority.

Port Coquitlam, Jan. 15.—Carrying with him the three aldermanic candidates whom he supported, J. R. MacKenzie was today elected mayor of Port Coquitlam by a majority of 29 votes over Mayor James Mars.

Those elected for aldermen were: Alderman R. C. Galer, A. W. Keith, R. O'Hanley, Alderman D. E. Welcher and R. W. Hawthorne. The last two named ran on the Mars ticket.

School Trustees.

Mrs. John Smith headed the poll for school trustees. Arthur Mars, brother of James Mars, was the other candidate elected to fill the two vacancies on the school board.

Although the election of Mr. MacKenzie was expected the sweeping majorities secured by the candidates for alderman whom he supported came somewhat as a surprise. MacKenzie did not support a full ticket of aldermen, but the three men whom he did back headed the polls. The result all round showed that the people were anxious for a change of administration. Mayor Mars has been reeve and mayor for three years in succession.

Enthusiastic Scene.

When the result of the poll was announced at the agricultural hall the enthusiasm of a crowd that had collected at the door knew no bounds. The mayor-elect was dragged to a waiting automobile and hurried down to the rotunda of the city hall where a large crowd had gathered.

Mounting the city hall steps, Mr. MacKenzie thanked the citizens for the support accorded him and asked for the guidance and counsel of his electors throughout the year. Alderman R. C. Galer, A. W. Keith and R. O'Hanley, in response to cheers of the crowd, also spoke, as did Mrs. John Smith, who headed the poll for school trustees. Mrs. Smith, in a nicely worded speech, declared she would do her best in the interests of the children and the ratepayers as a whole. Alderman A. Millard, retiring, who assisted in the fight for the opposition, in answer to calls and cheers for a speech responded briefly.

Mrs. John Smith occupies the honor of being Port Coquitlam's first lady school trustee.

MAYOR PLANTA AGAIN RETURNED

(Special to The News.)

Nanaimo, Jan. 15.—Mayor Planta was elected mayor of Nanaimo in today's election by a majority of 492 over his opponent, J. Hodgkinson, Mayor Planta polling a three to one vote. The citizens' ticket was elected on the council and school board.

CHILLIWACK MAYOR BY ACCLAMATION

Chilliwack, B.C., Jan. 15.—Elections here today resulted as follows: Aldermen, R. O. Atkins, 154 votes; Robert J. Banford, 316; C. E. Eckert, 193; S. McGillivray, 245; C. B. Reeve, 257. Henry Nelems was defeated and had 164 votes.

The mayor, H. J. Barber, was elected by acclamation.

RETURN MAYOR ROE AT PORT MOODY

Port Moody, Jan. 15.—The Port Moody electors endorsed the 1913 administration yesterday by returning Mayor P. D. Roe at the head of the council for another term. The mayor's majority over his opponent, Dr. Conway Cartwright, was 51. The victor polled a vote of 200 and Dr. Cartwright 149.

Those elected as aldermen from the two wards were Messrs. McKay, McLean, White, Taylor, McNeice and Maude in the order of the poll. The first three mentioned are re-elects. The greatest surprise of the election was the defeat of Alderman M. R. Ottley, who although he lead the opposition in the council last year, was thought to stand well with the voters.

The News

An independent morning paper devoted to the interests of New Westminster and the Fraser Valley. Published every morning except Sunday by the National Printing and Publishing Company, Limited, at 63 McKenzie Street, New Westminster, British Columbia. ROBB SUTHERLAND, Managing Director.

All communications should be addressed to The New Westminster News, and not to individual members of the staff. Cheques, drafts, and money orders should be made payable to The National Printing and Publishing Company, Limited.

TELEPHONES—Business Office and Manager, 999; Editorial Rooms (all departments), 991.

SUBSCRIPTION RATES—By carrier, $4 per year, $1 for three months, 40c per month. By mail, $3 per year, 25c per month.

ADVERTISING RATES on application.

FRIDAY MORNING, JANUARY 16, 1913.

A GOOD COUNCIL.

The results of the elections yesterday have placed the reins of civic government of New Westminster in the hands of a strong council and one that should be able to handle business during the year 1914 with keen and intelligent business foresight and acumen.

From the standpoint of a desire for a continuity of policy, it is cause for congratulation that Mayor Gray has been returned to office. His opponent, ex-Alderman Johnston, made a stiff run and in the three residential polls headed his worship, but in the central division, where most of the vote was cast, the mayor held his own and was re-elected with a substantial majority, one which leaves no question as to the sentiment of the majority of the ratepayers.

The campaign was keen throughout, though of short duration. Mr. Johnston showed a speed and energy that surprised even his staunchest supporters and it is to be regretted that, though defeated in the race for the mayoralty, he could not be included as an aldermanic representative at the council board, where his previous experience and whole-hearted interest in New Westminster's welfare would have been valuable assets.

An early survey of the council would indicate that the harbor plans will be carried to a finish without delay. Mayor Gray and the majority of the new aldermen have expressed themselves as strong for this work and in this regard the ratepayers are to be congratulated on their choice of representatives.

SOUND CRAFT IN HARBOR COLLISION

Sentinel Badly Damaged in Crash with Hyak on Seattle Waterfront.

Seattle, Jan. 15.—While steaming down the waterfront at full speed yesterday morning, bound from pier 1 to the dock of the Albers Brothers' Milling company, the sound steamer Hyak, of the Kitsap County Transportation company, crashed into the steamer Sentinel, of the Merchants' Transportation company, crushing the vessel's guard and tearing a great hole in her side just aft of amidships and extending below the water line.

The Sentinel was on her way from the Colman dock to the coal bunkers and was steaming the same direction as the Hyak. A misinterpretation of whistle signals is believed to have been the cause of the collision.

As the prow of the Hyak crushed through the Sentinel's timbers she began to fill with water, and her master headed her for shore, planning to beach the vessel near the old Stetson mill dock.

News of the accident had been telephoned to the waterfront fire station, and in a very few minutes the city firebcat Duwamish, in charge of Pilot W. S. Evans, was steaming for the East waterway at full speed. The Duwamish reached the Sentinel as she was being headed for the beach and took her in tow. The pumps of the steamer had failed to check the inrush of water through the great hole in her side and she was sinking fast when the powerful gear of the fireboat was put in operation.

The Duwamish soon had the Sentinel righted, and while pumping great streams of water out of her hold towed her to the plant of the Elliott Bay Dry Dock company, where she was dry docked at 3 o'clock yesterday afternoon for repairs.

WHY SHE GROUNDED IN VANCOUVER HARBOR

Victoria, Jan. 15.—An inquiry will be held in Victoria toward the end of this week into the circumstances attending the grounding of the Grand Trunk Pacific steamer Prince George in Vancouver Narrows. The forthcoming investigation will be presided over by Capt. John Macpherson, Dominion wreck commissioner, who will be assisted by two nautical assessors yet to be named.

The Prince George struck at the entrance to the Vancouver harbor on the night of Dec. 20, when southbound from Prince Rupert. The mishap occurred through the officers of the G.T.P. steamer mistaking the light of a small vessel ashore, for the light showing the entrance of the harbor. The Prince George remained aground for some three hours, and after she was floated and subsequently drydocked at Esquimalt, it was found that she had sustained several damaged plates forward.

The Prince George is now in the naval dock at Esquimalt, undergoing repairs. It is expected that the vessel will be repaired and ready for commission by the first week in February.

All the officers of the vessel are now on shore leave and will be on hand to give testimony before the nautical investigators.

CHINESE WILL BE MENACE IF NOT WELL TRAINED.

Spokane, Jan. 15.—"The Chinese are among the brainiest, most industrious, patient and peaceful people on earth, but unless they are helped in bringing up the right kind of men the Chinese empire on its awakening, will be a menace to the whole civilized world."

So declared Dr. A. A. Fulton of the China missions team, at the weekly luncheon of the chamber of commerce yesterday. Spokane, Dr. Fulton said, could well afford to put $30,000 into this business of Christian missions in China, as for every dollar invested he could promise business men a return of $25 in trade.

"Confusianism," he said, "is a mere material system of politics, etchis and philosophy. It has no deterrent power. We cannot raise the highest type of man in China without Christian colleges and missionaries."

Dr. Fulton declared that iron from the Yangtse district could be delivered in Spokane cheaper than it could be produced in all the rest of the world. He said over 20,000 tons of ore had already been contracted for to be delivered on Puget Sound.

MAPS OUT LIST OF MEETINGS FOR 1914.

Victoria, Jan. 15.—Chairman Armstrong of the provincial board of water rights investigation, announced yesterday that the board had completed its proposed itinerary for 1914. Whereas its work during 1913 took it through the dry belt, including Ashcroft, Nicola, Kamloops and the Okanagan districts, it will go farther afield this year and in addition to considering various claims for irrigation records will take up mining water records in increasing number. April will see the work under way.

The board will for the first time go into the the Arrow lake and Revelstoke sections. It is hardly believed that the water commissioners will have sufficient data before them to justify many sessions at points on the coast as had been planned. The board's work on the coast will probably be delayed until next year.

The 1914 itinerary given below shows that the question of irrigation records is still paramount in the activities of the water board. The itinerary is: April, New Denver, Slocan City, Proctor, Nelson, Heffley creek, Kamloops; May, North Bend, Nicola; June, Lumby, North Vancouver, Mission; July, Cache and Seattle creek north of Ashcroft, Lillooet, 150-Mile House; August, Okanagan Centre, Enderby, Armstrong; September, Lardo, Kaslo and Creston; October, Ducks, Chase, Sicamous, Grand Prairie, Kamloops, Revelstoke, Golden; November, Upper Arrow lake in Revelstoke district, Lower Arrow lake, in Nelson district, Castlegar, Trail, Rossland and Ymir.

MOVE HEADQUARTERS FROM CALGARY TO NELSON

Nelson, Jan. 15.—Members of the Mountain Lumber Manufacturers' association, at the annual meeting at Nelson, decided that the head office should be moved from aCIgary to this city, where it was located up to about 12 months ago. Decision to form a sales circular department, with a view to distributing promptly to all manufacturers reports of sales made and that a grading bureau should be established at the head office, was reached.

Over production of mills, lack of tariff protection on lumber while the manufacturers are compelled to pay duty on machinery and supplies on a high tariff basis and the excessive carrying charges and taxation on the low grade and thinly timbered licenses of the province were given by W. A. Anstie, the retiring president, as the chief reasons for the present condition of the industry. To illustrate his point that there had been over production, he quoted figures to show that the producing capacity of British Columbia mills was 3,200,000,000 feet per annum and that during 1912, a year of record consumption, the amount of lumber used in the four western provinces of Canada, which constituted 95 per cent. of the market of the mills of this province, was 1,827,000,000 feet from British Columbia mills and 2,127,000,000 feet from American mills.

HIS FEE DID NOT BALANCE HIS FINE

Toppenish, Wash., Jan. 15.—After L. Shearer, receiver of the Lubbe Exchange company, weighed a load of hay, for which he received a fee of 10 cents, he was fined $24.20 for using a faulty scale.

The state inspector of weights and measures was here to see that his recent orders on the readjustment of various scales in the town had been enforced. The Lubbe Exchange company had been warned about its scales, but since the inspector's previous visit the concern went into bankruptcy and Mr. Shearer was appointed receiver. Mr. Shearer presumed he had 10 days' grace and was calmly weighing a load of hay when the inspector called.

A Busy Cow.

Pullman, Wash., Jan. 15.—Caroline, a grade Holstein cow owned by the Washington state college, established an enviable record for her breed when she produced 1134 pounds of milk in 17 days, an average of nearly 67 pounds per day. The butter fat record of the animal was 47½ pounds for the same length of time. The tests began six days after the cow had calved, and her feed during the 17 days consisted of 20 pounds of grain each day, composed of two parts of bran, one part of barley and one part of oats, with a small amount of oil meal and soy bean meal added. The tests will be continued for several months and a careful record of the production of the cow will be kept.

HELD UP BY TWO MASKED THUGS IN SEATTLE

Seattle, Jan. 15.—E. White, a grocer and confectioner at 400 West Harrison street, was held up and robbed in his store by two men last evening about 7 o'clock. They entered the store wearing masks and displaying revolvers. White complied with their demands to put up his hands. One of the men stepped in back of the counter and emptied the cash till of between $10 and $12.

Charles Boyce and Leo Herons, 29 and 20 years old, respectively, were arrested at Western avenue and John street, a few moments later. They answer the descriptions of the holdups. They say they know nothing of the robbery.

THE MANAGER'S CORNER.

In an address before the Representative Club of New York, Dr. J. A. Macdonald, of Toronto, said:

"One of the great reforms promoted by the organized advertising clubs of the United States and Canada is through insistence on truth and honesty in publicity. The advertisement lie is disproved and rejected. A business house must make its goods equal to its advertising claims. Trade is shown to be a stick with two ends; it must benefit both parties, both producer and consumer, both seller and buyer.

SOES AND GIVES HER BABY AWAY.

Spokane, Jan. 15.—Mrs. Marie Hansen, a widow, sobbed in the court of Judge William Huneke yesterday as she saw Mrs. Carrie Lawrence adopt her baby, Milton Harry Hansen.

Mrs. Hansen's husband died a year ago, leaving her destitute with a child two years old. Mrs. Carrie Lawrence, the wife of Edward J. Lawrence of Medical Lake, agreed to adopt the child when the mother said she could not make a living for herself and her baby.

"Do you know that you are giving up all claim to this child when you permit Mrs. Lawrence to adopt it?" asked the judge, as the sobbing mother took the stand.

"I can't give him up entirely and I must see him occasionally. I cannct make a living for both of us and must do the best I can for him," said the mother.

Mrs. Lawrence then explained she had cared for the child and would permit the mother to visit him at any time. Judge Huneke signed the order of adoption.

WASHINGTON STATE TOWN SLIDES TOWARDS SOUND

Edmonds, Wash., Jan. 15.—The village of Meadowdale, two miles north of Edmonds, looks like an earthquake city. Owing to the recent heavy rains the whole bank on which the town is situated has been sliding.

There are crevices in the streets and sidewalks are pushed out of line and in some places the earch has sunk three feet.

It is said if the rains had lasted a few days longer the hamlet would be on the Great Northern tracks or in the Sound.

Every winter the bank at this place slides a little, but this winter it has been worse than usual.

BLAMES BAD WATER FOR TYPHOID CASES

Walla Walla, Wash., Jan. 15.—Most of the typhoid cases in the county result from employers furnishing their help with bad drinking water in the summer time, says County Health Officer R. W. Smith in his semi-annual report to the county commissioners. He recommends that some method be found by which the employers can be forced to pay the expense of their men who become sick from this cause. At present the cost is on the county.

"The general condition of the health of the county has been good. There was one outbreak of scarlet fever near Dixie, but that was curbed by prompt quarantine measures," says the report.

The epidemic of measles is waning. There are 10 cases of mild smallpox, contracted from workmen who came here from Uniontown, staying in lodging houses, eating at restaurants and visiting barber shops before the disease was discovered.

Detective's Tools Taken.

San Francisco, Jan. 15.—A burglar entered the rooms of J. C. Weber, a private detective, today and stole his false whiskers and all his other valuables.

GOES TO JAIL FOR SMOKING CIGARETTES

Lewiston, Idaho, Jan. 15.—Roy Brown, age 19,, was arraigned before Judge Erb this afternoon charged with smoking cigarettes. He pleaded guilty and was fined $1. Refusing to pay the fine he was committed to the county jail.

Brown is the first prisoner ever committed to the Nez Perce county jail on a charge of smoking cigarettes. Officers say the laws regarding smoking will be rigidly enforced.

Harry Bonner, aged 15, was fined $5 yesterday for a similar offence. The fine was paid.

Youth Saves Friend.

Fort Smith, Ark., Jan. 15.—To save John Sharp, a friend, Brodie Bates, 19 years old, walked from Brawley, a mountain town, to Fort Smith, 75 miles, that he might plead guilty today to selling whisky at a picnic.

Paris Is Shivering.

Paris, Jan. 15.—Several deaths have occurred in Paris because of the cold weather and there is much suffering among the poor. The temperature dropped to 23 degrees fahrenheit tonight—the lowest of the year. A piercing wind prevails with occasional flurries of snow. The prefect of Paris is arranging to place large fires in the streets for the homeless and is distributing food and fuel to the needy.

Annual Convention.

The annual convention of the B. C. Stockbreeders' association will be held in the Empress hotel, Victoria, Jan. 29 and 30. A strong program is being prepared and interesting sessions are assured.

WOMEN'S BANK WILL CELEBRATE SUCCESS

Berlin, Jan. 15—The Berlin women's bank, which is believed to be the only bank in the world run for and by women exclusively, has just completed five years of existence and is to celebrate the event on January 17.

A luncheon will be given on that date with several hundred guests, and future plans for the development of the bank will be announced. Among the plans is the establishment of a daily financial paper.

Your Vote and Influence

Respectfully solicited as Candidate for Councillor for Coquitlam Municipality.

James D. Robertson

Coquitlam Municipal Elections

VOTE FOR

Albert Oxtoby

Running as

Councillor Candidate

and you vote for a square deal all round with favors to none; a referendum on all important questions; and employment of residents and ratepayers on all municipal work. He will also urge the early extension of the B. C. Electric car along the North road.

Polling day, Saturday, Jan. 17.

Edward C. A. Percy

The People's Candidate

for Councillor of Coquitlam Municipality, solicits your vote and influence at the election on Saturday, Jan. 17.

Platform: Retrenchment until financial conditions improve.

Urge early construction of the bridge across Brunette river and administration in other matters to the best interests of the municipality as a whole.

SMITH ROAD, BURQUITLAM.

TO THE ELECTORS OF COQUITLAM MUNICIPALITY

Ladies and Gentlemen:

Your vote and influence solicited for Reeve in the election to be held on Saturday, January 17, 1914.

My platform will be:

Retrenchment and economy during the prevalence of the present stringency as far as compatible with progress—

A liberal policy towards all large enterprises such as B. C. E. R. extension, etc.—

Referendum to the electors on all important questions, employment of local labor, and square treatment all round.

PROMINENT CHINESE FOUND GUILTY UNDER MANN ACT

Seattle, Jan. 15.—Harry Toy, one of the best known members of the Chinese colony in Seattle, was last night found guilty by a jury in the federal court on an indictment charging him with transporting, in violation of the Mann act, Goldie Goodell from Portland to Seattle during March last.

The Goodell girl, 19 years old and daughter of a Portland clergyman, was sister of Toy's wife, a former mission worker, and that following the death of Mrs. Toy in 1911 she was induced by her brother-in-law to leave a convent in Portland and come to Seattle, and that she was later placed by Toy in a house of bad repute.

The defence put on no testimony, Judge W. R. Bell arguing that the case did not come within the provisions of the Mann act.

The jury retired at 5 o'clock, and after being taken to dinner resumed their deliberations at 7 o'clock, coming into court two hours later and reporting its verdict. Toy's sentence was deferred and he was remanded to the care of Deputy United States Marshal George Devenpeck.

THIS MUST HAVE BEEN A HAPPY HOME

Spokane, Jan. 15.—Sensational charges were made by Florence Carpenter, wife of Irvin A. Carpenter, a local fireman, when she filed an answer and cross complaint in the superior court yesterday asking that she be given the divorce instead of her husband, who sued her for divorce.

Mrs. Carpenter says her husband made life miserable for her, bringing one of his sisters into their home and becoming abusive when she would not permit her sister-in-law to abuse her.

In the complaint she declares a baby, Margaret Dorothy, whose custody she asks, has been born since her husband asked for a divorce. They were married Feb. 5, 1913.

In the divorce complaint filed last month Carpenter said his wife would not stay at home to cook his meals. He said she had used vile language and told him she no longer loved him.

JUDGE THREATENS TO BEAT UP ATTORNEY

Spokane, Jan. 15.—Stanley Webster, judge of the superior court, threatened to "knock the head off" H. M. Stephens, corporation counsel of Spokane. Judge Webster ruled against the city in an important condemnation case and had left the bench when Mr. Stephens said:

"I have come to the conclusion that I cannot get a square deal in your court."

"You have offered that gratuitous insult," replied Judge Webster. "If you repeat it I promise you this, in public or private, I'll beat your head off. You are a cur."

The bailiff and spectators prevented the attorney from approaching the jurist, despite the orders of the judge not to hold Mr. Stephens, but let him come on. Mr. Stephens left the court and Judge Webster went to his chambers.

Nickel Applied to Aluminum.

Paris,, Jan. 15.—A method of applying nickel to aluminum and thus increasing its commercial value has been discovered by the French inventor, La Cattellier. The aluminum is placed in a bath of acid containing a preparation of iron, which adheres to the aluminum, giving it a surface to which nickel attaches itself.

NOTICE
WARD 1 RATEPAYERS

A meeting is called for Thursday night, Jan. 15, at 8 p.m. in Johnston's hall, Highland Park. William Bevan, candidate for Councillor Ward 1, will address the ratepayers. A special invitation is extended to Councillor Stride and Mr. Deckert, also other candidates.

BONDS and MORTGAGES

Taxes are a superior lien upon all mortgaged property. Real estate may be sold for taxes, leaving the careless holder of a bond and mortgage with no security. Insurance may be allowed to lapse; then, should a fire occur the mortgage holder has only the bare ground security. Methodical attention absolutely averts these dangers. The maker of the mortgage may default in his interest payments. Here, again, experience, and skill are needed to properly conduct a foreclosure. Much money has been lost and many titles have been impaired through lack of skill and evperience in such matters.

You cannot afford to be without our services, an interview will cost you nothing.

Sent up for Trial.

After hearing the evidence against Jack Ross of West Burnaby in police court yesterday Magistrate Beatty of Burnaby committed the accused for trial on three charges. Ross was arrested by Chief Parkinson in Vancouver last Saturday on a charge of entering two houses in West Burnaby and taking valuables including watches and jewelry. It is believed that other evidence will be unearthed before Ross' trial which will clear up several mysterious burglaries which have taken place in the western portion of the municipality during the past few months.

Annual Meeting.

The annual meeting of the Central Park Agricultural association and Farmers' institute will be held in the Agricultural hall, Central Park, on Thursday, Jan. 22, at 7:30 p.m.

Wants Militia More Efficient.

Washington, Jan. 15.—"Without efficiency the national guard is a mere money consuming organization with no value whatever," Secretary Garrison today told the adjutant generals of the organized militia, who are having a meeting in Washington. "I wouldn't give a dollar for sentiment, but I would give every dollar possible to make the national guard more efficient." The secretary asked the officers for their opinions of a militia pay bill to give the war department greater jurisdiction over the guard and make it the seat of authority in militia affairs. He said he was in favor of paying militiamen only for what they sacrified in their civilian callings when on military work. Patriotism should be their motive, he said.

LOCAL AMATEURS MAKE GOOD IN INTERCITY GAMES

Beavers Defeat Rowing Club 6-1—Circle F Tie With Black Bros. Four All.

Displaying a brand of speed which dazed their opponents New Westminster amateur hockey players covered themselves with honor at the rink last evening when the champion Rowing club septette of Vancouver went down to defeat before the Beavers, while Fraser Mills more than held their own with Black Bros., also of Vancouver and would undoubtedly have won the contest if there had been further time. As it was the first encounter between the lumberjacks and the B. & B.'s went to a tie, four all.

Although the crowd was not what it should have been they were treated to the best in the amateur game and became firmly embedded with the fact that the Savage trophy emblematic of the championship of the province stands a good chance of being headed Fraserwards before the season closes.

Six to one was the score in the Beaver-Rowing club game and this just about represents the play, last year's champions showing combination and speed which was bewildering to the opposition. For the victors Lake, Kinnie and Spence were a tower of strength in the attack and Swanson pulled off some beautiful saves between the flags.

The first encounter was between Black Bros. of Vancouver and Fraser Mills, the third period ending with the two teams tied with four goals each. While not so much combination was displayed in this game, the Circle F. contingent was ever on the alert and more than got the better of the play. Sanderson was the star man for the timber cats getting repeated handouts from the crowd.

George Rochon and E. Longley handled the first game, while Rochon and Sanderson officiated in the second. Tommy Gifford switched over from lacrosse to the ice game, acting as goal umpire along with Tip Sinclair.

Goal Summary—First Game.

First period—Thompson (B.B). :05; Sanderson (F.M.) 5:50; Black (B.B.) :15; Jefford (F.M.) 2:30.

Second Period—Sanderson (F.M.) 5:10; Box (F.M.) 6:30; David (B.B.) 2:55.

Third period—R. Black (B.B.) 1:10.

Penalties—First period, Knight (F.M.); second period, Cully (B.B.); third period, Jefford (F.M.)

Goal Summary—Second Game.

First period—Kinnie (B.) 11:00.

Second period—Spence (B.) 6:15; Kinnie (B.) 3:30;.

Third period—Kinnie (B.) :55; Lake (B.) 4:55; Burnett (R.C.) 2:05; Lake (B.) 1:50.

Penalties—First period, Burnett (R.C.); second period, Williamson (B.), Broadfoot (R.C.); third period, none.

BASKETBALL TONIGHT

Vancouver Y's Visit Westminster Tonight in Opening League Game—Curtain Raiser.

Basketball fans of the city should have their fill at the Y. M. C. A. this evening when New Westminster opens its season in the International Basketball league against Vancouver. Teams from Seattle, Victoria and Bellingham are also entered in the organization so that there will be plenty of the winter indoor sport on tap for the next two months. During the past two years the Vancouver Y's have cleaned up every team on the North Pacific coast and unless they show signs of going back they should make the locals hustle all the way when the ball is thrown up at 9 o'clock this evening. As a preliminary, the Adanacs and the Hustlers of the city league will clash in a friendly.

PLAY IN VANCOUVER

Cripples Royals Likely to Drop Game to Terminals Tonight—Tobin a Doubtful Starter.

With two of the team cripples, the Royals are not too jubilant of winning against Vancouver on the Georgia street rink this evening in the closing game of the first half of the season.

Eddie Oatman, the star rover, will be out of the game owing to one of his toes being broken in the last game against Vancouver, while Charlie Tobin does not feel any too strong to continue throughout the sixty minutes with his damaged ankle. In event of Tobin not being able to continue the abbreviated N. H. A. brand of hockey will be dished out to the fans, eliminating the rover position.

While the Royals should particularly take the six-man game owing to their speed, the lack of co-operation among the forwards was glaringly displayed at Victoria on Tuesday night and may be repeated this p.m., unless the bitterness, which is alleged to exist, is forgotten.

A victory for Vancouver will give a two game lead over New Westminster and one game over Victoria, while the Senators will jump in the lead should Ntw Westminster turn the tables. Skinner Poulin and Walter Smaill have been selected as the officials with dim prospects for New Westminster unless this duo make a change from their actions at Queens park a week ago.

Con Jones and Harry Cowan, of Vancouver lacrosse circles, interviewed Premier Borden at Ottawa last week, arming themselves with credentials to present to English sportsmen. If the Hon. R. L. ever witnessed the coast lacrosse fights either at Vancouver or in this city it is dollars to doughnuts that he would send along an attache with Messrs. Jones and Cowan.

Allen Cuppers Lose.

Winnipeg, Jan. 15.—Lining up with five men from last year's Allen cup winners, the Winnipegs gave the Victorias the game of their life in a senior hockey fixture here tonight, the Victorias managing to squeeze out a victory by the score of 5 to 3.

HOUSE SITS FOR TWENTY MINUTES

Short Session at Ottawa—New Members Introduced—Society Crowds Galleries.

Ottawa, Jan. 15.—The actual sitting of the house of commons this afternoon did not consume 20 minutes. Before going over to the senate chamber to hear the speech from the throne, Speaker Sproule reported the changes in the house during the year consequent on the death of members and the election of their successors. After returning from the senate chamber the commoners were given the opportunity of meeting their new colleagues whose formal introduction was practically the only feature of the afternoon.

On motion of Hon. Robert Rogers the debate on the address in reply to the speech from the throne was postponed until Monday and the house adjourned until that day.

The address will be moved by Hon. H. F. McLeod, the new member for York, N.B. and seconded by Mr. Lavalee, of Belle Chasse.

The attendance of members on both sides of th house was fair for an opening day.

Owing to the inclement weather the crowd which watched the arrival of his royal highness and his escort at 3 o'clock was not as large as usual. It dispersed soon after his royal highness entered the senate chamber. There the scene was quite as brilliant as usual. The attendance of society people on the floor of the house was limited only by the accommodation. The galleries were crowded. There was the usual array of brilliant uniforms to the right and left of the throne, the premier in his brilliant Windsor uniform occupying the position of honor.

After the house adjourned Speaker Sproule and Mrs. Sproule held a reception in the speaker's apartments, which was attended by practically everybody who participated in the opening ceremonies.

STRIKERS GUILTY ON ONE COUNT

(Continued from page one)

position in which you place yourself by this refusal to give the names of these men," said the court. "Are you doing it on the advice of your counsel ?"

"No sir, I will not tell. I would rather be punished for it than tell their names."

"Then I am to understand that you decline to give their names,"' persisted his lordship.

"Yes sir."

In spite of the prisoner's refusal to tell the names and his repeated declaration that he fully realized the consequences entailed by his refusal his lordship dealt leniently with him on this score while making his charge to the jury, pointing out that he would withdraw his question, but that the jury might take the prisoner's answer for what they thought it was worth in weighing his evidence.

Only Two Left.

A feature of the evidence of David Gilmour, one of the witnesses for the defence, was that on August 14 last there were only two non-union men left in Extension, so successful had the strikebreakers been in making their getaway before the advancing crowds of strikers. The two men left were White and Passerini, both of whom had been detained in custody by the union men till the arrival of the militia, when they were released.

The prisoner's mother was one of the witnesses in the morning and told in a low voice the movement of her boy of which she was aware on the day when he was said to have been riotously engaged.

In rebuttal, the crown called James White to prove that Morris had not, as he had sworn, taken any hand in helping to put out the fire at the pithead, but that this work had been done by the militia who would accept no assistance, not even from the non-union men.

Percival Johns was called to refute the testimony of Mrs. Matthews, delivered the day before, to the effect that the non-union men entrenched in the pithead had fired hundreds of shots at the union men, who were unarmed and who had advanced on the mine. Johns stated that in all five shots had been fired at that time, teling how many of them had come from rifles and how many from shot guns.

Port Coquitlam Voters

I wish to extend my heartfelt thanks for the splendid support accorded me in yesterday's election. The result is most gratifying, and I will do my utmost to merit the trust you have reposed in me.

I bespeak for the council of 1914 the united support of the voters and ratepayers of Port Coquitlam, and can assure you that at all times the mayor and aldermen will deem it their duty to extend you the fullest courtesy and serve you to the very best of their ability.

To my opponent, Mr. Mars, I extend my thanks for the clean and gentlemanly manner in which he conducted his campaign. Though opponents we have been and remain firm friends.

J. R. MacKenzie,

Mayor-Elect.

GOAT SOLVES PROBLEM THAT PUZZLED POLICE

Kansas City, Jan. 15.—The wheels of law enforcement were clogged for a few minutes at police headquarters today when a patrol wagon drew up and George Moore, a patrolman, unloaded Mrs. Lena Arnone, Vincenzo Strazzo and a goat.

"This is too much for me," said Moore, "I found the man leading the goat down a street. The woman was running behind flourishing a knife. She says the goat is hers. Vincenzo says it's his."

Thomas Flahive, chief of police resorted to an ancient strategy. He grasped the end of a chain fixed to the goats collar and led the animal into the middle of the street. The woman was placed on one side of the street and the man on the other. Capt. Flahive dropped the chain and fled.

"Come here, you Tony," commanded Mrs. Arnone, while Vincenzo stood dazed. Tony came joyfully.

"The chain is yours, Vincenzo," said the captain.

Bank Panic in Switzerland.

Berne, Switzerland, Jan. 15.—The failure of the Credito Ticinese has resulted in a formidable financial panic here. There was a heavy run on the Caisse d'Epargne et de Brets, more than 2,000,000 francs being withdrawn. The Swiss National and other banks are placing funds at the disposal of this bank to enable it to weather the storm.

ACT TO ESTABLISH PUBLIC IRRIGATION

Hon. W. R. Ross to Introduce Important Measure to Cope with the Problem.

Victoria, Jan. 15.—An act that will establish public irrigation corporation throughout the province will be introduced by the Hon. William R. Ross, minister of lands, at the present session of the legislature. It will make possible the joint ownership and corporate control of irrigation enterprises by the landowners of any locality where the lands can be irrigated advantageously from a common source of supply or through a common system of works.

"This organization of these corporations resembles very closely that of city and district municipalities," said the minister. "They are in reality municipalities dealing only with matters relating to water, including its supply, carriage, distribution and conservation.

"Through the instrumentality of these districts money may be borrowed upon debentures or otherwise, and taxes may be imposed which become a first lien upon the lands within the corporate limits. It is contemplated by the act that water users will be enabled to co-operate effectively and on a large scale in the solution of their water problem.

"The day of cheap water for irrigation is a thing of the past. The bringing of water supplies to the higher barren land now being occupied involves the construction of storage works at the head waters of streams and the building of canals with head gates far up in the rocky canyons. Such works generally cost anywhere from five to fifteen times as much as the primitive ditches of the early settlers, and involve an outlay that is beyond the financial ability of individual land owners.

"This is a serious problem, and in reaching its solution one of two courses must be pursued. The government must either permit privately owned companies to become organized for the purpose of building and operating the water supply systems, or some form of co-operative ownership and control must be devised to enable landowners themselves to do this."

LUNGMOTOR SAVES VICTIM OF GAS

Spokane, Jan. 15.—Overcome by the fumes of gasoline Ned Colby, aged 21, was saved from a possible death by the promptness of a patron at the automobile plant of the Studebaker company, N905 Howard street, in giving an alarm yesterday, and was restored to consciousness by the lungmotor at the emergency hospital.

Colby, an employee, entered a room in which an automobile engine had been in use. He became dizzy in the gasoline atmosphere and dropped to the floor. A patron of the shop observed Colby weaken and called an other employee. The men removed Colby from the room soon after he was overcome.

It was the first performance of the lungmotor, bought two months ago, chiefly for restoring the near-drowned. Under the operation of Dr. G. A. Downs and Steward P. C. Milburn it revived Colby in ten minutes. He was taken to his home, weak and dizzy, but otherwise normal.

In Wages or Profit

health, sooner or later, shows its value. No man can expect to go very far or very fast toward success—no woman either—who suffers from the headaches, the sour stomach and poor digestion, the unpleasant breath and the good-for-nothing feelings which result from constipation and biliousness. But just learn for yourself what a difference will be made by a few doses of

NOTICE

Alteration of Schedule on Interurban Line between New Westminster and Vancouver *via* Burnaby Lake

EFFECTIVE MONDAY, JAN. 19. SUBJECT TO CHANGE WITHOUT NOTICE.

On and after Monday, January 19, an alteration will be made in the schedule of the "Burnaby Lake" interurban line whereby the cars will hereafter leave either terminus at "half past the hour" instead of on the even hour as formerly. The new schedule will operate as follows:

WEEK DAY SERVICE—First car leaves New Westminster at 5:30 a.m., with hourly service throughout day and last car at 11:30 p.m. To accommodate the "rush hour" traffic special cars leave New Westminster at 8 a.m. and 5 p.m., these specials leaving Vancouver for the return trip one hour later.

SUNDAY SERVICE—First car leaves New Westminster at 8:30 a.m., with hourly service thereafter until 11:30 p.m.

SYNOPSIS OF COAL MINING RI GULATIONS.

COAL MINING rights of the Dominion in Manitoba, Saskatchewan and Alberta the Yukon Territory, the Northwest Territories and in a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2560 acres will be leased to one applicant.

Application for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee will be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

BURNABY REEVE ANSWERS CRITICISM

Large Meeting in East Part of Municipality—McGregor and Macpherson on Platform.

Before the largest political gathering in the history of East Burnaby, Reeve McGregor and the present administration yesterday evening defended themselves against the attacks of the opposition to such an extent that the result of the poll on Saturday can be put in the doubtful column so far as ward three is concerned.

George H. Leaf occupied the chair, first calling upon D. C. Patterson, of Edmonds, who spent the allotted time in explaining the why and wherefore of his candidature and his past record as a mechanic.

William Karrmann, running for councillor in ward three, made his first appearance on the public platform, stating that he had nothing to say against the present administration except that the settlers should be looked after in the way of being given employment. Mr. Karrmann received a good hearing.

J. C. Allen, also running in ward three, was directly opposite to the views of the previous speaker, stating that Burnaby had been receiving about 50 per cent. for every dollar expended. As a contractor he had made a success of things in getting a fair return for his money and if elected would see that the ratepayers would receive the same returns as any private individual.

Mac and Mc.

Councillor Macpherson, in the reeveship race, dwelt upon the same arguments put forward during the past few meetings stating that a vote for Fraser was one for McGregor and that the latter and himself were only to be considered in the race of Saturday.

Reeve D. C. McGregor followed the Edmonds representative, dwelling for upwards of an hour on the present financial situation in the municipality and the causes that led to the present stringency. The reeve stated that Burnaby's financial condition was sound and that the temporary embarrassment would prove a blessing in disguise.

Water System.

Councillor Coldicutt spoke for upwards of 45 minutes in defence of his work on the present council and especially his work in connection with the police and fire committees together with the North road bridge project which would culminate in the B. C. E. R. being extended to Burquitlam.

Replying to a remark passed by Hugh M. Fraser as regards the waterworks system not paying for itself the East Burnaby representative stated that while $30,000 had been expended during the past year, the receipts had been $29,800, which, together with the new connections recently made, would bring the total receipts slightly in excess of the expenditure. Next year with more connections the department could look for an even greater increase, especially following the completion of the contract with South Vancouver calling for a payment of $10,000 annually for a supply of water.

Little disorder was noticed, Chairman Leaf keeping a strong hold upon the meeting.

Embargo on Spuds Unjust.

St. John, N.B., Jan. 15.—At a meeting of the council of the St. John board of trade today a resolution was adopted stating that the government of the United States has unjustly placed an embargo upon the importation of Canadian potatoes and that the Canadian government should be requested to institute an embargo upon the importation into Canada of American potatoes to protect the Canadian grower.

Now Is the Time
to buy Hot Water Bottles. We have them with a two and five year guarantee.

TWO CANDIDATES FOR REEVESHIP

Atkins and Marmont Seek Honors in Coquitlam—Address Burquitlam Ratepayers.

About 100 ratepayers gathered in the Burquitlam Agricultural hall last night and listened interestedly to the candidates for Coquitlam municipal honors. Councillor R. J. C. Atkins, candidate for reeve, summarized his previous address and asked for support on his past record. He promised faithfully to do his best as he had always done.

L. E. Marmont, the opposing candidate for reeve, received a very enthusiastic reception from the gathering. He reviewed the questions at issue and announced that he especially advocated a strict business administration. He asked the people to consider the reeveship candidates carefully and vote for the man they considered best suited for the position.

Albert Oxtoby, Wallace Whiting, J. D. Robertson, E. C. A. Percy and H. B. Baker, candidates for councillor, also spoke reviewing the ground they covered at previous meetings.

Association Changes Name.

At the suggestion of Mr. Bray given at the conclusion of the speeches it was decided to reorganize the Burquitlam ratepayers' association and to make it a more active and business-like body than it is at present. It is proposed to send a delegate to all council meetings whose duty will be to report back to the association on what the council did. It is the intention also to make the association as representative of all the ratepayers of Coquitlam as possible and in that connection it was decided to adopt the title "Coquitlam Ratepayers' association."

Marmont Denies Report.

L. E. Marmont, candidate for the reeveship of Coquitlam strenuously denied the report circulated through out the municipality that if he were elected he would extend immnuity to the immoral quarter in the east end. "Nothing is further from my mind and from the truth," he asserted at the close of the meeting in Burquitlam last evening.

PROVINCIAL HOUSE FORMALLY OPENED

Victoria, Jan. 15.—Lieutenant Governor Paterson opened the second session of the thirteenth legislature here this afternoon. The scene at the formal opening was one of brilliancy.

At 2:30 the 88th Fusiliers marched to the square in front of the legislative buildings, and half an hour later the lieutenant governor in his uniform of gold lace, appeared with the regimental officers as his guard of honor. The great gates at the front of the building were thrown open and his honor proceeded up the long flight of steps and through into the assembly hall, the guard of honor in the meantime forming single file on either side of the aisle.

In the assembly chamber the legislators were in their seats awaiting the arrival of the lieutenant governor. With them on the floor of the house were about 100 invited guests, others present on invitation being seated in the northwest galleries. The general public was admitted to the galleries on the east side and the south end behind the throne.

Mayor Gray Popu'ar Choice of Ratepayers

(Continued from page one)

day each candidate for the mayor's chair voted for his opponent. Mayor Gray and Mr. Johnston are both native sons of New Westminster.

At St. George's Hall.

Chief interest in the campaign was naturally centered at the seven polling booths at St. George's hall where the different candidates and their agents scanned eac hreturn as it was handed to Returning Officer Clute. Aldermen Jardine and Kellington naturally felt elated at being returned especially the latter, who had been forced to bear the brunt of the attack on the liquor license question. "I stood on my record of the past two years," stated Alderman Kellington to The News last evening, "and I feel deeply indebted to my friends who supported me without any campaigning and canvassing on my part as I was more concerned with the re-electing of Mayor Gray than myself."

Ed. Goulet, local C. P. R. agent, although at the bottom of the polls of the elected candidates, felt very pleased at the support accorded him. Last evening he telephoned to the effect that he was more than pleased with the loyalty of his friends and that none would regret the fact that they had cast their votes for him.

Alderman Bryson headed all four districts, leading his nearest opponent, T. S. Annandale, with majorities ranging from 118 at St. George's hall to 12 on Lulu island.

The News Service.

Maintaining its record of 1913 The News was enabled by an efficient corps of workers stationed at every polling station to secure first returns of the mayoralty, aldermanic and school trustee fights, hundreds of people being supplied with results over the telephone. Even the city hall, Mayor Gray's and Mr. Johnston's committee rooms had to take second place to The News in the matter of securing first results.
