

PROSPECTS BRIGHT FOR BOARD OF TRADE

Maple Ridge Will Organise Shortly—Harmonise Local Improvement Bodies.

The organization of a board of trade for the municipality of Maple Ridge was considerably advanced by a meeting held at Port Haney on Friday evening.

The president of the Port Haney Progressive Association, W. A. Robinson, occupied the chair, and there was a fair attendance. Reeve Laity did not be present. The president elected the secretary of the Western Board of Trade, and Mr. Wade fully into the organization and management of such a body, and outlined its course of procedure.

Scope of Board.

Resolution favoring the establishment of a board to embrace the municipality was moved by Mr. Ferguson, seconded by E. W. Beckett, and carried. The board should embrace the country between the Pitt and Fraser rivers, partly in the neighboring municipalities, and another resolution favored a joint meeting of the board and those interested in the municipality at the Port Haney public meeting about two weeks, when officers would be elected and organization completed.

Preparing to Canvass.

A committee of five to canvass the district around Port Haney, consisting of Messrs. J. S. Hawley, Sander N. Loughheed, C. Pelletier and J. Robertson, was appointed, and it further resolved to invite the Hammond district improvement association to name five delegates to canvass their district west of the Pitt river. Messrs. Heaps and Priest, of Rusk, and A. W. Spills, and T. H. Robertson, of Whonnah, were asked to look after their district.

Reeve Laity will be invited to be first president of the board, elected by the whole municipality, the vice-president and secretary to be chosen from the popular parties of the district.

Thanks were tendered Mr. Wade for his address and to the Westminister for assistance.

CAGO LUMBERMAN DENOUNCES NEW TARIFF

That Recent Reduction of Duty on Logs Gives Canadian Interests Unfair Advantage.

Seattle, July 30.—Edward Hines, Chicago, newly elected president of National Lumber Manufacturers' association, and head of the largest lumber business in the world, has just returned from a trip to Alaska, in discussing the action of congress in placing a duty of \$1.25 on rough lumber, said today.

The lumber industry of this country has been treated unfairly by leadership in congress in rejecting the lumber schedule of \$1.50 on rough lumber. The action was most unjust, and the industries had been forced to stand proportionate cuts at the hands of congress the party pledges had have been kept, but as it stands the lumber industry was sacrificed. A number of both houses of congress, among them Representative Wayne of Minnesota, pursuing selfish motives for their own political advancement, have from the start tried to block what the lumber industry are justly entitled to. The lumber industry was singled out and has been the center of the attack from the start.

The principal effect of the reduction of the tariff, according to Mr. Hines, is to be greatly increased the shipping of Canadian lumber into the United States affecting the Pacific coast particularly.

Maya Indians Massacre

Women and Children

Merida, Yucatan, July 30.—Surprise in their homes at San Jose, Province of Quintana Roo, by Maya Indians, women and children were massacred, according to reports received here, and in many cases it is said the bodies were horribly mutilated. A feeble resistance was offered by aged men in the small village, and men at work in the fields, who were attracted by the cries of the dying, rushed to the defense of their homes. Several men, as well as Indians were killed. Dying wives, children and loved ones were found among the dead, and it was a pitiful scene

VETERAN PLAYER MAY DON HARNESS

Wells Gray Promises to Get Out Again if the Boys Find Need of Him.

The result of next Saturday's game will be watched with the keenest interest by lacrosse fans in this city. The men are working hard and hope to be in shape to hand Vancouver an old-time licking, but should they find the green shirts too much for them it is possible that several of the old guard may don their harness again and get into the game.

Wells Gray, Billy Gifford and Fred Lynch have been figuring in the nightly practices for some time. It is hardly probable that either Lynch or Gifford will take the field again, but if things don't go well next Saturday Gray may again appear in the place where he won laurels for himself in the past.

"I'll play if the boys want me to," said Gray, in answer to a query on the part of the News last evening, and on the result of the next match depends whether the boys will want him or not.

Lynch has been out in uniform coaching the home for some nights past, and Gifford has also been giving the younger players the benefit of his experience. It is, however, improbable that either of these veterans will take the field again.

TOOK OVERDOSE OF DEADLY NARCOTIC

Sad Death of Medical Practitioner at Port Moody—Buried Here Today.

The funeral of Dr. Robert Renwick Robinson, of Port Moody, takes place this morning, the interment being at the Church of England cemetery.

The sad circumstances surrounding his death were the subject of an examination by the coroner, Capt. Pittendigh, yesterday, and after viewing the remains the coroner gave a permit for burial. Dr. Robinson was found in his surgery. His right leg was bared and he had apparently been attending to a wound caused by a bicycle accident some time ago, the bandages having been stripped from the injury. The pain must have been excessive, as he had made use of a hypodermic syringe, and was in a comatose state when Dr. Walker was summoned. Heart failure had occurred, and nothing could be done. There could be no doubt he had taken an overdose of cocaine or morphine to allay pain.

Served in War.

Dr. Robinson practiced in Stevenson some years ago, acted as surgeon on the C. P. R. Express liners, and then re-entered private practice. He resided at Trout Lake till the death of Dr. Bentley at Port Moody last fall, when he took over the practice, including that of divisional coroner. He was 38 years of age, and a native of Concession, Ontario.

His only child, Robin, died at the age of three years of spinal meningitis, and was only buried this week. Mrs. Robinson is in a frail state of health.

Dr. Robinson was a Mason and Odd Fellow, and served in the South African war. The funeral will take place from the undertaking rooms of W. E. Fales, Rev. A. Shildrick officiating.

KILLED BY TRAIN.

Unknown Man Struck Down on Cloverdale Branch.

It was reported in the city yesterday that a man who had not been identified was killed by a passing freight train near Clayton, on the Cloverdale branch of the Great Northern Railway late on Thursday night. The fact was so badly crushed that it was impossible to recognize the features.

It is not known whether the man was stealing a ride or had gone to sleep on the track.

of devastation which the villagers gazed upon.

This massacre occurred prior to the battle between Maya Indians and troops of the Seventh Infantry, who were ambushed by the Mayas at Ocumu, the same province, when the soldiers lost six dead and seven mortally wounded.

San Jose is a small town in the territory of Quintana Roo, and most of the inhabitants work on the surrounding plantations. The men, according to report, were away when the Indians made their sortie upon the town, and the helpless women and children were outraged and butchered in a most brutal manner.

TO STAMP OUT WHITE SLAVE TRADE

Many Governments Unite to Extinguish Traffic in Women for Immoral Purposes

The current issue of the Canada Gazette contains a copy of the agreement recently entered into by the principal European powers and their colonies and dependencies with a view to the extinction of the traffic in women for immoral purposes.

To Appoint Commissioner.

By this agreement each of the contracting governments undertakes to appoint an authority whose duty will be to gather all the information concerning the hiring of women and girls for immoral purposes in foreign countries, this authority to have power to communicate directly with the similar service established in each of the contracting states.

Strict watch will be kept by the agents of the governments entering into the agreements at railway stations, ports of departure and during the voyage for conductors of women and girls intended for debauchery. Instructions will be sent to the officers and all other competent persons to obtain within legal limits all the information leading to a criminal traffic.

The arrival of persons likely to be the authors, the accessories or the victims of such a traffic will be signalled, if necessary, either to the authorities at the place of landing or to the diplomatic or consular agents earned or to all other competent authorities.

To Take Evidence.

Provision is made for taking evidence from women or girls of foreign nationality who live by prostitution, for the purpose of ascertaining their condition and to seek who has induced them to leave their country. The information thus obtained will be communicated to the authorities of the country of origin of the said women and girls in view of their eventual repatriation.

To Repatriate Victims.

The governments undertake, within legal limits and as far as possible, to send back to their country of origin those of the women or girls who ask for their repatriation or who are seen to be claimed by persons who have no authority over them. The repatriation will only take place after the identification and the nationality and also the place and date of arrival at the frontier has been established. Each of the contracting states will facilitate the transit on its own territory.

Finally, the governments entering into the agreement undertake to keep a watchful eye upon the offices or agencies engaged in the employment of women and girls in foreign countries.

FIND GOOD ROUTE FOR HUDSON BAY LINE

Surveyors Report That Cost Would Not Exceed Ordinary Prairie Railroad.

Winnipeg, July 30.—A party of surveyors who have been engaged running trial lines for the Hudson's Bay Railway in the Nelson country, arrived back from the north today. They bring a report that would seem to indicate that Port Nelson is the terminus of the road to the bay. The line is shorter and more direct, and the harbor facilities are good and open earlier than at Churchill, while the cost of construction is vastly cheaper than the more northern route. The surveyors estimate that from Split Lake to Nelson the cost of building the line will not greatly exceed that of ordinary prairie work, as there are no muskies and no grades.

Funeral of A. W. Moulden.

The funeral took place yesterday at the Church of England cemetery of Arthur Wallace Moulden, the five-year-old son of George Moulden of Coquitlam. Many friends attended. Rev. Mr. Haslam, of St. Mary's, Sapperton, officiated. The pallbearers were John Armand, Edward Simpson, W. Wilson and A. Marrs.

Floral tributes were received as follows: Sprays, Miss Kate Moulden, Mr. and Mrs. John Smith, Mr. and Mrs. S. B. Cleave, Mr. and Mrs. J. W. Struthers, Willie and Harry Mounce, Mr. and Mrs. J. W. Rowland, Willie Corbett, Mrs. Simpson, Mrs. Quilty, A. R. Millard, Mr. and Mrs. Davies, Mr. and Mrs. Marrs, S. Batt and D. Ostrum; wreaths, Abraham Joyce, I. O. Foresters, Court Coquitlam, No. 4137, Will and Jessie, R. D. Irvine and family, Mrs. G. Munday, Mrs. Spellet, Vancouver, E. A. Atkins; crosses, Mrs. D. McLean, Mr. and Mrs. Rosenberg, D. Murchie was the undertaker.

ALTERATIONS IN GAME REGULATIONS

Order-in-Council Closes a Number of Districts to Elk Hunters.

By order in council dated July 29, and appearing in the last issue of the B. C. Gazette, the game regulations of the province are considerably changed. Those in regard to the hunting of elk are altered in the direction of further protection, while steps are also taken for the preservation of mountain sheep in Westminister and Yale counties. The regulations regarding the shooting of ducks, snipe and pheasants are also changed several districts which have been closed up to the present being declared open.

Extend Close Season.

The close season on elk is lengthened and the boundaries in which they may be hunted are considerably limited.

In Columbia, Cranbrook and Fernie districts the killing of these animals is prohibited until August 31, 1911, while on Vancouver island south of the Little Qualicum river it is prohibited until August 31, 1914. It is furthermore forbidden until the same date on the mainland, south of the Fifty-second parallel, with the exception of Columbia district.

The hunting of mountain sheep is vetoed in Westminister and Yale counties until the close of August, 1911.

Ducks, Snipe and Pheasants.

The disabilities as to the shooting of ducks of all kinds, and snipe, are removed with respect to Vancouver island, and the islands adjacent thereto, from October 1, 1909 to February 28, 1910, both days inclusive.

The disabilities as to the shooting of cock pheasants, quail and grouse of all kinds, are removed with respect to Vancouver island and the islands adjacent thereto, except North and South Saanich municipalities, from October 1, 1909, to December 31, 1909, both days inclusive.

Big Prohibition.

London, July 30.—Delegates from thirty countries formed "The World's Prohibition Federation" at the London Imperial Institute today. The object of the confederation is to unite for mutual help the organizations of the world which are working for the suppression of the liquor traffic.

Guy Hayler, international chief temper, presided, while among the Americans present were Charles R. Jones, chairman of the national committee of prohibitionists; Edward P. Garton and Dr. Wilbur F. Crafts. The central offices of the confederation will be in London.

VICTORIA AMATEURS VISIT WESTMINSTER

Redshirts Should Score Well Against Capitals Today—Both Teams Have Fast Men Out.

Senior amateur lacrosse holds the field at Queen's park today, play commencing at 3 p.m. Both Victoria and Westminister will be well represented, the Capitals having been steadily practicing for some time. The redshirts will have three changes from the team which easily beat the Maple Leafs a few days ago. As Marshall and Lund have professionalized themselves by playing with the Salmon Bellies, and E. Warwick is off, places have been found for Don Digby, Fitzgerald and Sangster.

The officials have not yet been appointed, but in the ordinary course a Victoria man will referee, and either C. D. Peele or J. J. Mahoney will act as judge of play. A large contingent from Vancouver is expected to make the trip over for the game.

The Westminister team is as follows: Goal, D. E. Munn; point, D. Digby; coverpoint, R. Pearson; defence field, B. Galbraith, W. Patchell and Hugh Gifford; centre, H. MacKenzie; home field, J. Fitzgerald, W. Sangster, A. Smith; outside, B. Henry; inside, V. Purdy.

The Victoria tea mwill be selected from Meredith, Stiles, Redgrave, Owens, Fairall, Jack Sweeney, Carsa, Young, McArthur, Hancock, Julian, Crocker, Dempster and Alex. Stevens.

Not County Court Case.

Judge Sends Prisoner Back to the Lower Court.

His Honor Judge McInnes threw out the complaint yesterday laid against W. J. Ahern for an indecent act, brought under the Criminal Code section 205, on the ground that the prisoner charged with such an offence must be dealt with summarily. W. F. Hansford appeared for the crown, and W. G. McQuarrie defended.

The prisoner was re-arrested and will be brought up before a magistrate again.

IMPORTANT NOTICE IN B.C. GAZETTE

Richmond Road Declared Closed—Dates of Sitting of Timber Conservation Enquiry.

Notice is given in this week's issue of the B. C. Gazette to the effect that the public highway, from the Keith road, southerly through lot 272, group 1, New Westminister district, in Richmond municipality, has been closed. The right-of-way was established by order in council dated April 28, 1904.

In the same issue of the Gazette, tenders are called for the erection of a one-room frame school house at Parson's Hill, Chilliwack district.

Notice is given to the effect that the commission appointed under the Public Enquiries act for the purpose of making investigation into the timber resources of the province will sit in this city on August 27 and 28.

The other places and dates of sitting will be as follows:

Victoria—August 16, 17 and 18.

Nanaimo—August 19.

Vancouver—August 23, 24, 25 and 26.

Kamloops—August 30.

Vernon—September 8 and 9.

Revelstoke—September 10 and 11.

Nelson—September 13.

Cranbrook—September 14 and 15.

Fernie—September 16.

CANNERS WILL PAY 12 1-2c NEXT WEEK

Agree to Extend Higher Rate to Cover First Six Days of August.

The 12½¢ per fish price for sockeye will be paid by the canners throughout the first week in August, and will not be discontinued today as had been originally decided.

Decision to this effect was arrived at at a meeting held by the Fraser River canners recently, the step being taken on account of the unprecedented late arrival of the sockeye.

The fact that the 12½¢ price would rule during the first week of August was communicated to the fishermen yesterday and occasioned the greatest satisfaction. Inasmuch as large numbers of fish are expected next week, the difference between the 10¢ and 12½¢ rate will mean a large sum to the fishermen.

Catches were small in the river yesterday, but word was received from Victoria to the effect that ten miles of salmon had entered the gulf, and fish are confidently expected to arrive in large number on Sunday.

The Fraser River Canners' Association report for yesterday is as follows:

Bellingham—Got 6500 from Salmon Banks; Lummi, 7000; Point Roberts and Boundary Bay, 60,000. Seiners doing well.

Anacortes—Got 10,000 altogether, of which 2000 from Lopez, balance from Gulf. Seiners got 6000 on Wednesday.

St. Mungo—Average 14 from 35 boats.

Evans—Average 15 from 40 boats.

Scottish-Canadian—Average 25 from 70 boats.

Imperial—Average 16 from 41 boats.

British America—Average 29 from 53 boats.

Brunswick—Average 20 from 45 boats.

Vancouver—Average 50 from 110 boats.

TWENTY DELEGATES VISIT.

Making Arrangements to Entertain Municipal Guests.

Acting Mayor Jardine will go to Vancouver tonight to meet the party of delegates from the Canadian Union of Municipalities' sessions in Albera, and make the necessary arrangements for the entertainment of the party on Monday.

Although nothing definite is settled, the present proposal is to take the party up to the Fraser Mills, and then to the St. Mungo cannery, but everything depends upon the amount of time available to the visitors. About twenty are making the trip to the coast.

Gipsies Fight Battle With Immigration Officers

New York, July 30.—A pitched battle was fought at Pier No. 8, Brooklyn, today, between immigration inspectors and a band of 24 gypsies, who were being deported to South America. Enraged at the immigration commissioner's decision, after they claimed to have established that they possessed \$1,500 in cash, the wanderers refused to board the steamer Verdi, which was to take them back to Buenos Ayres. In the heat of the melee several children of the band were injured because their parents who carried them, used them as shields, and in some cases pushed their little bodies against the inspectors, who were trying to drive them from a tug on to the steamer. ROYAL TROOPS RECAPTURE CITY

Provincial Government at Barcelona Had Life of Only Few Hours.

The provisional government established by the revolutionaries at Barcelona had but a short life. Yesterday the royal troops regained command of the city, driving the revolutionaries to the great square, where they were mowed down by artillery.

Women fought side by side with the men at the barricades and hundreds of them were shot down by the troops.

A significant feature of the revolt is the hatred against the church displayed by the revolutionaries.

Don Jaime of Bourbon, pretender to the Spanish throne is reported as meditating a descent upon the area of revolt.

Madrid, July 30.—The captain-general of Barcelona has telegraphed to the general staff at Madrid that the revolutionists have surrendered and that he is now the master of the situation. The number of victims as a result of the fighting in the streets is very high. Twenty-three buildings were destroyed by the artillery. The leaders of the rebels are now being tried by military court-martial and summarily executed.

An earlier dispatch says: "Barcelona has been a perfect hell. Half the population is terrorized and the other half mad with blood. The troops of the garrison amid shouts of approval from the mob repeatedly refused to fire on the people and the work of repression fell upon the police and civil guard."

"They charged the revolutionists and used their firearms freely everywhere, but numbers were against them. As this dispatch is sent the streets are in possession of barricade insurgents. The destruction of property has been great. Barcelona is completely isolated and running short of food."

Many persons were killed in the fighting and the survivors surrendered to the troops.

Quiet at Melilla.

Madrid, July 30.—General Marina, commanding the Spanish forces in Morocco, reports there is momentary quiet outside Melilla, but no details of the situation of the army at Melilla are given out except that the Spanish reinforcements with a new commanding general have arrived.

PRIVY COUNCIL DECIDES IN FAVOR OF C.P.R.

After Two Years of Legal Battling, Claimants in Chehalis Disaster Case Defeated.

Vancouver, July 30.—"C.P.R. appeal allowed."

In this cable, received today by Bowser, Reid & Wallbridge from their legal agents in London, the law lords of the privy council give to the C. P. R. the final victory in the suit of the survivors of the Chehalis disaster, and write this to one of the most costly and strenuously contested actions in record in the courts of British Columbia.

The result is a second and final defeat for the claimants for damages against the company. In addition they must pay the costs of their unsuccessful litigation.

The decision of the law lords is a restoration of that at the trial. That was two years ago last February when Mr. Justice Martin and two assessors decided against the claimants and in favor of the C.P.R. the trial and argument lasting ten days.

But a year later the claimants succeeded in reversing this decision. Chief Justice Hunter and Mr. Justice Clement allowing their combined appeal. Mr. Justice Irving dissented, agreeing with the decision of the trial judge and the assessors.

TENDERS.
Sealed tenders will be received by the undersigned up to noon on the second day of August for the purchase of a quantity of timber on the Indian Reserve at Campbell River. This timber consisting of one million feet more or less, has been felled and cut into lengths ready to haul. A few trees in the block are still standing. The tenders will state the price per thousand feet board measure according to the official scale of British Columbia, which will be paid in cash for the timber as it is at present on the ground. The timber must be removed before the thirty-first day of March, 1910. The lowest or any tender not necessarily accepted. By authority of the Department of Indian Affairs.

W. M. HALLIDAY, Indian Agent, Alert Bay, B. C.

WE ARE READY TO SHOW you how it is cheaper to buy our high-class building materials than it is to purchase the poorer kind. We can point to buildings built with our materials that never need repairs. We can point to some others that need repairs all the time. But they were not built of our materials. See where real cheapness lies?

MARKET REPORT

The market yesterday was average, with a better attendance than the previous week of both buyers and sellers. A fair supply is reported in all lines, all produce being turned over with the exception of potatoes. The auction market sustained its regular business.

Meats and Fish.

Beef was fairly supplied and all sold while lamb with a good supply met with a fair demand. Veal also had been staged in fair quantities, with equally good demand. There was a fair call for pork, without easy sales on account of the hot weather impairing the keeping qualities. Fish found good sales, with halibut, spring salmon, and smelts, at 10 cents per pound, and sturgeon at 12½c.

Eggs and Poultry.

Eggs were largely offered, all selling readily at 35c wholesale. Fowls all found good demand and chickens sold readily. Broilers obtained sales according to size and condition. Ducks had a good demand, and brisk requirement for well grown birds, in good shape. Butter was fairly plentiful, prices remaining at the old level.

Fruit and Flowers.

Black currants and good cherries found a brisk demand, with only a few being offered. A fair supply of raspberries made demand fair for firm berries. Potatoes being largely supplied, the sales remained limited. Business continued good on the florists' stalls, sweet peas and carnations forming the principal flowers in demand.

Official Quotations.

Beef, hindquarters, 8c to 8½c.

WOMAN SPENDS LESS ON CLOTHES THAN MAN

Berkeley, Cal., July 30.—Only one family in seven has a bath tub, and but one family in four having an income less than \$1,100 can afford one, according to statistics in the possession of Mrs. Ellen H. Richards, expert in household economy from the Massachusetts Institute of Technology. Mrs. Richards is here delivering a course of lectures at the university summer session. Another point made by the lecturer was that despite popular impression to the contrary, man spends more money for dress than does woman. She said today that her statistics prove that while a woman is spending \$23 for clothes her husband spends \$33. In the case of boys and girls the latter spends the most, the ratio being \$15 to \$12.

WESTERN STATES WANT FIFTY THOUSAND MEN

Washington, July 30.—A cry for help to harvest the season's bounteous crops comes from the west to officials of the department of commerce and labor, whose functions in part are to find employment wherever possible for the throngs of aliens who come to this country.

Fifty thousand able-bodied men are wanted by the farmers of the west, according to Representative Stephens, of Minnesota, who says the west is literally begging for help to gather the big wheat and other crops. He declares that the crop situation all through the west is simply splendid.

SATURDAY, JULY 31, 1909.

TRADE THAT GROWS.

Favorable reports are received from all the trade centres of Canada. The trade for June is \$9,628,848 greater than it was in June of last year. For the first three months of the current fiscal year, there has been an increase in trade of \$20,686,824 over the corresponding period of last year. The public revenues are increasing in proportion to the growing trade, and the commercial conditions for the future are very favorable.

The Mail in an article on July 21, says the country is spending too much and a comparative table of receipts and expenditures in 1896 and 1908 is presented.

In this table it is stated that the expenditure has increased 1908 over 1896 \$86,813,000. Taxation has increased \$34,593,000. Total revenue increased \$48,475,000, and the public debt has increased \$55,433,000.

The Mail a few days ago made the statement that the greater revenues derived now may be accounted for by increased taxation and yet on July 21, a statement is put forward showing a revenue increased by \$48,475,000, and taxation increased by only \$35,593,000, which fact upsets the Mail theory.

Then again what the Mail describes as taxation, is Customs and Excise revenue, which means that no man pays a dollar of it unless he buys imported goods or uses liquor. The amount spent in excess of the revenue, which is the only fact deplored by the Mail, is occasioned by the building of the Grand Trunk Pacific. Let the Mail answer this question: Do you approve the building of the Grand Trunk Pacific? If so, what is all the talk about? If not, then Canada is no place for the Mail, for Canada wants only those who have faith in the future and an intelligent grasp of our national greatness.

Synopsis of Trustees' Report.
Seventy-eight members have joined since December 31, 1908, and two have withdrawn, making a total increase for the six months' term of 76, and a net paid up membership of 174 and an enrolled membership of 204 on June 30, 1909.

Share capital has increased since December 31, 1908 by \$1409.00, making a total share capital of \$3078.80 on June 30, 1909.

As will be seen by the above statement your association has made very satisfactory progress during the past term and we can say with assurance that the dividend paid on the next term's trading will be a great deal larger than the present one.

Explanation.

Principles: The desire to promote the practice of truthfulness, justice and economy in production and exchange:

1. By the abolition of all false dealing.
2. By conciliating the conflicting interests of the capitalists, the work-

er, and the purchaser by an equitable division among them of the fund commonly called profit.

3. By preventing the waste of labor now caused by unregulated competition.

Our method of doing business is: All goods are sold for cash at prevailing prices and the net profits are returned to the members in proportion to their purchases. Non-members receive 1-3 the dividends paid to members.

Help us by joining, thereby help yourselves. For further information address the store, Sixth street, corner of Carnarvon. Telephone 458.

Dividends on last term's purchases are now payable at the store.

AWFUL CONDITION OF FACTORY WORKERS

Catholic Priest Alleges That Steel Company Treated Employees Worse Than Slaves.

Pittsburg, Penn., July 30.—The Rev. Father A. F. Toner, pastor of St. Mary's Catholic Church of Pittsburg, issued a startling statement today regarding conditions of former workmen of the Pressed Steel Car Company plant.

Father Toner has been at McKees Rocks for nineteen years. He characterized the plant as "the slaughter house and a thousand times worse." "Men are persecuted, robbed and killed," he said, "and their wives are abused in a manner worse than death, all to obtain or retain positions that barely keep starvation from the door."

"The place is a pit of infamy where the men are reduced to the degradation of slaves and compelled to sacrifice their wives and daughters to the villainous foremen and little bosses to be allowed to work. I was allowed to enter the plant at my will a few years ago, but I saw too much of the malicious crimes perpetrated daily, and the gates were closed on me. It is too horrible to discuss."

"It is a disgrace to a civilized country. A man is given less consideration than a dog, and dead bodies are simply kicked aside, while the men are literally driven on to their death. The grafting and stealing by the bosses and other higher officials is not paralleled to my knowledge."

FORTY MINERS ARE OVERCOME BY GAS

Pittsburg, Kan., July 30.—Forty miners were overcome by gas in the Central Coal & Coke Company's mine No. 31 here today. All except fifteen were quickly placed out of danger. Twelve were seriously injured, three perhaps fatally hurt. Nearly all are foreigners.

Fatally hurt: George Zimmerman, Jim Shoop, M. Foster.

Live Stock Insurance

Live stock insurance has fast become recognized as one of the best kinds of insurance in existence, and an ever-increasing number of stock owners are protecting themselves against the serious losses which they have had to suffer in the past. I represent the only strong, reliable Canadian company carrying this class of insurance, and as they do not handle any insurance but live stock they are able to fulfill their obligations to the greatest satisfaction, and every legitimate loss which has occurred on any of the company's policies since they started business, has been promptly paid, cheques usually being forwarded within a day or two, and the following letter is an instance:

(\$104,000.00) Dollars and to cause the same to be paid into the Treasury of the said City for the purposes mentioned herein.

2. It shall be lawful for the Mayor to cause any number of debentures to be made, not exceeding in the whole the sum of One Hundred and Forty Thousand (\$140,000.00) Dollars for such sums of money as may be required, not less than \$100.00 each, or an equivalent expressed in pounds, sterling of the United Kingdom of Great Britain and Ireland, at a value of 4.866 to the pound sterling; and all such debentures shall be sealed with the Seal of the Corporation signed by the Mayor and countersigned by the Treasurer thereof, or by such other person or persons as may be thereunto lawfully authorized.

3. The said debentures shall be payable on the first day of July 1959, at such place or places as the Council of the said Corporation may from time to time appoint, with the approval of the holders thereof, and shall be attached to them coupons for the payment of interest at the rate of five per centum per annum on the amount thereof, which interest shall be payable half yearly on the first of January and the first day of July, in each and every year, and the said coupons shall be signed by the said Mayor.

4. A special rate on the dollar shall be levied and raised in each year, in addition to all other rates, on all rateable property of the City, sufficient to pay the interest on the debentures, and to create a sinking fund for the payment of the principal thereof when due, subject to any Act or enactment respecting the same.

5. Subject as aforesaid, there shall be raised annually by special rates as aforesaid, during the currency of the said debentures, the sum of Five Thousand and Two Hundred (\$5,200.00) Dollars for the payment of interest thereon, and the sum of Nine Hundred and Twenty-two (\$922.00) Dollars to provide for the repayment of the principal.

6. The proceeds of the sale of the said debentures shall be applied as follows, and not otherwise: Towards paying the cost of the passing of this By-law and the issue and sale of the debentures therein referred to.

7. This By-law shall take effect on the 25th day of August 1909, and may be cited as the "Street Improvement Debenture By-law, 1909."

8. This By-law before the final passing thereof, shall receive the assent of the electors of the said City in the manner required by law.

9. Received the assent of the electors on the day of 1909.

Reconsidered and finally passed in open Council the day of 1909.

City Clerk. Mayor.

NOTICE.

Take notice that the above is a true copy of the proposed By-law which will be taken into consideration by the Municipal Council of the City of New Westminster one month from the date of the first publication thereof in the "Daily News" and "Daily Columbian" newspapers, which first publication took place on the 22nd day of July 1909, and that a vote of the electors of the City will be taken on the said proposed by-law on the 25th day of August, 1909, between the hours of nine o'clock a.m. and five p.m., at the following places, namely: The Council Chamber, civic building; The Fire Hall, Sapperton; and the Waterworks Storehouse, Eleventh street.

Incinerator Debenture By-Law, 1909.

A By-law to enable the Council of the City of New Westminster to raise by loan the sum of Twenty Thousand (\$20,000.00) Dollars for the purpose of building an incinerator.

Whereas, it is expedient for the improvement of sanitary conditions in the City that a public incinerator should be built for the destruction of refuse at the cost of Twenty Thousand (\$20,000.00) Dollars.

And Whereas, it appears that if the

sum of Twenty Thousand (\$20,000.00) Dollars be appropriated from the general revenue of the City for the current year the rate of taxation will be excessive, and it is expedient that such excessive taxation should be avoided, and the said sum should be raised on the credit of the Corporation, and that debentures should be issued for that amount.

And, Whereas, for the payment of interest on the debentures proposed to be issued under this By-law, and for creating a sinking fund for the payment of the said debentures when due, it will be necessary to raise by special rates, in addition to all other rates, each year during the currency of the said debentures, the sum of One Thousand and Seventy-seven and 30/100 (\$1,177.30) Dollars.

And, Whereas, in order to raise the said yearly sum of One Thousand and Seventy-seven and 30/100 (\$1,177.30) Dollars an equal special rate on the dollar will be required to be levied on the whole rateable property of the City of New Westminster;

And, Whereas, the whole rateable property of the said City, according to the last revised assessment roll thereof, is Five Millions, Three Hundred and Ninety-One Thousand, Four Hundred and Forty-Five (\$5,391,445.00) Dollars.

And, Whereas, the total amount of the existing debenture debt of the said City is One Million, Two Hundred and Ninety Thousand One Hundred (\$1,219,000.00) Dollars irrespective of the sum of Three Hundred and Seventy-Eight Thousand (\$378,000.00) Dollars proposed to be raised under the "Hospital Debenture By-law, 1909," the "Waterworks Debenture By-law, 1909," the "Street Improvement Debenture By-law, 1909," and the "City Gas Debenture By-law, 1909," of which none of the principal or interest is in arrears.

Now Therefore the Municipal Council of the Corporation of the City of New Westminster enacts as follows:

1. It shall be lawful for the Mayor of the said City to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same on the credit of the debentures, hereinafter mentioned, any sum or sums of money, not exceeding in the whole the sum of Twenty Thousand (\$20,000.00) Dollars and to cause the same to be paid into the Treasury of the said City for the purposes mentioned herein.

2. It shall be lawful for the Mayor to cause any number of debentures to be made, not exceeding in the whole the sum of Twenty Thousand (\$20,000.00) Dollars for such sums of money as may be required, not less than \$100.00 each, or an equivalent expressed in pounds sterling of the United Kingdom of Great Britain and Ireland, at a value of 4.866 to the pound sterling; and all such debentures shall be sealed with the Seal of the Corporation signed by the Mayor and countersigned by the Treasurer thereof, or by such other person or persons as may be thereunto lawfully authorized.

3. The said debentures shall be payable on the first day of July 1959, at such place or places as the Council of the said Corporation may from time to time appoint, with the approval of the holders thereof, and shall have attached to them coupons for the payment of interest at the rate of five per centum per annum on the amount thereof, which interest shall be payable half yearly on the first of January and the first day of July, in each and every year, and the said coupons shall be signed by the said Mayor.

4. A special rate on the dollar shall be levied and raised in each year, in addition to all other rates, on all rateable property of the City, sufficient to pay the interest on the debentures, and to create a sinking fund for the payment of the principal thereof when due, subject to any Act or enactment respecting the same.

5. Subject as aforesaid, there shall be raised annually by special rates as aforesaid, during the currency of the said debentures, the sum of One Thousand and Seventy-seven and 30/100 (\$1,177.30) Dollars for the payment of interest thereon, and the sum of One Hundred and Seventy-seven and 30/100 (\$1,177.30) Dollars to provide for the repayment of the principal.

6. The proceeds of the sale of the said debentures shall be applied as follows, and not otherwise: Towards paying the cost of the passing of this By-law and the issue and sale of the debentures therein referred to.

7. This By-law shall take effect on the 25th day of August 1909, and may be cited as the "Incinerator Debenture By-law, 1909."

8. This By-law before the final passing thereof, shall receive the assent of the electors of the said City in the manner required by law.

9. Received the assent of the electors on the day of 1909.

Reconsidered and finally passed in open Council the day of 1909.

NO OUTSIDERS FOR SALMON BELLIES

Officials of Local Club Deny Allegations of Vancouver Daily Papers.

The sporting editors of the Vancouver Province and World are worried at what they take to be a deep laid plot on the part of the New Westminster Lacrosse Club to entice three of the best players—Lalonde, Gibbons and Allen, away from the fold of the Terminal City club. Entertaining stories to this effect appeared yesterday simultaneously in the columns of both Vancouver dailies, and the source of inspiration of those yarns is now affording speculation to local sports.

Inspired in Vancouver. Whatever inspiration there was, came from Vancouver, for the local club has taken no action which could possibly have given rise to the stories.

The Province, which according to its want, published a circumstantial and detailed yarn, stated that Fred. Lynch and Wells Gray had arranged for a meeting with the three players in question to take place at the Rainier hotel. Inquiry of the two officials of the local club elicited the information that Mr. Lynch was indeed in Vancouver on the day in question, but that Wells Gray was not even in the city. As for the secret conclave at the Rainier—the only explanation of that is that the sporting editor of the Province had overcharged his pipe.

"I was in the city on private business," said Mr. Lynch yesterday, "and I neither saw nor attempted to see any of the players in question. So far as I know the club is making no attempt to secure their services."

Players Wanted to Come. Enquiry from other officials of the club elicited the information that at least two of the players in question had approached the Salmon Bellies offering to transfer themselves and their sticks to New Westminster, if work was found for them here, giving as their reason for wishing to make the change the fact that they would rather play with the red than the green shirts.

That appears to be about all the basis there is to the stories of the Vancouver papers, and that's what caused the sporting editor of the World to throw off a few virtuous sentiments concerning "robbing a rival team," and so forth.

Those who know the policy of the local club would not need to be told that there was no basis in fact to the Vancouver story. The New Westminster Lacrosse club has always tried to do something more than turn out a winning team; they have looked upon it as their duty to encourage the game in this city, and nothing would kill lacrosse in New Westminster so surely and so quickly as the importation of outside players.
