hen the subject of oranges was discussed, it was remarked by hairman, J. J. Cambridge, that in the scramble for these luscious would be discontinued, as the anger had complained that the had damaged some of the flower In future, oranges will be d out in a decorous manner.

motion by J. H. Watson, it was ed that next year's celebration take place on the first Friday which happens to be May 1. decision met with the approval of all the members present. After the other business of the meeting had been carried out, votes of thanks were in order. Reversing all rules of procedure, the press received the first vote, after which the members of the collecting committee, the city council for the use of the park, buildings and the free use of the light, Messrs. F. J. Hart, D. J. Stewart and J. P. Hampton Bole, for the use of their automobiles, J. H. Todd and Mr. MacDonald for use of conveyances for children, and several others, received the thanks of the committee, the names of the favored parties being duly inscribed on the secretary's record of the evening's proceedings.

The financial statement submitted was as follows:

Expenses.

H. Ryall, acid and wax	$ 5.75

PORT MOODY MEN ENDORSE SCHEME

TWO BUSINESS MEN OFFER $1000 TOWARDS COST OF STARTING SERVICE—MEETING PROPOSED

The residents of Port Moody are actively interested in the proposal, detailed in the News a few days ago, of running an automobile a few times a day from New Westminster to Port Moody, and several of the prominent residents have canvassed the town with a view to see what support such a service would receive. J. Freeman, of the Tourist hotel, and P. D. Rowe, a well known millman, have promised to contribute $1000 between them towards defraying the first cost of the automobile, or they will buy that amount of stock in any company which may be floated to start the service. The Port Moody people have decided to petition the government with a view to securing the better grading of the Port Moody hill, and there is every prospect of their demand being favorably considered.

Within the next few days, a meeting of business men interested in the proposition will be held in this city, when a delegation from Port Moody will attend and talk the matter over. The cost of the automobile would be about $3500, and an extra sum of about $500 would be required for garage charges and other incidentals before service could be started. The proposed scheme is sure to meet with the approval of the large majority of New Westminster's business men, and the meeting next week is sure to be well attended.

ENJOYABLE RECITAL.

Splendid Rendering of Vocal and Instrumental Selections by Pupils.

The piano and vocal recital given by the pupils of the Misses Sara Dallas and Ella Walker, in the St. Patrick hall last night, was rendered to a packed house. Had the musical artists responded to the many calls for a re-appearance which followed every rendition, it is probable that the entertainment would have continued until long after midnight, but greatly to the disappointment of the many lovers of music who were present, the artists steadfastly refused to favor them with any more than what the program called for.

The lady teachers are certainly artists of the first degree, and their pupils may well rank amongst foremost musicians. Among those who favored last night might be mentioned the following: Miss Millichamp, vocal solo, "Che Faro," for which she was not only the recipient of long and repeated applause, but in addition, a large bouquet of beautiful roses. Miss Kate Laidlaw's rendering of two piano selections, one from Schuman, and the other from Godard, were also enthusiastically received. Mrs. J. H. Diamond sang "With Verdure Clad," composition by Hayden, with superb effect, and was loudly encored. Miss Lulu Weber, and Miss Grace Lang, both of Vancouver, were repeatedly requested to appear again. Little Miss Vivian Dana who, though only about thirteen years old, gives great promise, rendered three selections on the pianoforte which received well merited applause.

"The Lord is Risen" sung by Miss C. McNiven, needs no comment, as the prolonged plaudits of the audience testified their apreciation of the efforts. Mrs. C. Watson sang three selections (composition by Woodforde-Finden) the music of which was decidedly Oriental. A large and fragrant floral offering testified the appreciation of her admirers.

Considerable applause greeted the appearance of Miss L. E. Hughes, whose vocal talent is widely known in this city. Loud and prolonged applause broke from the audience as the last notes of her song "Bel Raggio" died away, and as she returned in answer to the repeated calls to make a negative boy, a large basketful of superb roses awaited her.

Great credit is due Miss Jeannette Peele who accompanied the vocalists throughout the entertainment with excellent taste and expression.

ANOTHER SAWMILL WILL OPERATE SOON

BOILER ARRIVED YESTERDAY AND BUZZ OF SAWS WILL BE HEARD SHORTLY.

Another big saw mill will be added to the list of those already operated on the banks of the Fraser in the vicinity of New Westminster in a few days. The new mill is the property of the DeVoy Henderson Lumber company, and will be one of the largest running in or around the city. For some time the opening of the plant has been delayed by the difficulty experienced in obtaining the necessary huge boilers, but these were sent over to this city by the Fairbanks company of Vancouver yesterday afternoon and when they are installed all will be in readiness for the mill to start work.

The mill will be situated on the east bank of the Fraser, about five miles from this city, on the Hunt road. It is likely that wharves and other facilities will be built, and everything done to assist in the handling of many thousands of feet of lumber.

Arrangements have been made with the owners of timber limits and others who control the big booms for a plentiful supply of timber, and several big consignments from up the river and around on the coast are expected as soon as the mill starts work. The machinery in the plant is all of the latest pattern, and is the best that could be obtained anywhere.

It is by no means the intention of the company to confine their operations to turning out lumber, and machinery for shingle cutting and for other branches of the work has been installed, and the output is expected to be very large. The new industry should be in full swing by the end of next week.

Vermin Causes Strike.

Snohomish, May 15.—There is a strike on at the McAllister shingle mill, one of the strangest strikes reported in the entire history of industrial misunderstandings. The mill is idle, so are the hands, and yet the cause is such a small matter it seems hardly worth mentioning.

It seems that about a month ago the owners of the mill built a substantial bunk house intending it for the exclusive use of mill employes, but some unclean individual seeking employment at the mill, brought with him certain vermin that took a fancy to the bunk house and refused to leave when their erstwhile companion passed on.

The shingle weavers took a strenuous dislike to the new inhabitants, and this morning put it squarely up to the boss to burn the bunk house, bedding and all, or they would quit. He demurred at this, pointed out the shining lumber as evidence of the newness of the structure, protested that a new house might as easily become infested, and offered to burn every article of bedding in the house. The men stood out for a bon fire which would include the building, but the boss said no.

The boys walked away, the wheels of industry turn not, and the music of the shingle saw is heard no more in that portion of the Marshland country.

Sanitorium Site.

Nanaimo, B. C., May 15.—W. B. Gerrard and Vancouver capitalists will form a joint stock company and build a handsome sanatorium on a point known as "Sharpes," thirty miles north of Clayoquot. Sulphur and sodium hot springs have been discovered by Gerrard.

The water from these springs has been found to contain a high percentage of sodium, sulphur lithium and other mineral salts. The springs have a temperature of 125 degrees and there is sufficient to fill a four-inch pipe. The Indians on the west coast have used these waters for healing purposes for many years with remarkable success. The spot where the springs are located is an ideal one for a sanatorium. It is enclosed on three sides by rugged snowcapped mountains with a gateway to the Pacific ocean on the west side. Oriental liners can be plainly seen for miles coming and going.

HOSPITAL BOARD DISCUSSES PLANS

Special Meeting on Wednesday Will Finally Adopt Architect's Sait's Plans for New Building---Separate Home for Nurses---Institution Overcrowded at Present.

The plans for the new hospital building were submitted by Architect Sait to the board of directors of the Royal Columbian hospital yesterday afternoon, when some minor changes were decided upon. In order to thoroughly understand the various details in connection with the building of the new institution, a special meeting will be held on Wednesday next, when the plans will be finally passed.

Among the changes proposed and decided upon since the last meeting of the board was the building of a nurse's home, apart from the main building, where the staff may have more liberty than is possible in their present quarters. This cottage will have accommodation for twenty nurses, this being more than sufficient to house a staff much larger than the present, there being only twelve nurses on duty at the busiest periods of the year.

A maternity home will also be built, with accommodation for 30 patients, while there will also be an isolation ward, close by the maternity home, these two departments being so situated in order to facilitate the nurses' work. There will be room for six cots in the isolation hospital.

In the children's ward, which will be in the main building, there will be twelve cots, while in the other wards, private, semi-private and public, 100 patients will be able to find accommodation.

The plans, as submitted to the board yesterday, gave general satisfaction, and only minor changes will be recommended. Before making the plans, Architect Sait consulted with the medical men of the city, the lady superintendent at the hospital, and the building committee of the board of directors. This committee is composed of James Cunningham, H. T. Kirk, James Johnston and W. H. Keary.

The visiting committee for the ensuing month was appointed as follows: Mrs. J. B. Kennedy, James Cunningham and W. H. Keary. Those present at the meeting yesterday were James Cunningham, in the chair, Mrs Hill, Mrs. J. B. Kennedy, James Johnston, Maxwell Sinclair and W. H Keary, secretary. The lady superintendent's report shows that there are at present 58 patients under treatment at the hospital. That there is a crying need for a larger building is evident from the fact that the present structure was only built with the intention of accommodating 45 patients.

Following is the lady superintendent's monthly report:

To the president and board of managers, Royal Columbian hospital.

I beg to submit herewith, statement of patients, Royal Columbian hospital, for the month of April, 1907:

Number of patients in hospital, April 1, 47; discharged, 56; died, 3; admitted during April, 59; remaining April 30, 47; number of patients treated during April, 106; number of hospital days, 1434; number of maternity cases treated in cottage, 12; received from paying patients $662.50; number of patients in hospital today, May 15, 54.

CTRIC BUTTON WILL IGNITE FUSE

T BLAST INTENDED TO MAKE ILL SLIDE INTO RIVER AT LLESBURY.

ensburg, May 15—Some time this workmen will touch an electric on which will ignite a fuse and le fifteen tons of giant powder d in a hillside near Thorpe, e the Chicago, Milwaukee & St. railroad is blasting for a right ay.

r several weeks laborers have burrowing in the hill, placing the of powder, and when the blast s engineers say the whole face hill will slide into the river. s probably is the largest single of powder ever exploded in Kitcounty, and it is regarded as a ct achievement. Many persons declared an intention of witnessthe blast from a safe distance, unless they are forbidden will r on an opposite hill. The blast remove more earth and rock in seconds than 100 men could do pick and shovel in six weeks.

ank MacKenzie, Ladner's druggist, shortly remove from the Delta ew Westminster, where he will a drug store.

HUNDRED CHILDREN LEFT FATHERLESS

TWO SCHOONERS, WITH CREWS OF MEN, LOST IN ATLANTIC OFF ST. PIERRE.

Halifax, N. S., May 15.—On April 3 last four schooners fully manned with French fishermen, natives of St. Pierre, left this port for their fishing grounds on the Grand Banks. Severe storms swept the Atlantic about that time, and two of the vessels returned shortly after leaving in a badly crippled condition. The other two, commanded by Capt. Girander and Capt. Lefiene, have not been heard of, and it is believed they have foundered in the storms.

In the two boats were forty men, seventeen of whom left a wife and family in St. Pierre. Over a hundred children are thus left fatherless. It is one of the worst tragedies that have occurred in St. Pierre for some years.

The local bartenders have accepted the cigar makers challenge to play ball and the match will be pulled off across the river on Saturday afternoon. The weed rollers assert that they can win by a score of 10 to 9, which the mixologists declare that the score will stand at the finish 9 to 0 in their favor.

EXECUTIVE REJECTS EASTERN PROPOSAL

TOURING LACROSSE TEAM WILL NOT PLAY HERE UNLESS MANAGER CHANGES HIS MIND.

At the meeting of the executive of the New Westminster lacrosse club yesterday afternoon, it was decided not to accede to the demands of the All-Canadian lacrosse team which will pass through here soon on its way to the Antipodes. The eastern team wanted a very unfair division, demanding the lion's share of the gate receipts, and this the local executive can not see its way clear to giving. After considerable discussion it was unanimously agreed that the tourists were asking too much, and that the best that the locals would do was to repeat their original offer. The local club is not worrying much about the outcome of their offer, as they figure out that it does not matter much to them, and the visitors can take it or leave the proposition as they see fit.

R. H. Cheyne was elected manager of the team for the coming season. The members of the committee had little hesitation in electing him to fill this important position, and are to be congratulated on securing the services of such an efficient manager, and one who knows the game so thoroughly. Mr. Cheyne states that it is his intention to put a team on the field this year that will uphold the local colors as well as it has been done in the past.

Ald. A. Wells Gray will be sent to Vancouver to look after the arrangements for the Kilmarnock cup game in Victoria on the 24th, and will probably referee the game in the Terminal city between the Maple Leafs and the Vancouver team. The club's membership tickets are now on sale, and may be purchased from any of the members.

A large number of new houses are being built in Chilliwack at the present time, sixteen new residences having been erected in one street within the past three months.

ANNUAL MEETING COMES TO A CLOSE

WOMEN'S CONVENTION CONCLUDES THREE DAYS' BUSINESS—THANKS EXTENDED.

The three days' conference of the sixteenth annual meeting of the B. C branch of the Women's Methodist Missionary society was brought to a successful close yesterday afternoon. Throughout the various sessions of the conference, the highest interest has been sustained and the hopeful and prosperous tone that permeated all the reports heard is ample evidence of the great work that is being carried on in this province.

Following the devotional exercises yesterday morning, which were led by Mrs. J. J. Ashton, of Sapperton, the principal business was the report of committees and the "Conference on Auxiliary Methods" by Mrs. Prescott, of Vancouver. The memorial committee reported as follows: "Regarding a notice of motion from the New Brunswick and Prince Edward Isiand branch, to amend Section 4, Art 5, of the constitution, it was moved and seconded, and unanimously adopted, "That we recommend the adoption of the notice of motion from the New Brunswick and Prince Edward Island branch.

Certain changes recommended by the home corresponding secretary regarding the uniform expiration of yearly subscriptions to "The Outlook" and requesting an opinion regarding ways and means by which the deficit which occurs yearly, owing to the fact that the subscription of the "Outlook" does not cover the cost of publication, was legislated on as follows: Moved and carried unanimously, "That there be a fixed time for all subscriptions to expire, that all new subscription lists be prepared and forwarded before the old subscriptions expire, and that the price of the "Outlook" be raised to cover cost of publication."

JOB JUMPERS JAILED.

One Month for Workmen Arrested at Portage for Quitting Work.

Portage la Prairie, May 15—The contract case between the Grand Trunk railway company and nine of their employes, the hearing of which has ben going on in the police court at various times during the past week, was concluded this morning when the men were sent down for a term averaging about one month each. Three of them pleaded guilty and they were fined $15 each or twenty-one days in gaol, and the other six who fought the case were fined $21 or one month in gaol. None of them had any money and they had to go to gaol.

Storms in the South.

Memphis, Tenn., May 15.—Reports received today from west Tennessee, northern Alabama and Mississippi indicate that the worst rain storm of recent years raged yesterday throughout this section, amounting in some places to a waterspout and accompanied by high winds. The latter, in eastern Mississippi and particularly in Monroe county, demolished a number of residences and laid waste practically all the crops in that vicinity.

Notice to Builders.

CRESCENT BUILDING FOR SANITARIUM

ENGLISH ARCHITECT PREPARES PLANS FOR TUBERCULOSIS HOSPITAL.

A crescent shaped building with glass front so constructed that the glass frames can be removed in the summer, the main entrance forming the centre or administration branch, and the wings the wards.

This is the accepted plan of the British Columbia Anti-Tuberculosis sanitarium, work upon the erection of which will be begun this summer.

The plan is that of an English architect, Mr. Latham, who won His Majesty's prize of $2500 for the best plans for such an institution. At each end of the crescent-shaped wings will be a sunroom, so that some part of the building will always have the sun. Behind the central office, which will also be the quarter for the staff, are the diningroom and kitchen.

The wards will accommodate forty patients at the start and additions may be made to the structure at any time without interference with the work of the doctors or nurses or the comfort of the patients.

ARMED GUARDS.

Sentries Maintain Quarantine on Smallpox Stricken Town.

Sidney, Ia., May 15.—Smallpox has broken out in numerous places in Southwestern Iowa, and quarantines are established at different towns.

At Riverton no one is permitted to enter or leave the town. Armed guards are in charge of every road leading into the place, and many traveling men are cooped up in the hotel.

Sidney is patroled by guards and travelers from the newly-infected towns are not permitted to enter.

Indians Object.

Nelson, May 15.—There is some trouble on the Indian reserve at the Head of the Lake over the Municipality of Spallumcheen taking water across the reservation. The Indians claim that they have never given their consent to such an arrangement, and compelled the men engaged in digging the ditch to stop work this week. Chief Constable Simmons went out on Tuesday and had a talk with the Indians, as a result of which they sent a wire to Indian Agent Irwin to come in and try and straighten out the tangle.

Police Items.

For riding his bicycle on the sidewalk Charley Sato was fined $1 and costs in the police court yesterday morning.

The case of William Flumerfelt, accused of wife beating was adjourned until next Friday. Mrs. Flumerfelt lays the charge, which will be fought out between prominent local lawyers tomorrow.

In future Ida James, resident of a house of ill fame, will be careful when she insults the majesty of the law as impersonated by Officer Geiser. Had she not cheeked the officer, she might not have appeared in court and been fined $25 for being an inmate of a brothel. The officer announced his intention of retaliating on any person who "sassed" him and all interested will please take warning.

George Mooney was found drunk and incapable by Officer Johnston yesterday afternoon, and was promptly put behind the bars. Today he will probably contribute the usual fine to the station clerk.

Ice Trust Fined.

Kansas City, May 15—Walter A. Powell, judge of the circuit court at Independence, Mo., near here, assessed fines aggregating $28,000 against three Kansas City ice companies which, on April 30 last, he declared to be guilty of maintaining a pool to keep up the price of ice and to restrict the manufacture of that article in violation of the state anti-trust law.

HOODLUMS HOOT AT FRISCO CARS

FIFTY THOUSAND PEOPLE TRAVEL BY TRAMWAY ROUTE—MUNICIPAL OWNERSHIP.

San Francisco, May 15.—The United railroads operated a hundred and five cars yesterday, and everything passed off quietly outside of the district south of Market street. Here hoodlums kept up a riotous demonstration all through the day, and abused many passengers and carmen. The police from all accounts lost control of the situation. Fifty thousand persons rode yesterday, and the number of cars in operation was increased today.

The general labor situation remains unchanged. The carmen are now directing their energies toward formulating a plan for municipal ownership of the street railroads, and W.D. Mahon, president of the Association of Street Railway Employees of America, expresses the belief that this will follow the present strike.

SUNDAY BALL A SIN.

Preacher Flogs Boy for Playing Ball on Sunday.

Chicago, May 15.—A dispatch to the Tribune from Athens, Ga., says: Because he whipped his 12-year-old son for playing baseball on Sunday, J. H. Arnold, a traveling revivalist, was yesterday sentenced to six months on the rock pile by Mayor Dorsey. Physicians say that the boy was lashed until his flesh was pulp and that he might not recover.

Arnold said he believed it was a deadly sin to play baseball on Sunday and that he had ordered his son not to play, but the latter disobeyed him and was even the captain of the team.

LOSS UNKNOWN.

Robbers Steal Money From Bank Safe.

Peoria, Ill., May 15—A peculiar feature in connection with the blowing up of the Yates County Bank last night is causing the officials of that institution some anxiety as to the amount of the loss.

Robbers blew the safe which contained about $25,000, in such a way that the door was knocked off its hinges. The heat contraction swelled the door in place and it has so far been impossible to open it. Experts have been sent for and until they arrive the loss cannot be determined.

Langley Items.

William Bloomfield, of Toronto, is spending a few days visiting J. G. McAdam's farm in Lower Langley.

Robert A. Braden, Jr., teacher of Glenwood school, met with a painful accident lately by which he crushed one of his fingers while moving a house.

Miss Ethel Yeomans has just recovered from a bad attack of chicken pox, which laid her up for a week. She is now going around, but still bears several scars.

Miss E. Haldi and Russel Coulter, students of the Columbian College, New Westminster, visited their homes at Fort Langley from Friday till Monday.

Miss Agnes McAdam, of Lower Langley, is visiting friends in Vancouver.

The stork paid a flying visit to the home of Mr. and Mrs. W. Yeomans, of Lower Langley, and left a baby girl behind. Mr. Yeomans now goes around with a smile on his face as he receives congratulations from his friends.

The Rev. Mr. and Mrs. Oswald have returned home from down the river, where Mr. Oswald was attending the synod at New Westminster, and Mrs. Oswald from visiting friends at Ladner.

Miss M. Wright, of Vancouver, is visiting friends at Ladner.

Rev. Mr. Oswald began his fortnightly services last night in the Langley Presbyterian church. He is giving a series of sermons on the "Pilgrim's Progress," by Bunyan.

Most of the farmers of Langley have their grain crops in, and if this spell of dry weather favors them for another few days their root crops will be in also.

Crooked Work.

New York, May 15.—The testimony given [illegible]

election of directors of the New York Life Insurance company were altered by direction of George Scrugham, manager of the policyholders' committee, was partly corroborated by other witnesses when the hearing was resumed yesterday.

THURSDAY, MAY 16, 1907.

A "SONG AND DANCE."

The attention of the Daily News has been called to a "special" from New Westminster which appeared in a Vancouver paper on Tuesday. It is conceived on the principle which Mark Twain once laid down, "The less I know about a subject," he said, "the more light I throw on it."

Having set forth that a rumor of the presence of sockeye salmon in the river induced some fishermen to get out their sockeye nets, and having related the said fact that "the results were so meagre that they (the said nets) have now been put away, and all the fishermen who are out are using spring nets again," the "special" proceeds to inform us that "at the present time the spring nets are being used exclusively, and the mesh of these is so large that any sockeye that might happen to be in the river could easily escape them. This being the case, even should the number of these fish in the river increase, few would be caught. None have been secured during the last few nights, and this is probably a result of the use of the spring salmon nets, as the men state that there are undoubtedly some sockeye in the river. A close watch is being kept, and just as soon as the sockeyes commence to appear in any quantities the smaller mesh nets will be used."

Of course we cannot say that "smaller mesh" (sockeye) nets have not been used in the river recently; nor can we affirm that no fisherman intends to use one "just as soon as the sockeyes commence to appear in any quantities," without reference to the almanac. All we can say is that any man who uses a net of less than 7-inch mesh between this date and the first of July, will render himself liable to certain very unpleasant consequences, the forfeiture of his licence and gear being, if we recollect rightly, among them.

That is our reason for noticing this "special." It is a libel both on the honesty of the fishermen and on the efficiency of the fishery officers. The prohibition of the use of small mesh nets until July 1 is a very proper one. If all the fishery regulations were as unobjectionable it would be well; and we object most decidedly to a statement that our fishermen are wilfully violating, and intend as a matter of course to disregard, that regulation.

ALL RED.

Reading the dispatch which announced Sir Wilfrid Laurier's success in enlisting both the colonial conference and the Imperial government as supporters of his scheme for a fast "all red" mail service via Canada to the Far East and Australia, and reading also the appreciative comments on that success which some Tory editors have felt compelled to make, one wonders if the said editors, remembering their hints of a few weeks ago that it would be well for Canada and the Empire if Sir Wilfrid should decide to stay at home, do not feel like crawling into some convenient knot-hole. Certainly they have made of themselves a spectacle for Gods and men.

As to the scheme itself, its advantages to Canada particularly are so obvious that comment is not needed. One remark, however, may be made. The cost of keeping up the service may run a good deal beyond the ordinary mail subsidy and yet be a good investment for all concerned. As an "empire-building" scheme the line will have value hard to overestimate—impossible to state in terms of finance.

The Daily News has received from Ottawa a draft of the new regulations affecting sockeye fishing. They contain nothing which has not already been noted in these columns. It is probable that there will be a general revision of the regulations as a result of the work of the commission; but such revision will not have the effect of adding anything to the restrictions on fishing on the Fraser as they now stand. Indeed, the chances are that there will be some modification as the draft before us is not, we are informed, altogether in line with the understanding arrived at when the deputations were at Ottawa. The difference, however, does not affect this year's fishing.

No bitterness in WINDSOR TABLE SALT. It is piquant in saltness—but delicate, giving just the right savour. Use no other.

151

ANNUAL MEETING COMES TO A CLOSE

(Continued from Page One.)

that in future years the practice be resumed."

A proposition was made to appoint a committee of two ladies to work in conjunction with two ministers and laymen of the Methodist conference, to prepare and present at the annual conference in 1908 a plan for the commemoration of the fiftieth anniversary of the founding of the Methodist church in B. C., Mrs. J. F. Betts, president of the B. C. branch, and Mrs. J. Cunningham were appointed as the lady representatives.

Resolved, that one Sunday in the year be devoted to a sermon on "Systematic and Proportionate Giving."

"Resolved, that "We interest the Young Peoples' societies and the Sunday schools, to endeavor to induce them to adopt the principals of systematic giving, and organize it as a department of their work.

"Resolved, that the branch do hereby memorialize the board of managers of the W. M. S. to take such action in connection with the general board of missions, as shall secure at the earliest possible date the erection and maintainance of an efficiently equipped boarding school at the Bella Bella mission, and give such aid by grant of funds and otherwise as shall on enquiry and investigation be found necessary."

The report of the Modes of Work committee, consisted of some very valuable suggestions regarding the successful conducting of auxiliaries.

Mrs. Prescott's conference on auxiliary methods was well received, and listened to with deep interest. The lady discoursed on this difficult subject with admirable skill, which showed her thorough knowledge of the practical side of the work undertaken by the auxiliaries. Her remarks were full of valuable suggestions, and were highly interesting and instructive.

The afternoon session was practically taken up with the election of officers, and the report of the courtesy committee. The courtesy committee reported as follows: "The committee recommend that this branch meeting extend a hearty vote of thanks. 1st. to the trustees of the Queen's Avenue church for the use of the edifice during the three days' conference; 2nd., to the ladies of the New Westminster auxiliaries for the sumptuous luncheons provided yesterday and today; 3rd., to the choir and soloists of the church for excellent music rendered; 4th., to the hostesses who have so warmly welcomed and so kindly entertained the delegates from other parts; 5th., to the press for the correct and full reports given in the local papers; 6th., to Mrs. Dr. Drew and Mrs. Dauphinee for their kind invitation to the delegates and friends of the branch of their homes, and to Mrs. Huntley, of Chefoo, China, for her excellent address.

The conference unanimously moved a vote of thanks to Miss Sherlock, recording secretary, of the conference and evangelistic teacher in the Mission home at Victoria, for her efficient and faithful services during the past four years, both as a teacher, and in her official capactiy as recording secretary. Miss Sherlock will shortly leave for her home in Toronto to enjoy a well earned twelve months' furlough to which her four years' labors in the missionary fields of B. C. have entitled her to. A vote of thanks was also tendered to Mrs. Prescott, corresponding secretary, for her efficiency in the discharge of her duties, and in recognition of her valuable services in connetcion with the society. Considerable regret was expressed by the members when it was learned that she proposed to sever her connection with the society before long, as her family will be moving to Winnipeg in the near future.

Mrs. Watson spoke the closing words. The speaker has recently returned from Passadena, California, and her remarks were a bright discription of the towns she had visited, and a general outline of the work of the missions, their ready subscriptions and the warm manner in which they welcomed visiting delegates.

The officers elected for the ensuing year are as follows: President, Mrs J. F. Betts, Ladner; first vice president, Mrs. C. Watson, Vancouver; second vice president, Mrs. F. Adams Victoria; third vice president, Mrs. Ashdown; recording secretary, Mrs. Devereux; corresponding secretary, Mrs. Sipprell, New Westminster Mission band corresponding secretary, Mrs. Barraclough, New Westminster; treasurer, Mrs. McTaggart, Vancouver; superintendent of systematic giving, Mrs. A. J. Brace, Victoria; secretary treasurer of supply committee, Mrs. A. E. Bolton, Vancouver; auditor, Mrs. Edge Vancouver.

District Organizers—Victoria district, Mrs. F. Adams, Victoria; Vancouver district, Mrs. C. Watson, Vancouver; Westminster district, Mrs. Barraclough, New Westminster.

Hot Weather Will Come

And then the ears of dallying people will tingle with "I told you so's."

What's the use of grumbling about the cool weather—turn it to advantage by getting ready while it's still cool, for the sweltering days just around the corner!

Remember those days last month—76 to 78 degrees—in June and July we look for it to be 86 to 88 degrees in the sun; perhaps it'll come in May—we didn't say just when, but IT WILL BE HOT!

This is a Summer Goods Store

Every department is bright with displays of those things which remind of summer. Summer Dresses, Blouses, Underwear, Hosiery Gloves, Neckwear, Towels, Millinery, Etc.

Today we speak especially of the Wash Goods, of which we have abundant supplies and advise those who intend to be cool this summer to buy the makings of dresses now and be ready for the hot days when they come.

What 10c and 12 1-2c yd Will Buy

Flowered Muslins with fine stripes running through lengthwise, checked ginghams in black, navy and red; white lawn and dainty flowered lawns, in pretty colors, 25 to 28 inches wide, 10c and 12½c

What 15c yard Will Buy

Chambrays' in grays, blues, pinks, checked ginghams in black, navy, red, pink, sky blue, best English prints; a large assortment of flowered batistes in large and small patterns; white striped and crossbar muslins and dotted Anglo Swiss muslins, per yard 15c

What 25c yard Will Buy

Splendid qualities in Victoria India Lawn, fine imported ginghams and chambrays, real Swiss "dotted and spotted" muslins, mercerized checked zephyrs, flowered and striped organdies and mulls, and a few choic epatterns in cotton voile, per yard 25c

The finer lines include flowered silk tissues, flowered French voiles, embroidered voiles, flowered Parisian organdies and checked Japanese silks in black and white and blue and white; yard, 35c, 40c and 50c

CITY NEWS

Phone 138 for sweet cream, ice cream and buttermilk.

Edward Wise has returned to his old job of fireman on the local C. P. R. train.

For cut flowers, carnations and funeral designs telephone T. Davies & Son, florists, Tel. B208.

The launch Tramantania, jointly owned by R. Bradshaw and E. Goulet, was successfully launched last evening. The owners intend to take out a large party of friends on Sunday.

Anderson, the man who was badly beaten by persons unknown last week, is reported by the hospital authorities to be gradually recovering and may be expected to be out in a few days.

The creamery delivers sweet cream, ice cream and buttermilk.

Residents of First street have sent in a long petition for a sewer on their street, which they want as soon as possible. The matter will be laid before the city council next Monday night.

A meeting of the New Westminster baseball club will be held next Friday evening, immediately after practice, at Queen's park. As some important details about arranging games with other cities will be discussed, it is expected that every member will be present.

Cut flowers and Pot Plants. Ring up Tidy, the florist. 'Phone A184.

The death occurred yesterday morning of the seven-year-old daughter of W. C. Tompkins of this city. The child had only been ill a few hours and the death came as a sad shock. This afternoon at 2 o'clock the funeral will be held from the family residence to the Masonic cemetery where the remains will be interred.

On Saturday afternoon, City Treasurer McQuarrie will dispose of 150 lots belonging to the city. Mr. McQuarrie reports a large number of inquiries, and anticipates a brisk sale when he mounts the rostrum with the little hammer in his hand. He announces that there will be no waiting for slow bidders and that the lots will all be sold in record time.

F. C. Meyers, who has been confined to the Royal Columbian hospital for the past few days, owing to an operation which he underwent for an abscess, returned to his home yesterday. Mr. Meyers is reported to be getting on nicely, and may be expected back at his duties in the G. N. R. office before long.

Phone 138 for sweet cream, ice cream and buttermilk.

The students of the Columbia college will hold their annual picnic on Thursday, the twenty-third of this month. An enjoyable program has been arranged, a special car will be chartered to carry the picnicers from here to Vancouver, whence the party will proceed by special steamer "Belgarra" to Deep Cove, a pleasant spot situated on the North Arm, where the day will be passed in sports and other recreations. A committee consisting of the following students has been appointed from whom tickets for the trip can be purchased: Messrs. Stapleford, Kergin, Humphries and Watson.

Following the suggestions made at the last council meeting by the deputation of West End manufacturers, the aldermen have been investigating for themselves. They have come to the conclusion that Mr. Patterson's remarks on the drainage system in that portion of the city were in no ways exaggerated, and some steps will be taken to remedy matters. Owing to the low situation of the land in that vicinity, it is hardly likely that any drains will be constructed as it would be impossible to obtain enough fall, but the probabilities are that a septic tank will be built which will answer the purpose satisfactorily.

The creamery delivers sweet cream, ice cream and buttermilk.

F. J. Hart and company will next week move their Chilliwack office from corner of Westminster and Columbia avenues to the corner of Wellington street. The new offices will be located in a cement building, and will be immediately opposite the new Royal Bank of Canada building. Messrs Hart & Co. have taken a ten year lease on the building, and it is their intention to open a branch of the New Westminster Trust and Safety deposit company in Chilliwack, fifty safety boxes being fixed in a fire and burglar proof vault.

Real estate agents report considerable activity in land along the route of the V. V. and E. road, several big sales being now pending. The demand for property along the proposed route of the B. C. E. R. line to Chilliwack is growing all along, and prices are bound to increase considerable within the next few months.

True to their mutual promises His Worship the mayor, and the city aldermen, with the exception of Ald. Smith and Jardine, turned out at five o'clock yesterday morning, and meeting on the corner of Queen's avenue and Tenth street, proceeded on their tour of inspection. As a result of their matinal survey, several much needed improvements will be undertaken. Several new drains will be built, and Tenth avenue will be opened up from Twelve to Twentieth Sts. An endeavor will be made to secure the co-operation of Burnaby municipality in the opening up of Tenth avenue from Sixth to Second streets. Clinton Place will also receive the attention of the board of works.

GIRLS' BASEBALL.

Fair Athletes Will Slap the Spheroid at Queen's Park.

This afternoon at Queen's park the girls' baseball teams of the High and Public schools will meet in a friendly game. It is well known that there is great rivalry between these schools, and a big bunch of rooters from each will be on hand to cheer the fair athletes on to victory. The High school will be represented by the following: A. Corbett, catcher; G. Croll pitcher; H. Kenny, 1st. b, B. Sayers; 2nd. b.; L. Dunlop, ss.; R. Gilley, 3rd b.; E. Jones, l f; M. McNee, capt, c f; M. Elley, r f.

Homer McLean will fill the rather difficult position of umpire, and will start proceedings sharp at 4 o'clock.

INTERMEDIATE LACROSSE.

Opening Game of Season Will be Played Tonight.

The Regina and West End intermediates will start the ball rolling at the Queen's park this evening, when they meet for the initial lacrosse match of the season. The boys have been getting in some good practice so far, and will be in good shape for the game tonight. Each twelve has some excellent material, judging by their work in practice, and the game should be a fast one. It is particularly interesting to the followers of the national game in this city because it will show the respective merits of the teams, and will afford a good chance to see which will be the champions this year, as it lies between these two teams, being the only ones in the league. The line-up of the teams will be as follows:

West End—Goal, Munn; point, Marshall; cover point, B. Galbraith; first defence, Ackley; second defence, Sutherland; third defence, Henry Johnson; center, Sangster; third home, Bartlett; second home, Hal Johnson first home, Warwick; outside home, Spring; inside home, —.

East End—Goal, D. Elckhoff; point, Peele; cover point, Pearson; first defence, Mannering; second defence, Fitzgerald; third defence, Brown; center, Edward Whyte; third home, Morrison; second home, Archibald; first home, Allan; outside home, Logan; inside home, Robertson.

Ald. Grey will referee.

DRUNKEN BRAWL ENDS IN MURDER

SMELTER EMPLOYEE AT TRAIL GIVEN QUIETUS BY FRENCHMAN—MURDERER ARRESTED.

Trail, B. C., May 15.—Special to the News.—In a drunken brawl in the Douglas hotel Sunday night a Frenchman killed a man named Oscar, who has been an employee at the smelter for a number of years.

The two men had an altercation, and the Frenchman gave his opponent a fearful blow on the temple, which apparently killed him instantly. The Frenchman then dragged his opponent downstairs by the feet, and threw the body on the sidewalk. Apparently too drunk to realize the enormity of his crime, the murderer went to the smelter to work his shift.

The police were notified and took charge of the remains, and then went to the smelter and arrested the murderer.

An inquest and preliminary hearing of the case will be held today

MONEY BURNS.

$15,000 in Bank Bills Destroyed in Stage Fire.

Los Angeles, May 15.—A story has reached here of the accidental burning of a stage in Death Valley, near Ash Meadows, Sunday afternoon, in which $15,000 in bank bills and $13,000 in registered mail were consumed. The driver, Ed. Love, was compelled to unhitch the horses quickly to save them. The stage is supposed to have caught fire from a cigar which the driver was smoking. Love reached Green Water Sunday night with his four horses, and related the story. The money was consigned to the Green Water bank.

Botha Wanted no War.

Ottawa, May 15.—Sir Wilfrid Laurier, writing to a friend about General Botha says: "If the counsels of his party had prevailed there would have been no war in South Africa. When war was declared he threw himself without any glance backwards into the breach, becoming the directing force while he was also the most successful general. He was the last to lay down his arms. As a matter of fact he did not consent to sign for peace until he had secured conditions which assured his compatriots the full security of British institutions We have become great friends and in the work of the conference I have had his cordial support in all points."

Russian Reactionists at Work.

Moscow, Russia, May 15.—The congress of reactionists closed today after adopting the final report of a resolution setting forth the measures it considered necessary for public safety, which includes the dissolution of parliament, the proclamation of full martial law wherever there is revolutionary agitation, disarmament of the Jewish organizations, legal station of the bands of reactionists, confiscation of property of revolutionists and the exclusion of the Jews from military and civil service.

Mexico City, May 15.—News from the Terneras mine, where a great fire is raging corroborates the earlier dispatches to the effect that ninety men lost their lives in the disaster, the greater number being suffocated. All of the bodies have been recovered and buried. The dead were all Mexican laborers.

The firemen at No. 1 hall are again without a mascott, Duke, the big St. Bernard dog, having been sold at the Vancouver show. During the past 12 months, the fire fighters have had a monkey, a deer, a bear, a wild cat and a dog as pets, and are now on the lookout for a billy goat to replace Duke.

Hotel Guests.

SYNOPSIS OF CANADIAN HOMESTEAD REGULATIONS.

Any available Dominion Lands within the Railway Belt in British Columbia, may be homesteaded by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section of 160 acres, more or less.

Entry must be made personally at the local land office for the district in which the land is situate.

The homesteader is required to perform the conditions connected therewith under one of the following plans:

(1) At least six months' residence upon and cultivation of the land in each year for three years.

(2) If the father (or mother, if the father is deceased), of the homesteader resides upon a farm in the vicinity of the land entered for, the requirements as to residence may be satisfied by such person residing with the father or mother.

(3) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements as to residence may be satisfied by residence upon the said land.

Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa of intention to apply for patent.

Coal lands may be purchased at $10 per acre for soft coal and $20 for anthracite. Not more than 320 acres can be acquired by one individual or company. Royalty at the rate of ten cents per ton of 2,000 pounds shall be collected on the gross output.

W. W. CORY,
Deputy of the Minister of the Interior.

N. B.—Unauthorized publication of this advertisement will not be paid for.

FORESHORE LEASES.

Notice is hereby given that, 60 days after date, I intend to apply to the Hon. Chief Commissioner of Lands and Works for a lease of the foreshore right for booming and milling purposes, comprising the whole of a bay, given the name of Independent Bay, situated about two miles south of the north end of Costi Island, on the east bank of Kitimat Arm, and about two miles south from Kildala Arm.

Located April 5th, 1907.

WILLIAM MOODY, Locator.
FRANK VANDALL, Agent.

NOTICE.

LAND REGISTRY ACT.

TAKE NOTICE that application has been made to register Florence Mary Eveleigh as the owner in Fee Simple under a Tax Sale Deed from The Corporation of the District of Burnaby, to James Cunningham, bearing date the 10th day of March, A. D., 1902, of all and singular that certain parcel or tract of land and premises situate, lying and being in the District of New Westminster, in the Province of British Columbia, more particularly known and described as subdivisions 23 and 24 of subdivision "A" of lot 29, group 1.

You and each of you are hereby required to contest the claims of the tax purchaser within forty-five days from the date of the first publication of this notice, otherwise I shall register Florence Mary Eveleigh as owner thereof in fee. And I hereby direct that publication of this notice for thirty days in a daily newspaper published at New Westminster will be good and sufficient service thereof.

Dated at the Land Registry Office, New Westminster, Province of British Columbia, this 25th day of April, A. D., 1907.

C. S. KEITH,
District Registrar.

To L. A. Payne, Esq.

All persons served with this notice, and those claiming through or under them, and all persons claiming any interest in the said land by virtue of any unregistered instrument, and all persons claiming any interest in the said land by descent, whose title is not registered under the provisions of the "Land Registry Act," shall be forever estopped and debarred from setting up any claim to or in respect of the said land so sold for taxes as provided by the "Land Registry Act."

LAND REGISTRY ACT.

TAKE NOTICE that an application has been made to register Alice B. McDougall, as the owner in Fee Simple, under a Tax Sale Deed from the Mayor and Treasurer of the City of New Westminster, to Alice B. McDougall, bearing date the 15th day of January, A. D., 1906, of all and singular that certain parcel or tract of land and premises situate, lying and being in the City of New Westminster, in the province of British Columbia, more particularly known and described as: Subdivision 30 of Lots 8 and 9 Suburban Block 3.

You and each of you are required to contest the claim of the tax purchaser within forty-five days from the date of the first publication of this notice, otherwise I shall register Alice B. McDougall as owner thereof in fee. And I direct that publication of this notice for thirty days in a daily newspaper published at New Westminster will be good and sufficient service thereof.

Dated at the Land Registry Office New Westminster, Province of British Columbia this 25th day of April, A. D., 1907.

C. S. KEITH,
District Registrar.

To William Edmonds, Esq.

All persons served with this notice, and those claiming through or under them, and all persons claiming any interest in the said land by virtue of any unregistered instrument, and all persons claiming any interest in the said land by descent, whose title is not registered under the provisions of the "Land Registry Act," shall be forever estopped and debarred from setting up any claim to or in respect of the said land so sold for taxes as provided by the "Land Regtsiry Act."

NOTICE.

Take notice that thirty days after date I intend to make application to the Chief Commissioner of Lands and Works for a license to cut and carry away timber from the following deseribed lands:

GUN CLUB MEMBERS BREAK MANY PIGEONS

McLEAN MAKES BIGGEST PERCENTAGE—BIG DAY'S SPORT FOR SATURDAY.

Six enthusiastic members of the gun club found their way to Moody square last night and enjoyed themselves breaking clay pigeons. As usual the officer of the club who is supposed to carry the bunch of keys was absent and it devolved upon the members present to break into the different sheds and boxes. This was done after much trouble, and the traps limbered up. The best shooting of the evening was done by McLean, whose percentage amounted to about 78. At one time Mr. McLean broke 9 out of 10 birds, and his shooting was excellent. Mr. Eagles also showed up well, his percentage coming up to about 71 and his average being good. Mr. Lord, the secretary, shot well, figures showing a percentage of 60. Messrs. Livingstone and Gailbraith made about 52 and 51 per cent. respectively.

Considering the poor light prevailing owing to the lateness in getting started, the shooting was good, especially that of Mr. McLean. Another shoot will probably be held on Saturday afternoon, when it is expected more of the members will be present. A big day's sport is looked forward to. Precautions will be taken in future to see that some person is given charge of the keys who will turn out and not necessitate any more breaking down of doors.

Shriners Will Arrive.

Vancouver, May 15.—Vancouver is to be visited by large numbers of the Shriners, who are returning to their homes in the eastern states from the big convention at Los Angeles. It was thought that the recent railroad accident would put a stop to the excursions to the north, but it is now stated that at least 100 will arrive in Vancouver tomorrow, and another party of about 100 will arrive on Sunday. They will proceed east over the C. P. R.

Lacrosse Practice.

The senior lacrosse players held a good practice at Queen's park last evening, about twenty players being out in uniform. The men are all showing up well and prospects for a strong team this season look brighter than ever. Although quite a number of the old bunch are getting out in harness this season, the number of younger players attending the practices is noticeable, and speaks well for the future of the game in this city. The players went through all sorts of stunts until it was too dark to see the ball, and are rapidly rounding into condition. Under the watchful eyes of the veterans who ornament the fence at every practice, the youngsters are sure to develop into players worthy of following in the footsteps of the famous old team, and should certainly bring that Kilmarnock cup back from Victoria Saturday week.
