KEEN STRUGGLE FOR THE GOLD MEDALS

BOTH TEAMS WILL BE OUT TO WIN TOMORROW—FULL PROGRAM OF EVENTS AT RECREATION PARK FOR HOLIDAY.

Lacrosse fans, and they can be counted by the thousands, are promised a treat tomorrow when a feast of the national game will be dished up to them in the Terminal City. At nine-thirty, the return match between the Westminister amateurs and the V. A. C. will be played at Recreation park, after which spectators may wait and take in the series of interesting coronation exercises which are under the immediate jurisdiction of the city council of the larger city. Representatives from the various societies in Vancouver will be present in parade order, and a patriotic function will wind up the forenoon's proceedings. Time will not be permitted to hang long on the hands of the fans as after lunch, the specially arranged coronation match between the Salmon Belles and Vancouver will also be played at Recreation park. The costly gold medals, which are from a special die, are the gift of Mayor J. D. Taylor and one of the mementos which was forwarded to this city yesterday for exhibition purposes has sent the world champions into special training in the endeavor to capture these pieces of gold plate. The conditions attached to the winning of them are that two matches must be played, and the aggregation securing the most goals are to be declared the winners. As the long end of the gate receipts go to the successful twelve it is up to the champions to go in and show the crowd tomorrow and Saturday that they are out for the winning end in all the matches this season, leaving next year to take care of itself.

Westminister will send over their strongest aggregation on Thursday, and Charlie Galbraith, Hughie Gifford, Peter Latham and Buck Marshall will travel with the champs so that in case they are called upon by acting manager Fred Lynch to go on they may be ready to answer the summons. Vancouver are out for the medals and the big portion of the "purse" and as both cannot hope to win, the tussle on each occasion is certain to be a hard and stern one for supremacy.

GOVERNOR PREVENTS BOUT TAKING PLACE

Information was received from Tulsa, Oklahoma at a late hour last evening that owing to the threatened interference of Governor Crues, of that state, the much boomed boxing bout between Jim Flynn, the Pueblo fireman, who rose to and himself famous after his victory over Al Kaufman, and Carl Morris, who likewise blossomed into a newspaper champion by his defeat of a has-been, has been postponed from July 4 (Independence Day) and will be contested at some future date, and in some other state.

Had the bout been pulled off in the ordinary way, nothing would have been said about it, but the attention of all America was called to it and a special arena was being constructed in Carl's home town and has had the effect, not to be greatly wondered at, of the bout being called off, possibly for all time.

GOOD PROGRESS IS MADE WITH TRANSCONTINENTAL

Ottawa, June 20.—The Transcontinental Railway commission is receiving gratifying reports of progress in construction of its line. From Wolfe Creek, a considerable distance west of Edmonton, to Graham or Lake Superior Junction, the line is now in full operation.

It has constructed also 52 miles east of Graham towards Cochrane while from the latter point it is built westerly 126 miles.

There is a gap of 200 miles to be built when through connection will be made between Edmonton and Cochrane and thence over the T. & N. O. railway down to Toronto, where temporarily, at least, connection will be made with the old main line of the Grand Trunk.

Operation from Edmonton to Toronto is expected by next fall. On the eastern section good progress also is being made. Rails are down practically all the way from Moncton to Weymontache, a distance of 700 miles. Theline from west of La Tuque to Quebec will, as stated previously, be operated this fall, and that from Lewis to Moncton next year.

RECEPTION FOR LAURIER.

Quebec, June 21.—The Liberals are preparing a monster demonstration to Sir Wilfrid Laurier, who is expected at this port on July 7. All the Liberal clubs will gather to make the premier the most magnificent reception ever arranged in Canada for a statesman. It is felt that as Sir Wilfrid sits for Quebec East the occasion is especially appropriate here.

SPECIAL SERVICE AT HOLY TRINITY CATHEDRAL

Form of Service Approved by Episcopate Will Be Used—Patriotic Sermon on Sunday.

Tomorrow morning a special coronation service will be held at nine o'clock in Holy Trinity cathedral, Canon d'Easum officiating. It had been suggested that this church, in company with other denominations, might open the service by singing the National Anthem, but in conversation with the canon yesterday evening, the Daily News representative learned that this would not fit in with the order for morning prayer, although it would be sung during the closing portion of the solemn function.

"In opening our service," said Canon d'Easum, "we always endeavor to strike the patriotic note first. Our special service on Coronation Day, which was approved by the House of Bishops headed by the Archbishop of Canterbury and later approved by the episcopate of the Church of England in Canada, only came to hand on Tuesday, so that we have hardly had the time necessary to get fully conversant with the complete program. Whilst we would be only too pleased to see as many present as possible a service of this nature does not appeal to members of other denominations. On Sunday evening I intend preaching a patriotic sermon."

The Rev. C. W. Brown, of Queens avenue Methodist church, when asked if he had intended that his service should open with the National Anthem, said he had taken time by the forelock as that grand old score, as he termed it, had been rendered last Sunday. "Of course we will certainly fill room for this on Sunday, but at what part of the service, I cannot say at the moment."

REHEARSAL IS MADE IN VENERABLE ABBEY

PUBLIC IN LONDON HAS FREE SHOW—SHAKESPEAREAN BALL LAST EVENING—THOUSANDS OF TROOPS ARRIVE.

London, June 21.—The most regal banquet at Buckingham Palace that ever emperor or king witnessed, and the gorgeous Shakespearean ball under the auspices of the noted society leaders were the shining features of the second day in coronation week. Many royal personages assembled at the banquet, which was remarkable for magnificence and costly decorations. All the leaders in civic, military, naval, judicial and ecclesiastical circles were invited.

On the tables in the banquet hall was displayed the royal gold plate used only on historic occasions, and the cost of which is estimated at \$15,000,000, and weighs eight tons.

London, June 20.—Sixty-five thousand troops entered London today and pitched tents in the various parks, ready to take part in the coronation pageant. With them thousands of persons from all parts of the Empire and foreign countries have arrived, and today the streets are so crowded that traffic is seriously impeded.

Enormous crowds gathered early in the vicinity of Westminster Abbey, for the rehearsal where the peers and peeresses furnished a free show, many arriving wearing their robes and carrying their coronets uncovered while there were great throngs near Buckingham palace to watch the coming or going of the uniformed envoys attending their majesties' reception.

There was nothing else to be seen in the vicinity of the palace, which is bare of decorations, but thousands stood throughout the day peering through the railings, and satisfied to watch the sentry during the intervals between functions when the court was resting.

In the area set aside for the coronation parade, residences and hotels are stocking up heavily with provisions. All streets in this district will be closed to traffic on Thursday, and the hotels are preparing to feed the hosts of guests they have housed.

Aside from these events, there are a large number of lesser features constantly occurring, incident to the continuous arrival of distinguished foreigners and the innumerable semi-official dinners, garden parties, receptions, exhibitions and private events, which have sprung up in connection with the coronation festivities.

The executive of the newly formed branch of the Overseas club are not permitting the grass to grow under their feet. One of the objects of this organization is to foster a social feeling between the members, and with this object ever in front of them the council have sent out invitations for a special meeting and entertainment for Friday evening in the banquet hall of the I. O. O. F. headquarters, on Eighth street at eight o'clock. The membership of the Overseas club is growing by leaps and bounds.

CORONATION DAY PROGRAM.

Coronation service, Vancouver, at 11:30 a.m., Recreation park. Provincial celebration at Victoria. Special service at Holy Trinity cathedral. Made-in-Canada fair, Vancouver. High school picnic, Capilano Canyon. Lacrosse. V. A. C. vs. Westminister sealer amateurs, Recreation park at 9:30 a.m. Vancouver vs. Westminister, Recreation park, at 3 p.m. Other Sports. Civilian Rifle association, Brownsville range. Gun club shoot, Moody park, at 6 p.m. Ladner races. Horse events begin at one o'clock.

NO SETTLEMENT YET OF SEAMEN'S STRIKE

SITUATION STILL WORRYING SHIPPING OFFICIALS—LITTLE PROSPECT OF COMPROMISE IN INDEPENDENT CIRCLES.

London, June 21.—The seaman's strike here shows that there is little chance of settlement. Dispatches from Liverpool, state that the Dominion and American companies have made the same concessions demanded by the men from the Cunard company. As some of competing lines are outside the combine of the shipping federation, there can be no compromise looked for in that direction for the present. The agents of the White Star and America lines have been instructed to send all cargoes to other points for collection.

Coronation Bonfires.

In connection with the British Columbia's celebration on Thursday of his majesty's coronation, it is essentially important that all interested should take particular notice of the fact that any person or persons who may desire to emphasize their jubilant loyalty by setting out bonfires near any timbered district must first obtain a permit in that behalf from the district fire warden in charge. While fully sympathizing with and commending the spirit of loyalty of which these coronation bonfires are designed to be the symbol and the evidence, the provincial minister of lands, Hon. W. R. Ross, does not propose that the safety of the forests or of improvements in property shall be jeopardized by the careless lighting of fires under the excuse of celebrating the coronation. It is in consequence officially announced that permits for such fires will be strictly insisted upon wherever they may be lighted near any timbered district, and any person making a bonfire and violating the conditions under which the permit therefor is granted will be held liable for any loss or damage which may be caused by the fire and for the expense of extinguishing the same.

The Plass Frauds.

Boston, June 20.—A roll of \$5000 bills was thrown down in front of the counsel for Rev. Norman Plass, former president, and Charles H. Brooks, general manager of the Redeemable Investment Company, in the United States district court today when fines of \$2500 were imposed upon the two officers who pleaded guilty last week to using the mails in a scheme to defraud. After the money had been turned over to the clerk the two defendants walked out of court. John I. Traphagen, assistant treasurer, will be sentenced next week. Mr. Plass at one time was president of Washburn College, Topeka Kan., and was engaged in selling investment stock in Providence before he came to this city.

Thief Must Finish Task.

Vancouver, Wash., June 20.—Some one stole a hammock from the porch of the Rev. C. R. G. Poole, of the First Baptist church, last night. The minister has advertised for the person, taking the hammock to call and get the two strews to swing the hammock. The hammock was made by John Poole, a pupil at the state school for the blind, and it was prized highly by Mr. Poole on that account.

ONE KILLED, TEN HURT, IN STREET CAR PANIC

Buffalo, N. Y., June 20.—One man was killed and ten were injured in a panic on a street car, near Tonawanda, tonight. The injured included A. L. Reeves, auditor of the Missouri state insurance department, and John E. Swangler, former secretary of state of Missouri.

Bar English in Schools.

Havana, June 20.—The house of representatives today passed by a large majority the bill abolishing the instruction of English in the public schools and refused to authorize the payment of the salary of Miss Abbie Phillips, who for many years has been supervisor of English instruction in Havana. The measure was advocated on the grounds of economy, but was severely reprobated by the minority as an expression of ingratitude towards the United States.

DECORATION OF CITY IS ON MODEST SCALE

Owing to Conflicting Celebrations Elsewhere City Will Be Quiet Tomorrow.

The decoration of the Royal City for the coronation was begun yesterday at noon, and many business firms followed the example of the post office and court house authorities, who were among the first to display the familiar bunting. Owing to the absolute want of any official ceremonies in Westminister tomorrow, the spirit of true patriotic feeling will not be openly shown as would otherwise have been the case. The celebrations on a magnificent scale which are promised by the provincial authorities at the capital, as well as the ceremonies at Recreation park, Vancouver, will be the means which will rob this city of many thousands, and as there is nothing to keep the people in town, Westminister will bear a deserted appearance.

Acting Mayor Johnston had a number of men at work on his office window yesterday evening, and this is one of the prettiest spectacles in the city. Some of the general stores, more especially in the east end of the city were set out with the British and Canadian flags and portraits of their majesties, T. H. Smith's decorative scheme deserves special praise, showing good judgment and taste.

The platform at Queens park, where the local exercises in connection with the great event will be held this afternoon under the presidency of Chairman T. J. Trapp will be a brilliant scene, the Union Jack and Marjorie Leaf banners having entwined with other bunting.

The school children who will assemble there after the luncheon recess will join in singing the specially written Coronation hymn, after which His Honor Judge Howay will deliver a patriotic address. His honor, who is well known as one deeply versed in subjects which concern occasions of this nature may be expected to excel himself this afternoon when speaking to the children.

FINAL PHASE OF GREAT CONFERENCE

IMPERIAL GATHERING ENDS IN COMPLIMENTS—PREMIERS RECOGNIZE CONFIDENCE SHOWN BY HOME GOVERNMENT.

London, June 21.—The next imperial conference will not be held at Ottawa. At a final session yesterday afternoon Andrew Fisher, prime minister of Australia, introduced a resolution, which was seconded by Sir Wilfrid Laurier, that the conference should be held in one of the dominions.

Premier Asquith said he should be pleased if the conference could be held somewhere else than in London, but he feared that the usefulness of the gathering would be impaired if it was held elsewhere.

An amendment was suggested that the United Kingdom should consider the possibility of a meeting to be held overseas, and the amendment was accepted.

The conference wound up with a series of complimentary speeches. Sir Wilfrid, as the oldest member of the conference, declared that it was the first time the home government had taken the overseas dominions into its confidence completely as concerned questions of defence and foreign affairs. The dominions were thoroughly satisfied, he said.

He believed that the fact that the overseas representatives had the foresight to endorse the move would not be forgotten.

MONSTER LINER NEARS NEW YORK HARBOR

New York, June 21.—The new White Star liner Olympic, the largest steamship afloat, passed Fire Island on her maiden voyage, at 12:17 Wednesday morning. This point is seventy-five miles from this city, and although the huge liner is said not to be attempting any record breaking voyage, she is due to pass into the harbor at two o'clock, several hours ahead of her scheduled time.

RACING AT MINORU PARK.

Second Day, Tuesday, June 20. First race, four and a half furlongs—1, Maxona (109); 2, Ah Moon (112); 3, Florence Roberts (115). Time 1:55. Second race, five furlongs—1, Meddling Hanna (107); 2, Gelico (114); 3, Abella (103). Time 1:02. Third race, six furlongs—1, Zink and (114); 2, Lord Clinton (114); 3, Yellowfoot (116). Time 1:16. Fourth race, seven furlongs—1, Roy Juner (116); 2, Salall (104); 3, Gen Marchmont (116). Time 1:28 2/5. Fifth race, one mile—1, Eddie Graney (110); 2, Virgie Casse (108); 3, Miss Picnic (100). Time 1:42 1/5. Sixth race, one and one sixteenth miles—1, Sir Angus (115); 2, My Bonquet (113); 3, Jim Cafferata (111). Time 1:47.

ATTITUDE OF BOARD TO CAFE LICENSES

COMMISSIONERS IN REFUSING ROYAL CAFE APPLICATION MAKE POLICY CLEAR AS TO HOTEL DINING ROOMS.

The application for a restaurant license by the proprietors of the Royal cafe which came before the license commissioners yesterday in the mayor's private room was the means whereby the intentions of the board in reference to the sale of drinks in this city were to a large extent made public.

The commissioners present were Mayor Lee, Alderman John Campbell and Commissioner David Gilchrist. After the routine business had been disposed of, J. P. Hamptott Bole applied on behalf of Messrs. Seabold & Jones, proprietors of the Royal cafe, Columbia street, for a license in conjunction with that business.

Mr. Bole applied under section 175, sub-section 5 of the Statute of the Dominion, which he said gave the commissioners power to grant such a license. In advocating for his clients, Mr. Bole said that Vancouver, Victoria, and other cities on the coast had all the facilities for supplying drinks in cafes and restaurants. Since his clients had applied twelve months ago, this city had rapidly grown and the time had arrived when visitors here asked for drinks with their meals. Messrs. Seabold & Jones were prepared to agree to any suggestion which the commissioners might put on the premises in the event of the license being granted. His clients were men who had made good in the city and their characters were above reproach. The solicitor asked that a provisional license be granted and the board had it in its power at any time to cancel this if things were not carried on in a manner satisfactory to the commissioners.

Mayor Lee, replying to the application, said that the city council had not yet introduced a by-law which would give the commissioners power to grant such a license as was that day being applied for. The latest rulings by the court at Burnaby had made that very clear. What could be done would be that the commissioners might suggest to the city council the advisability of introducing a by-law which would give them the necessary power to give a license to a restaurant.

Mayor's Comment. "That process," said the mayor, "I am personally against. I am strongly against the granting of any more licenses in this city. I am not well pleased with the manner in which the hotels of this city are running the restaurants and dining rooms in connection with their business. With a few exceptions, these dining rooms are managed apart from hotel management, and are usually conducted by foreigners who are in this business simply for the money which they can get out of it. As a commissioner he was dead against the principles in vogue at present, and if he had his own way he would like to see the whole of the licenses done away with. If the other members of the board were in favor of the idea they could petition the city council to bring in a by-law which would alter the present state of things and so make it comparatively easy for a license such as the Royal cafe desired, but this would never have his sanction."

Labor Member's View. Alderman Campbell upheld the mayor in his general contentions. He was also against having licensed premises in connection with hotels and dining rooms. He did not wish to appear antagonistic to the Chinese, or members of other nations which ran these premises, but he wanted British Columbia to be a white man's country. He did not think the license under review should be granted for many reasons. It would mean the reopening of the whole licensing question in Westminister. Although he was not afraid to tackle the matter should it be reopened, he believed in letting well alone. There was one reason which he in common with other residents of the city, patronized the Royal cafe, and that was because he could take his wife there as she drank was sold.

Mr. Gilchrist was of the opinion that the proprietors were going along all right, and were making money and conducting their place in the best manner without a license, and he did not see that it was necessary to give to this restaurant any special privileges.

Negative Motion. Alderman Campbell moved and Mr. Gilchrist seconded a motion. "That as the city council had not passed a by-law regulating the granting of licenses to restaurants, it was not within the power of the commissioners to grant to the Royal cafe a license such as they desired, and until the present by-law is amended no such license could be granted. The commissioners would not wish to propose to the city council any alteration in the present rulings." The motion was adopted.

Mr. Bole claimed that it was hardly fair that his clients had been turned down, and yet there were a number of other restaurants in the city which were permitted to supply liquors to

(Continued on page four)

Wants

WANTED—LADY BOOKKEEPER and stenographer, experienced. Apply in person, Galloway & Lewis, the furniture store, 401 Columbia street.

WANTED—TO LOAN ON JULY 1 \$1500 dollars; must be good security. House within city limits preferred. Apply W. P. O. Box 32.

TOOK BRIDE BEYOND TERRITORIAL LIMIT

Norwegian Skipper Evades Legal Restrictions by Taking Lady From Home.

London, June 20.—Captain and Mrs. Schraeder, of the Norwegian steamer Rum, are now on the wide Atlantic after outwitting the British authorities. It has been arranged that Freda Sorensen, as the skipper's bride has been known till now, should cross from Norway to Whitehaven in Cumberland to meet the bridegroom when his vessel arrived in port. But she missed her train en route, and that made it bad for the scheme of things.

For English law directs that both parties shall reside for three weeks in a place before marriage by a clergyman, unless by special license from the bishop. The captain had neither the time to wait, nor the special license, but he had resource left to him.

Down to the dock he hid and chartered a special tug. Then he hurried his bride, a parson, a magistrate and the chairman of the harbor commissioners aboard the tug and sent them out to sea, while he followed on the Rum.

As soon as they were beyond the three-mile limit the marriage muster was called on deck, the knot was tied, and the master of the Rum was under new sailing orders. They had to return to port for a few hours, and the news having been noised abroad the couple were met at the quay by a big crowd and loudly cheered.

WORRIES AT END; INVENTOR WILL TRAVEL

New York, June 20.—James B. Hammond, a millionaire inventor, hopes to escape business cares for the remainder of his life by sailing from here July 1 on a cruise that is planned to last twenty-eight years, or until he is 100 years old. Despite his seventy-two years, Mr. Hammond visits the shipyards daily and is personally in charge of the preparations for the trip, which is to be made in a new yacht, the Lounger II, which he designed himself and intends to present after his death to the Smithsonian Institute as a model of marine architecture.

SERPENT'S SKELETON FOUND OFF COAST

Victoria, June 20.—Arrangements are expected to be made soon to bring to Victoria from Catala island at the entrance of Esperanza inlet, Vancouver island, the skeleton of a "sea serpent" which was recently washed ashore there. Capt. J. T. Walbran of the marine department has received a tooth taken from the strange deep-sea denizen swept ashore and discovered by officers of the steamer Leebro. The tooth, about an inch and a half in length is like a miniature saw, and was hinged in the jaw, the teeth assembly being crossed like a pair of scissors when biting. The carcass is decomposing. It is sixteen feet long and twelve inches in diameter, covered with a rough skin, and the eyes, still in the sockets when the tooth brought to Victoria was taken from the head, are as large as apples. The top of the head is covered with coarse hair.

DANGER OF MAN BEING TOOTHLESS

Toronto, June 20.—That a comparison and study of teeth of man and monkey showed that the latter animal was of far more recent origin than man, was one of the statements of Dr. Hordelich, anthropologist of the Smithsonian Institute of the United States National Museum at Washington, who addressed the Ontario Dental association last night. He described the evolution of the human tooth as man became civilized. The result of a changed diet and the eating of grain was smaller canine teeth and then smaller molars. Following this came the development of man's chin, with the receding of the dental arch.

The speaker said that human teeth will grow smaller and may disappear. He also made the strange statement that one sign of civilization was the elimination or partial elimination of the wisdom teeth.

FEAR OF SMALLPOX HAS CURIOUS RESULTS

Montreal, June 20.—The corridor of the Medical Health department of the city hall, was crowded this morning by a miscellaneous gathering of men needing certificates of vaccination before they could secure employment; women with babes in arms going to be vaccinated, factory girls and others. At one time all girls of an entire tobacco factory were present, and Dr. Laberge had to work very rapidly to dispose of the crowds, so as to admit the others continually coming. The notice of the department, that any factory that did not enforce the law requiring vaccination of all their employees would in the event of a case of smallpox being discovered, be visited with the strictest quarantine measures is responsible for vaccination.

The quarantine on the Hotel D'eu where smallpox was discovered this week will last for fourteen days. Everything is reported to be going on well within the walls, and at the end of two weeks if no other cases are reported, the hospital will be relieved of the restrictions under which it is now laboring.

OCEAN LINERS MUST BE EQUIPPED WITH WIRELESS

Operators Must Have Certificates Issued in States by Foreign Power.

Washington, June 20.—After the first of next month, ocean-going vessels, carrying more than fifty passengers, will be liable to a fine of \$5000 unless they are equipped with a wireless telegraph capable of transmitting messages to a distance of not less than 100 miles, and manned by an operator carrying a certificate issued by this or a foreign government. Regulations governing wireless equipment, under an act of congress passed June 24, 1910, to become effective July 1, 1911 were issued by the commissioner of navigation today. Three inspectors in charge of the Atlantic, middle Atlantic and Pacific divisions and collectors of customs, are authorized to enforce the law.

To secure certificates, wireless operators must pass examinations at one of the government navy yards or naval stations. The regulations require that sufficient current for the operation of wireless apparatus shall be furnished at all times while a vessel is underway and give notice that after January 1, 1912, ships must provide storage batteries or other auxiliary for the equipment in case of an accident to the vessel's dynamo.

Ghost in Billiard Room.

Meriden, Conn., June 20.—A "ghost" that plays billiards and pool, rings bells and keeps the help on the jump both day and night is worrying Meriden's fashionable Home club and many members threaten to resign. The ghost rings the front door bell every afternoon. The porter finds no one, but soon the bells in the grill and barrooms begin to mysteriously buzz every number on the indicator, the pool and billiard room being the favorite haunt. Late at night, when the players have quit, a ghostly game is played.

FLOATING COAL STOCK FOR NORTHERN SYNDICATE

Spokane, Wash., June 20.—One hundred thousand dollars worth of stock is being floated by Andrew Laidlaw, the well known Spokane mining man for the Northern Coal syndicate which has located a group of claims in the Pine river pass, on the boundary line of Alberta and British Columbia, 400 or 500 miles northwest of Edmonton.

The is now being underwritten by the Canadian-American Securities company of New York. With Mr. Laidlaw, Frank Villeneuve, an expert French-Canadian coal prospector, is behind the project, the latter being in the Pine River country at the present time, selecting properties that are to be operated by the syndicate. While the group of claims is far from civilization, Mr. Laidlaw states that the chances for transportation facilities are excellent, three railroad surveys having already been completed through the pass, against 3600 feet for the Yellowhead pass, the only other logical gateway between large portions of Alberta and British Columbia.

VESSEL RUNS ASHORE IN FOG; CREW SAVED

Halifax, N. S., June 20.—Miles out of her course, on account of a dense fog, the British steamer Ben Ern, with coal from Sidney, N. S., for St. John, N. B., ran ashore on Half Moos ledge, twenty miles from Barrington Heads last night. The crew reached shore safely in small boats. The Ben Ern is under charter to the Dominion Iron & Steel company, but is owned by the Straight Back Steamship company, Ltd., of Glasgow, and is valued at about \$225,000.

Convicts Are Killed.

Waynesville, N. C., June 20.—Four convicts were killed, twelve probably fatally wounded, and seven less seriously hurt by the collapse of the bull pen in which they were housed in a mountain pass in this county today.

ST. CHARLES EVAPORATED CREAM
 The Golden Cow is the trade mark of the St. Charles Condensing Company. This sign on a can of Evaporated Cream stands for purity and quality. There is no other cream just like St. Charles Cream. It combines at a low price the highest quality and the greatest purity, the finest flavor and the greatest power of nutrition. For infants and growing children, for nursing mothers and invalids it is a necessity. For the strong and well it is a luxury. It is equal to the best of ordinary cream for all purposes. For many purposes it is infinitely superior. In using St. Charles Cream, whether for infants, for invalids, or in ordinary cookery, you take no chances. Handsome booklet of valuable information to mothers and nurses sent free upon application.
 Sold by Best Grocers Everywhere
 ST. CHARLES CONDENSING COMPANY Ingersoll, Ont.

GOLD DUST will sterilize your kitchen things and make them wholesome and sanitary

Soap only cleans; GOLD DUST cleans and sterilizes.

Soap washes over the surface, leaving a greasy film behind it; GOLD DUST digs deep after germs and impurities, and insures purity and safety.

Soap needs muscle help (as an exerciser, it's fine); GOLD DUST does all the hard part of the work without your assistance, leaving you to take your exercise in a more enjoyable manner.

GOLD DUST is a good, honest, vegetable oil soap, to which is added other purifying materials in just the right proportions to cleanse easily, vigorously, and without harm to fabric, utensil or hands.

"Let the GOLD DUST Twins do your work."

Made by THE N. K. FAIRBANK COMPANY
 Makers of FAIRY SOAP, the oval cake.

SMALLER REPUBLICS LIKELY TO REUNITE

Washington, June 20.—A movement afoot in South America looking to the renewal of the old union of the five republics which originally formed the grand republic of South America, has been known to the state department for some time past, though details of the extent of the agitation have been lacking. Indications are that conferences will be held in Caracas, capital of Venezuela, just following the celebration of the centenary of the independence of that country next month. The state department for years has wanted the smaller republics in South and Central America united in strong governments, and would welcome a combination like that proposed, believing that it would tend to more stable government.

BOARD OF TRADE FORMED AT STEAMBOAT

Steamboat has organized a Board of Trade. At an enthusiastic meeting held in McIntyre & Raymond's hotel in the second townsite, the organization was effected. David Sloan, assayer, was elected president and I. Thomas, Merchant, secretary. The meeting was attended by miners and residents who saw the value to the district of an organization to advance their common interests. The Board of Trade will act in the place of a town council, or a Citizens' committee. It will take care of the sanitation, fire protection and of street paving and lighting. More than this it will establish a bureau of information, and answer any queries concerning the town or the district that may be made by persons desiring to visit or settle in the locality.

SEASON FAVORABLE FOR FIELD CROPS IN CANADA

Ottawa, June 20.—A bulletin of the census and statistics office issued today states that the season this year has been favorable for field crops in all parts of Canada, and excellent reports have been received from all the provinces. The lowest percentage of condition is made for fall wheat, which suffered from inadequate protection in the winter months, and also to some extent from spring frosts. The areas of fall wheat are greater than last year by 4.50 per cent, and of spring wheat by 13.70 per cent. The total area in wheat is 10,503,400 acres, as compared with 9,294,500 in 1910 and 7,750,400 in 1909. The per cent condition of fall wheat at the end of May was 80.63, and of spring wheat 96.69. The area in oats is 10,279,800 acres and its condition 94.75, as compared with 9,864,100 acres and 93.95 per cent condition last year. Barley and rye each show a small decrease in area, but the condition is higher than at the same period last year.

Slight decreases are also reported for areas of peas, mixed grains, and hay and clover, with per cent condition of 91.45 for the Dominion, being practically 100 in Manitoba, Saskatchewan and Alberta. The area of the field crops named is 32,051,500 acres for 1911, compared with 30,554,200 acres for 1910 and 28,194,300 acres for 1909. In the provinces of Manitoba, Saskatchewan and Alberta the area in wheat, oats and barley was 3,491,413 acres in 1900, 6,009,389 acres in 1905, 11,952,000 acres in 1909, and 13,809,300 acres in 1910, and it is 15,355,500 acres this year. The increase of these crops from 1900 to 1911 was 2,663,699 acres in Manitoba, 7,364,315 acres in Saskatchewan and 1,836,073 acres in Alberta.

Something New in Floor Wax

The easiest way to finish a floor is to saturate a soft cloth with Columbus Liquid Wax and apply lightly to the floor, let it dry for about fifteen minutes, and bring to a polish by light rubbing with a soft cloth.

No brush to push—no work—no backache. Resists heel-marks, scratching, and water will not turn it white. Goes farther and lasts longer than any paste wax. Try it! Be sure to ask for the genuine

ANOTHER NOVELIST WILL GO UP NORTH

Hubert Footner, an Author of Hamilton, to Follow Example of Service.

Edmonton, June 19.—With but one companion, Hubert Footner, of Hamilton, Ont., author of "Two on the Trail," will leave civilization behind within a few days and go deep into the wilderness of the Canadian northwest from which he only recently returned. The proposed trip, however, will be in the nature of an exploration. Mr. Footner wrote friends as he was leaving Sault Ste. Marie that he would disembark at Edmonton early in June and head west through the Yellowhead pass, down the Fraser River to Discombortage, and thence to Summit Lake, the source of the main branch of the Peace River, a distance of about 1200 miles, and make a side trip into the Ray River country, which has never been explored by white men. The trip down the Peace River has never been made by any white men except the fur traders. The whole journey will occupy from three to four months.

WILL NOT TOLERATE FOREIGN MONOPOLIES

Chihuahua, Mexico, June 20.—The selling immediately of millions of dollars' worth of foreign property in Mexico is announced. Governor Abraham Gonzales declared that under the new regime foreign concerns would not be extended or renewed and a legal effort would be made to restrict foreign companies, now existing in Chihuahua, one of the richest states in minerals and timber, which is practically controlled by British, American and German interests.

"All Americans who grieved at the downfall of the Diaz administration will find that their grief was well-founded," said Governor Gonzales. "We do not intend to take away the riches of any foreigner, who legally holds them, but we realize that under the Diaz system the granting of concessions with their ruinous payments of large sums of money to Mexican politicians was virtual selling out of Mexico."

PARADISE FOR GAME HUNTERS IN AFRICA

Mombasa, East Africa, June 20.—Big game hunters have the chance of their lives in Africa today. There is in Nyasaland, about 350 miles from the East African coast, a great elephant marsh which the government has kept as a reserve for many years. Now, however, the growing settlers in that region are complaining so much of the depredations of the animals that the official announcement is made that the reserve will shortly be broken up. So numerous have the herds of elephants, buffaloes and other wild animals become that the extension of the cotton and tobacco plantations has been stopped because of the loss of life among the natives employed on such work. Up to now natives have been barred from shooting big game, but the East African chambers of commerce are strongly in favor of the restriction being removed as the licenses now issued to Europeans are not enough to keep the beasts in check.

TOOK A MOVING PICTURE OF WEDDING

Edmonton, Alta, June 20.—A surprising departure in wedding ceremonies was inaugurated in this city on Saturday afternoon when Rev. J. E. Hughson, of McDougall Methodist church, joined in wedlock Harold P. Brown, a well known Edmontonian, and Miss Mann, of London, England. The ceremony, which took place at 5 o'clock was conspicuous by a moving picture machine, to take the entire ceremony. The purpose, it is stated, was to preserve the film and reproduce it in later years when the contracting parties are old and gray and also to show their friends of future years how they looked on their wedding day.

William Card, manager of the Orpheum theatre who took the moving pictures of the Coronation festivities here, officiated in the same manner at the wedding. While this is the first time that moving pictures have been called in to take a wedding, Mr. Card has been in great demand among the aristocracy, to take pictures of their children.

OLD FRAUD UNDER NEW DISGUISE

Raymond, Wash., June 20.—A suave and well-dressed individual recently visited Raymond carrying in his hand a small, highly perfumed hand satchel, containing "Philippine Ferns," dried and shrunken to the size of a peanut. These, he explained, if put in water for twelve hours, were guaranteed to open up, take on life, bloom every thirty days after eight weeks, and live forever.

The dispenser of this rare plant met with wonderful success, he was a most courteous gentleman, a bland speaker and a thorough salesman, careful to see that no one was slighted. Every one was supplied at \$1 per plant, or if they were not, it was because business was so good among the business and professional men of the city, that the supply had become exhausted before the rank and file had been reached.

The importer of this Philippine wonder departed, empty of satchel but full of purse. The plant opened and died.

Logically First

FIT-REFORM was the first in Canada to give high class hand tailored garments for men at reasonable prices.

Fit-Reform introduced the Wardrobe System.

Fit-Reform was the first to offer "money back if satisfaction be not given."

ADVERTISE in the NEWS

The Daily News

Published by The Daily News Publishing Company, Limited, at their offices, corner of McKenzie and Victoria Streets.

E. A. Falge..... Managing Director

WEDNESDAY, JUNE 21, 1911.

THE CITY AUDITOR.

The proposal put forward at Monday night's meeting of the council to throw open to public competition the appointment of a city auditor is to be commended, and it is to be hoped this course will be pursued. Alderman Bryson appears to have been somewhat nervous about the object of Alderman Lynch's motion being to oust Moses B. Cotsworth. But as this individual was appointed specially for a term of one year, which term has now expired, no question of ousting him can very well arise. His appointment expired automatically and at the beginning of this month and at present the city does not possess any auditor. It was this latter circumstance which caused Alderman Lynch to bring forward his motion.

We hope the outcome of the step thus taken will be to secure a good officer, one properly qualified both by training, experience and temperament to perform the work of this important position in a thorough and impartial manner. We do not believe that the ratepayers as a whole would approve the reappointment of Mr. Cotsworth to this position, if he becomes a candidate for the vacancy. Even if it be granted that he has done a certain amount of good for the city, as Aldermen Bryson and Johnston claim, this has certainly been discounted by the great mischief he has wrought and the pain and annoyance he has unnecessarily caused by the methods he has adopted. Unfortunately it seems impossible for any document to be issued or observation made by the late auditor that is fair and unbiased in character. Through all that he has done there has been the appearance of a spirit of vindictiveness and a desire to play to the gallery. These are the very qualities that are not required in the confidential position of a public auditor.

HORSE SHOW BUILDING.

We do not think there will be any difficulty in securing the signatures of one-tenth of the ratepayers to the petition to the council praying that a by-law may be submitted to the ratepayers at large empowering the provision of fifteen thousand dollars for the completion of the Horse Show building at Queens park. This course of procedure is rendered necessary by the Municipal Clauses Act under which the affairs of this city are now administered. Nor do we expect that any opposition will be displayed towards the passing of such a by-law.

The provision of this building would be in many ways a decided advantage to the city. Its utility would not be by any means limited to the primary purpose for which it is to be established and maintained by the R. A. & I. society. A fine large building of this character, so conveniently situated would be most useful for holding important gatherings and festivals of all kinds. In fact the want of a building of this character has long been felt in this city, and the absence of such accommodation has been the means of depriving the citizens of participation in several interesting events. Only recently the advance agent of the Sheffield Choir was obliged to leave New Westminster out of his itinerary by reason of there being no means to accommodate a gathering of such a size as was necessary to guarantee the expenses of the visit.

It is generally felt by those interested that the amount sought to be raised would be quickly repaid out of the profits which the frequent use of the building would ensure. At any event the R. A. & I. society are prepared to repay the loan in from fifteen to twenty years, and to guarantee the interest and sinking fund to the council in return for its credit.

Tomorrow being Coronation Day there will be no issue of the Daily News. This paper will publish as usual on Friday morning. The office will be open today at the customary hours.

In connection with the I. O. O. F. meeting at Cranbrook last week, the Funeral Aid association elected the following officers: President, C. S. Keith, Westminster; vice-president, J. A. McKay, Vancouver; secretary, W. C. Coatham, Westminster; treasurer, N. R. Brown, directors, M. J. Phillips, Westminster; Peter Wright, Vancouver; W. H. Walsh, Vancouver.

Attitude of Board
To Cafe Licenses

(Continued from Page One.)

their patrons. All he asked for was a square deal.

The mayor and Alderman Campbell made it plain that, this matter was

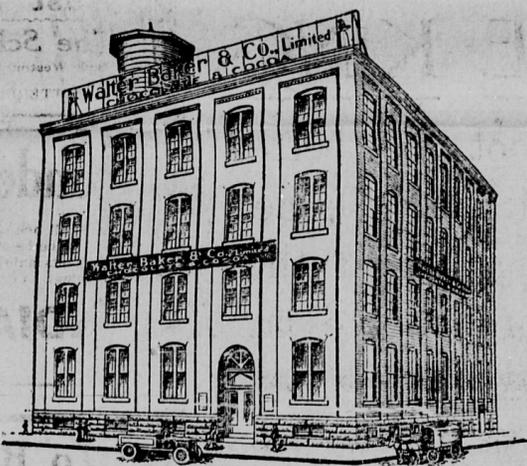

receiving the attention of the board of commissioners, and steps were being taken by the authorities to make for a better order of things in this city so far as licensed premises were concerned. The time had now come when only those actually managing and running hotels which had restaurants attached should be allowed also to run the dining rooms. Letting out these places to managers for a matter of gain would have to be stopped.

It was further decided that the clerk to the commission write to the city council that in compliance with the recent law which was now in force, every licensed hotel would require to contain thirty bedrooms, thus bringing this city into line with Vancouver and other large centres. Bartender licenses were granted to J. H. Prevolt and J. H. Hartness.

SENIOR AMATEURS READY FOR THURSDAY

Following the senior amateur practice at Queens park last evening a team was picked for the match against the V. A. C. at Recreation park, Vancouver, tomorrow morning. The executive decided to make several changes, Swanson being left off the home, and Hume being placed at centre. Patchell is relieved from first defence, and Cooper brought on the field. The boys will catch the 7:45 car from the B. C. E. R. depot, as the face-off is fixed for 9:30 a.m. The line-up is as follows: Goal, W. Keary; point, D. Dighy; cover point, B. Galbraith; defence field, L. Gregory, Cooper and Fitzgerald; centre, Hume; home field, J. Gifford, Sclater and J. A. Smith; inside home, Kenny; outside home, C. Smith; spares, Battson, Coutts, Swanson and W. Sangster.

SPOKANE WANTS LACROSSE AT INTERSTATE FAIR

Spokane, Wash., June 20.—Efforts are being made to revive the good old Canadian game of lacrosse among former residents of Canada in this city. Among the leaders in the movement are W. A. Mitchell, Robert Morton, Harry Greenaway and Cisco Bullivant. Mayor W. J. Hindley, who played the game enthusiastically in his boyhood, is also boosting the scheme along. Among other former lacrosse players now in the city are Barry James, Dr. G. K. MacDowell, J. H. Featherstone, J. A. Rinehart, Dr. A. R. Cunningham, Mr. McDonald and many others.

It is proposed to bring down teams from Nelson, Rossland and other British Columbia towns during the interstate fair. E. V. McIntyre, of Rossland, has already written to see if games can be secured with local players. Spokane has already taken kindly to hockey and rugby football in the various exhibitions of it played here, and would probably support lacrosse even more enthusiastically, as its devotees claim it is the fastest and most spectacular of all games.

INTERMEDIATE GAME POSTPONED FROM THURSDAY

The intermediate game between the East Burnaby and Regina teams set for Thursday has been postponed on account of the holiday, and will probably be played on Monday or Tuesday next.

Official Opening of B. C. Golf Links.

On Saturday the official opening of the B. C. Golf club links will take place, and invitations have been issued for the ceremony. The course which is one of nine holes for the present, is situated at Coquitlam and in the brief period which has intervened since the incorporated club officials took over the property, much

good work has been done towards giving to lovers of the royal and ancient game a course worthy of the name. Those who have been over the links are united in availing that there is no such feeling grounds on this coast, and that when the full eighteen holes are completed, the district will be able to show to the western country links of which the greatest devotee might well be proud.

CAPITALS WILL HAVE NO TROUBLE OVER WAGES

Ottawa, June 20.—In past years it has been claimed by the capital lacrosse players they took too little interest in the outcome of their contests, as the ghost walked with such uncertainty and they are still due two weeks' salary from last year. This season, however, there will be no kick coming. After the game in Toronto last Saturday, the men were paid in full, and the announcement is made by the management that salaries for the fifteen players have been deposited in the bank, covering a full amount for the whole season. Whether he is winner or loser as the result of his new venture, owner Sam Bilsky is at least determined the players will get their money.

All the players are insured, and in the event of incapacitation through injury on the field will draw \$15 a week. Mr. Bilsky pays the insurance premiums, and the applicants draw the money.

CIVILIAN RIFLE ASSOCIATION SHOOTS AT BROWNSVILLE

This afternoon at two o'clock a shoot will be held by members of the rifle association at the ranges of Brownsville. Those who desire to participate in a suggested coronation series of matches are requested by the executive of the N. W. C. R. A. to attend at the ranges today, so that the officials may get some idea of how many would be present on Thursday. Provided there is a number large enough to merit putting up special prizes, a big meet will take place at Brownsville to-morrow and all who take an interest in the art of marksmanship should turn up this afternoon and help the officers who are always willing to give time and attention to the welfare of the association.

WEST END JUNIORS WIN FROM BEAVERS

The West End junior lacrosse team, winners of the city league, went over to Vancouver last evening, and on the Powell street grounds beat the Beavers by six goals to one.

Sangster scored three, Storme two and Feeney one. The West End line-up was composed: Goal, G. Sangster; point, W. Mortison; cover, M. Mortison; defence field, Macdonald, Hardman and G. Adams; centre, L. Sangster; home, Huggard, R. Henderson and Cook; inside, Storme; outside, Feeney.

"The Old Homestead."

For nearly a quarter of a century Denman Thompson's "The Old Homestead," which comes to the Westminster opera house on June 28, has been seen in the various cities throughout the country and the desire to witness it does not seem to show any abatement. It may well be called a problem play, the problem being how to account for the really phenomenal success which it has enjoyed through all the theatrical seasons that have intervened since Mr. Thompson first presented it to the public at the Boston theatre in the spring of 1886. In speaking of the success of his play, the late Mr. Thompson said he had never doubted what the ultimate result would be if only he could succeed in convincing the theatregoing public that he was presenting on the mimic stage real live people and not the venerable pictures which our fathers knew in the days of John Owen's "Solon Shingle" with his "bar" of apple sassa. And when people began to realize after a while that way back in boyhood days they had known char-

acters like Uncle Josh, Cy Prime, Seth Perkins, Aunt Marilda and the rest, they were not slow to come to the conclusion that at last the real Yankee farmer had been transplanted from the New England farm to the stage. "The Old Homestead" became a success from the start, and the reason it is so successful in this its twenty-fifth season is due to a great extent to the fact that the same attention is paid to detail as at the beginning.

IT PAYS TO ADVERTISE

— IN —
THE DAILY NEWS.

Why

Is the Anso Film in such high public favor? Because it has chromatic balance (an ability to render color tones in their correct value).

Why

Are the users of Cyko Papers so well satisfied? Because they secure prints equal to those made by professional photographers.

Why

Can we save you a nice figure on Roll Film Cameras? Because we handle Independent lines not controlled by a price restricted plan.

Let us help you in your photo troubles. We know the business.

Sons of England

All members of the above order are particularly requested to attend the Coronation parade to be held in Vancouver on the 22nd. This being an event every Englishman should be deeply interested in, a large attendance is looked for. Any patriotic Englishman who is not a member of the S. O. E. society, and is not taking part in the parade with any friendly society will be heartily welcomed to join in the parade with the above society. A very handsome souvenir badge will be given all those taking part in the parade.

Candidates All Show Decided Gains

Wide Interest Shown In All Districts--Thousands of Votes Being Received Daily--New Contestants Enter Every Day--Subscribers Are Entitled to Votes When Paying Arrears as Well as When Paying in Advance--Votes Are Issued on Any Payments on Subscriptions of \$1.00 or More--The Prizes Are Worth Working For.

The \$1750 Auto is on Display at T. A. Muir & Co's. Drug Store. The \$500 Piano Can be Seen at the Columbia Piano House. The Furniture Sets Can be Seen at Galloway & Lewis. The Watches Can be Seen At T. Gifford's Jewelry Store. The Scholarships Were Purchased From The Westminster Modern Business School.

The contest is fairly on its way and the people all over the country are aroused to meet the demands made upon them by the young ladies who are soliciting votes. If a little effort is displayed the people will be glad to help you, and you will find getting subscriptions not at all burdensome. In fact, it will grow to be a pleasure. There are so many peculiar and funny incidents happen in a day out after votes that you will be sorry when the contest is over. A few of the contestants have done very well up to this time and the contest manager feels that the support already given has honestly been earned.

Contest is Young.

Although the race has been started two weeks the voting has been light up to date, and there are still plenty of opportunities for hustlers to start right in and win one of the many prizes offered in each of the three districts. Take District No. 3 for instance, there are only a very few real workers and it would not take much of an effort to out-distance any one in that territory through judicious work among your friends.

Timely Warning.

If you don't get subscriptions, some one else will do so, and while it is just getting started get out and do your little work on the quiet. A reserve will do you lots of good and it can best be acquired by getting people to subscribe to the Daily News.

Make up your mind right now that you are going to be one of the prize winners and strive to attain that end. You can do it if you try. Do not wait until the last moment, but start right now. If your name is already entered in the list and you have not done much as yet begin now.

Don't Lose Hope.

No candidate should lose hope, as the difference of a few thousand votes is nothing, as it means but a couple of yearly subscriptions, and there are a little more than six weeks remaining in which to secure subscriptions and close the chasm which now separates those in other positions from first place. Many people are willing to help young ladies and are willing to be asked, and the first candidate to ask, of course, will be the ones to receive the votes, so it is imperative that those who desire to enlarge their count get among the people and make their cause known. There is so much to win and so many opportunities to gain by persistent effort. Study the proposition carefully, and you will see that it is easy to be the winner of a prize. If you want to boost for a greater British Columbia, send the Daily News to some of your friends and at the same time help some young lady in the contest.

Subscriptions Easily Obtained.

The Daily News is so well known and is so far ahead of any other newspaper in its field that it is an easy matter to induce your friends and acquaintances to become regular subscribers. The votes obtained on a two dollar subscription will place you in a strong position, and with a little extra effort you can reach the top. It is a pleasure to suggest to a friend the advisability of subscribing to the Daily News.

Old Subscriptions Count.

All subscribers to the Daily News may participate in this contest, whether old subscribers or new. Votes are issued on all subscription payments of one dollar or more.

Contest Closes August 5.

Not quite seven weeks remain to secure the votes necessary to win the big prizes. Just think of it, eleven prizes having a value of \$3000 offered absolutely free to successful contestants in the three districts. Any of these magnificent prizes are worth a strenuous effort.

Stories and Rumors.

The many contestants will be continually hearing various rumors and stories which may be circulated, either with a desire to impress the friends of other candidates with the success which is attending the efforts of those about whom the rumors are spread. Or (as in the case of a certain class of story that is bound to crop up in a large contest of this nature) with a view to causing other candidates to retire from the contest, thus giving those who may desire to create this particular style of discontent a much greater chance of success.

Absolute Secrecy.

This method ensures absolute secrecy, and should, therefore, appeal to those of the candidates who are adverse to showing their hand to the rest, and to the public at large.

The Prizes.

Eleven in all. Two grand prizes and nine district prizes will be divided into the three districts as follows:

The Candidate receiving the greatest number of votes in the three districts combined will be awarded the \$1750 McLaughlin Buick touring car.

The candidate receiving the most votes in the remaining three districts will be awarded the \$500 piano. This piano was purchased from the Columbia piano house and is on display at their store, the Walker block, 425 Columbia street.

The candidates getting the greatest number of votes after the winners of the grand prizes will be given their choice of the district prizes.

The Nine District Prizes.

Three scholarships purchased from the Westminster Modern Business college. They are good for eight months tuition and worth \$96 each.

Three handsome furniture sets worth \$75 each purchased from Galloway & Lewis and can be seen at their store, corner Fourth and Columbia streets.

Three beautiful solid 14k. gold watches worth \$40 each, purchased from and on display at T. Gifford's jewelry store on Columbia street.

The District.

In order to give every candidate an equal chance to become the possessor of one of these valuable prizes the territory has been divided into three districts as follows:

District No. 1--All territory west of east side of Sixth street, within New Westminster city limits.

District No. 2--All territory east of west side of Sixth street, including Sapperton.

District No. 3--All territory covered by the Daily and Weekly News outside the city limits of New Westminster.

Secret Ballot.

It is pointed out that if the contestant so wishes he can turn in his subscriptions, and have his votes issued as a secret ballot. This is the votes will not be taken into consideration, except at the close of a period, or in the event of a special prize being offered.

Unpaid Subscriptions Count.

All subscribers to the Daily News who are in arrears on their subscription account, and who settle same, are entitled to votes according to the schedule. When you pay your subscription be sure you receive the votes to which you are entitled.

If you do your best and fall to win the first grand prize, you can be assured that if you come out second best in your district you will get a prize that is worth ten times the effort you have put forth to win it.

Standing of Candidates.

Nominations for the big automobile contest are published below, and show the growing interest in the competition. Look them through, and see if you cannot add that of a friend.

District No. 1--All territory west of east side of Sixth street, within New Westminster city limits.

The Auto That Will Be Given Away

By The Daily News, Aug. 5, was purchased from the McLaughlin Carriage Co., Ltd. B. C. BRANCH: 1293 PENDER STREET WEST, CORNER JERVIS, VANCOUVER.

"Model 27" Price Complete, \$1750

The purchasing of a motor car resembles the purchase of a diamond or a precious stone; the reputation of the firm from which either is purchased must be absolutely reliable. Long before we entered into our motor car construction, the name "McLaughlin" was symbolic of the perfect conveyance--42 years' experience. We have endeavored to uphold this reputation as our automobile manufacturing developed. The construction of our cars is not upon experimental lines, but on the contrary, their effectiveness and durability has been brought about by years of careful development and designing, and by thorough workmanship in unseen details. The undeniable success we have met with in marketing our product can be attributed only to a wide, accurate knowledge of what is right and best. This knowledge we have endeavored to transmit to our automobiles, producing a car well worthy of the Canadian public and one of which they may well feel proud. This may be read by some who, while remotely considering the possibilities of a motor car, either for business or pleasure, still have not reached the point where they are justified in making the expenditure. Now, if you are in that position, your hesitation can only be the result of a wrong viewpoint--you are looking upon the motor car as a luxury--an extravagance. Get rid of that thought. Every careful student of economics today admits that the motor car is not a luxury--it pays its way as a time-saver and a health conserver. Did you ever hear of a motorist speaking in terms of dissatisfaction of the idea of owning a car? If you did, it is safe to say that the car he owns is not a McLaughlin-Buick.

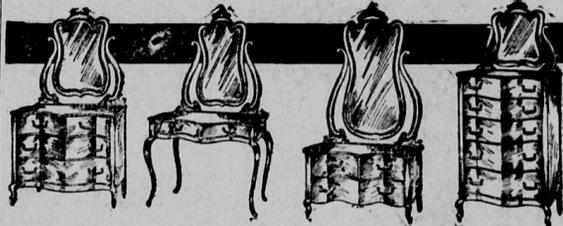

THE 2nd GRAND PRIZE is an Upright Grand \$500.00 style A. Colonial Design WORMWITH PIANO

DESCRIPTION. New improved scale with heavy iron plate. Double veneered in figured walnut or mahogany. Carved top panels. Full-length swinging music desk. Three pedals. Sustaining pedal. This piano was purchased from The Columbia Piano Co., 425 Columbia Street.

See the Three Beautiful Furniture Sets

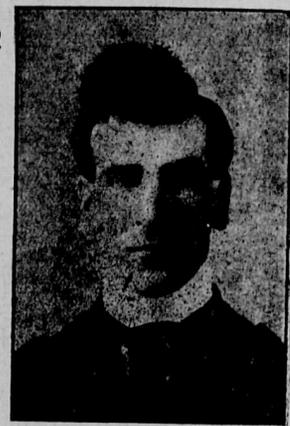

That the Daily News is giving away August 5th. They were purchased from Galloway & Lewis 4th and Columbia Streets

Three \$96.00 Scholarships in the Westminster Modern Business College

Will be given away by the Daily News August 5th, 1911.

Our premises are large and airy, occupying the upper floor of the Cunningham building, which is situated in the busiest business section of the city. This is no small advantage. It is most central for business men who wish to call on us to obtain office help, and as all car lines pass our doors it is most conveniently located for all students from the suburban districts. Attention is especially called to the excellent teaching staff and to the splendid facilities afforded students to secure an entrance into business life after graduation.

Three 14 k. Solid Gold Watches

Also prizes in the Daily News Auto Contest; one for each of the three districts. They are on display at T. Gifford's Jewelry Store, Columbia Street

C., occupation married woman, intends to apply for permission to purchase the following described lands: Commencing at a post planted on the east bank of the Cheakamus river, about two chains north of the mouth of Marble Creek, and about ninety chains north of the north end of Daisy Lake and marked North West Post; thence south eighty chains along Cheakamus river; thence east forty chains; thence north eighty chains; thence west forty chains to point of commencement, containing 320 acres more or less.

MRS. CLARA G. GOULD, John Greer, Agent. Dated March 28, 1911.

NOTICE TO CREDITORS. Notice is hereby given that Letters of Administration to the estate of Elizabeth Ann Scott deceased intestate, late of Westminster Junction, were granted by the Supreme Court of British Columbia in probate to John Reece Scott and Loftus Robert Scott, the 30th May, 1911, and all persons having any claims or demands against the said Elizabeth Ann Scott who died at the City of New Westminster on the 2nd March, 1911, are required on or before the 1st day of July, 1911, to send by post prepaid or to deliver to the undersigned solicitors of the said John Reece Scott and Loftus Robert Scott, administrators, their names and addresses, and full particulars in writing of their claims, and statement of their accounts verified by statutory declaration, and the nature of the securities, if any, held by them.

And take notice that after the 1st day of July, 1911, the said John Reece Scott and Loftus Robert Scott will proceed to distribute the assets of the said deceased among the persons entitled thereto, having regard only to the claims of which they shall then have had notice, and the said John Reece Scott and Loftus Robert Scott, administrators, will not be liable for any debts or liabilities of the said Elizabeth Ann Scott of which they shall not have then received notice.

Dated this 5th day of June, 1911. WADE, WHEALLER, McQUARRIE & MARTIN, Solicitors for John Reece Scott and Loftus Robert Scott.

LAND REGISTRY ACT. Re lots 1 to 11 inclusive, 13 to 16 inclusive, 18 to 27 inclusive, and 30 to 60 inclusive, being subdivisions of the south half of section 18, township 2, New Westminster district.

A certificate of indefeasible title to the above property will be issued to Benjamin Stevenson on the 30th day of June, 1911, unless in the meantime a valid objection thereto be made to me in writing by a person or persons claiming an estate or interest therein, or in any part thereof.

C. S. KEITH, District Registrar of Titles. Land Registry Office, New Westminster, B. C., May 16, 1911.

The person or persons having in their custody or possession the following title deeds relating to the said property are requested to deliver the same to the undersigned.

(a) 13th March, 1895. Grant from the crown to Farquhar McRae. (b) Conveyance in fee from Farquhar McRae to Benjamin Stevenson 15th August, 1901. Benjamin Stevenson to J. D. Buchanan. Conveyance in fee under power of sale contained in mortgage. (c) 21st March, 1902. Conveyance in fee from J. D. Buchanan to Benjamin Stevenson. EDMONDS & JOHNSTON, Solicitors for Applicant.

LAND REGISTRY ACT. Re north half of lot 34, block "B," subdivision of lot 30, group 2, at Boundary Bay, map 712, in the district of New Westminster.

Whereas proof of the loss of certificate of title number 9410F, issued in the name of Arthur de Brissac Owen, has been filed in this office. Notice is hereby given that I shall at the expiration of one month from the date of the first publication hereof, in a daily newspaper published in the City of New Westminster, issue a duplicate of the said certificate, unless in the meantime valid objection be made to me in writing.

C. S. KEITH, District Registrar of Titles. Land Registry Office, New Westminster, B. C., May 9, 1911.

IT PAYS TO ADVERTISE. — IN — THE DAILY NEWS.

SEALED TENDERS addressed to the undersigned and endorsed "Tender for Public Buildings, Cranbrook, B. C." will be received until 4 p. m. on Monday, June 12, 1911, for the construction of a Public Building, Cranbrook, B. C. Plans, specification and form of contract can be seen and forms of tender obtained at the offices of Mr. Wm. Henderson, Resident Architect, Victoria, B. C., at the post office, Cranbrook, and at this Department.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation and place of residence of each member of the firm must be given. Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honourable the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender, which will be forfeited if the person tendering declines to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender. By order, R. C. DESROCHERS, Secretary. Department of Public Works, Ottawa, May 13, 1911.

DEPARTMENT OF MILITIA AND DEFENCE. Nelson, B. C., Rifle Range. Notice to Contractors.

SEALED TENDERS, marked on envelope "Tender for construction of Nelson, B. C. Rifle Range" and addressed to the Director of Contracts, Department of Militia & Defence, Ottawa, will be received until noon, the 15th June, for the construction of a Rifle Range at Nelson, B. C. Plans and specifications may be seen and full information obtained at the office of the District Officer Commanding Military District No. 11, Victoria, B. C., the Director of Engineer Services, Headquarters, Ottawa, and the Officer Commanding 102nd Regt. Nelson, B. C.

Tenders must be made on the form supplied by the Department and accompanied by an accepted cheque on a Canadian chartered bank, for 10 per cent of the amount of the tender, payable to the order of the Honourable the Minister of Militia and Defence, which amount will be forfeited if the party tendering declines to enter into a contract or fail to complete it in accordance with the tender. The Department does not bind itself to accept the lowest or any tender.

EUGENE FISET, Colonel. Deputy Minister of Militia and Defence. Ottawa, May 8, 1911. (Newspapers will not be paid if they insert this advertisement without authority from the Department.)

DEPARTMENT OF RAILWAYS AND CANALS, CANADA. HUDSON BAY RAILWAY. Notice to Contractors.

Sealed tenders addressed to the undersigned and endorsed "Tender for construction of Hudson Bay Railway," will be received at this office, until 16 o'clock on Tuesday, the 1st of August, for a section of about 185 miles from Pas Mission to Thicket Portage. Plans, specifications and form of contract to be entered into can be seen on and after Wednesday, May 31, at the office of the Chief Engineer of the Department of Railways and Canals, Ottawa, and at the office of the Chief Engineer of the Hudson Bay Railway, Winnipeg, at which places forms of tender may be obtained.

Parties tendering will be required to accept the fair wages schedule prepared or to be prepared by the Department of Labor, which schedule will form part of the contract. Contractors are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms, and in the case of firms, unless there are attached the actual signature, and the nature of the occupation, and place of residence of each member of the firm.

An accepted bank cheque for the sum of \$200,000.00 made payable to the order of the Minister of Railways and Canals must accompany each tender, which sum will be forfeited if the party tendering declines entering into contract for the work, at the rates stated in the offer submitted. The cheques thus sent in will be returned to the respective contractors whose tenders are not accepted. The cheque of the successful tenderer will be held as security, or part security, for the due fulfillment of the contract to be entered into.

The lowest or any tender not necessarily accepted. By order, L. K. JONES, Secretary. Department of Railways and Canals, Ottawa, May 26, 1911. (Newspapers inserting this advertisement without authority from the Department will not be paid for it.)

LONDON TIMES SAYS ATTITUDE IS RIGHT. CANADIAN PREMIER HAS DONE GOOD SERVICE ON FISCAL QUESTION — PRINCIPLES OF IMPERIAL UNITY.

London, June 20.—The Times says: "Canada is unquestionably handicapped by the twelve favored nations treaties negotiated many years ago to suit our convenience rather than hers. The inconvenience has not been very apparent in the past, but the trade agreement with Washington made it palpable. Maintenance of unity will, of course, be safeguarded to some extent by Laurier's third principle, under which no dominion could give an advantage to a foreign power it does not extend to this empire as a whole. He has done good imperial service in laying down with so much clearness and emphasis. Foreign powers, however, will be guided in their dealings with the British empire more by the action which its different colonies take than by the principles they proclaim, and if those governments proceed in the interests of closer union to elaborate entirely separate systems of commercial treaties it will not be long before their foreign friends will be able to make the maintenance of Laurier's principle quite as inconvenient as the favored nation treaties are today."

On the suggestion of the home government and in conformity with the resolution of New Zealand, the overseas dominions will be given wider powers regarding shipping, and will work for greater uniformity in their immigration regulations dealing with the exclusion of aliens.

By order, P. E. RYAN, Secretary. The Commissioners of the Transcontinental Railway. Dated at Ottawa, June 2, 1911. Newspapers inserting this advertisement without authority from the Commissioners will not be paid for it.

Stop the Leaks in Your Coal Bill. Use a Gurney-Oxford range and save 20 per cent. of your coal bill.

The "Chancellor" shown here is the finest steel range made by the well known Gurney-Oxford Company. There's no better to be had in the country. Made in more styles and sizes than any steel range on the market, with every late device for economy and convenience.

Material is the best to be had, inside and out. With or without reservoir on either end. Guard on ash door. Braced oven bottom. Drop door on warming closet. Divided oven flue, to insure even baking. Broiler top. Thermometer on oven door if desired. Made for coal or wood. Besides these special features—

The OXFORD ECONOMIZER will keep your fire going at lowest possible cost for fuel. Will save at least 20 per cent. of the coal you now use and will take all cooking colors up the chimney. You'll save money every day you use a Gurney-Oxford. And always get more satisfactory results from your cooking. Let us demonstrate to you the "Economizer," and the other Gurney-Oxford points of superiority. See how perfect a good range can be. We will also show you other Gurney-Oxford stoves and ranges for every purpose and for any kind of fuel. On display on our floors all the time. Get acquainted with the best known, best liked stoves and ranges in all Canada. And do it now—for the good of your pocketbook.

T. J. TRAPP & CO. 681 Columbia Street.

IT PAYS TO ADVERTISE IN THE DAILY NEWS.

NOTICE TO CONTRACTORS. Tenders for Car Shops at Transcona, Near Winnipeg, Man. Sealed tenders addressed to the undersigned, and marked on the envelope "Tender for Shops" will be received at the office of the Commissioners of the Transcontinental Railway at Ottawa until 12 o'clock noon, of the 11th day of July, 1911, for the construction and erection complete, in accordance with the plans and specifications of the Commissioners, of shops east of Winnipeg.

Plans, details and specifications may be seen at the office of Mr. Gordon Grant, Chief Engineer, Ottawa, Ont., and Mr. S. R. Poulin, District Engineer, St. Boniface, Man. Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied by the Commissioners, which may be had on application to Mr. W. J. Press, Mechanical Engineer, Ottawa, Ont. Each tender must be signed and sealed by all the parties to the tender, and witnessed, and accompanied by an accepted cheque on a chartered bank of the Dominion of Canada, payable to the order of the Commissioners of the Transcontinental Railway for the sum of one hundred thousand dollars (\$100,000).

The cheque deposited by the party whose tender is accepted will be deposited to the credit of the Receiver General of Canada as security for the due and faithful performance of the contract according to its terms. Cheques deposited by parties whose tenders are rejected will be returned within ten days after the signing of the contract. The right is reserved to reject any or all tenders. By order, P. E. RYAN, Secretary.

The Commissioners of the Transcontinental Railway. Dated at Ottawa, June 2, 1911. Newspapers inserting this advertisement without authority from the Commissioners will not be paid for it.

AUCTION SALE OF TIMBER BERTH COVERING DOMINION LANDS. The right to cut timber under license on Berth No. 551, comprising the following lands in the Province of British Columbia, will be offered at public auction at the upset price of \$215,000, at 2 o'clock p.m., on Wednesday, the 16th day of August next, at the office of the Dominion Timber Agent at New Westminster: Timber Berth No. 551, situate in the Province of British Columbia, in township 4, range 28, west of the 6th Meridian, and comprising that portion of the island in sections 13 and 24, lying east of the Indian reserve, containing an area of 215 acres, more or less.

A license will not be issued until the full amount of the purchase price, and the ground rental for the first year, have been paid. The conditions of payment, rate of rental, etc., are contained in the Timber Regulations, a copy of which may be secured on application to the undersigned, or to the Crown Timber Agent at New Westminster. P. G. KEVES, Secretary. Department of the Interior, Ottawa, May 20, 1911.

CITY NEWS

Owing to the absence from Vancouver of the officials who are in charge of the steamer which is required for the outing, the committee of the citizens annual picnic are unable to move in furtherance of the arrangements until next Monday.

Members of No. 1 fire hall were busily engaged yesterday installing the appliance for the supply of the motive power for the fire auto and Chief Watson's car. The appliance has been fixed up behind the fire hall, and is connected to the big engine by special piping.

The adjourned monthly meeting of the Royal Columbian hospital board will be held this afternoon at the offices at three o'clock. Acting Mayor Johnston will be in the chair, and a full attendance is requested as matters of financial interest are down for decision.

Hairdressing, manicuring, massaging; room 5 Market block, over Hunter's. Phone 870.

The Bohemian cafe has changed hands as a result of a deal which was completed yesterday, the new proprietor being L. Lund. He takes it over from Johnny Cash, and contemplates considerable changes making for the advantage of patrons. These improvements will be undertaken at once.

Before his honor, Judge Howay, at the county court yesterday morning, James Barnard elected to stand speedy trial for alleged burglary at Hope. The case arises out of a burglary at the Chinese store in that up country town, and prisoner was committed to the courts here by Captain White Fraser. The case comes up on Monday after the Rex vs. Campbell indictment.

A Vancouver visitor, Mr. Dutton, who was thrown from his horse yesterday in the east end of the city, received a severe cutting about the face and neck. Fortunately Dr. J. H. Jones, who was in the immediate vicinity, had the injured man taken to his surgery where the wounds were washed and bandaged, Mr. Dutton returning home later in the evening, complaining of a severe shaking.

For spring plants and cut flowers phone Davies and Son, florists. Phone 897.

The students of the High school have planned an enjoyable outing for tomorrow, when with their friends they will sojourn in the Canyon of Capilano. Special B. C. E. R. cars will leave from the local ticket office at eight o'clock, and the return journey will be started from the Terminal City thirteen hours later. The intention of the committee is to hold a series of races and other athletic feats.

Harold Moore, of Manchester, England, was in Westminster yesterday and spent a deal of time in a critical survey of our city. In conversation with a Daily News representative, the Mancunian expressed surprise at the many things he had seen here, but nothing opened his eyes so much as the splendid waterway. "The Fraser river is certainly an asset of which your city should well be proud," said the visitor, "and I can foresee for this city a very big future."

The mayor, with Mrs. Lee, leaves the city this morning for the provincial capital where they will be the guests of the acting premier and members of the government for the exercises in connection with the coronation celebrations. Mr. Lee, in his capacity as D. D. G. M. of the A. F. & A. M.'s of B. C., will prolong his stay in Victoria to attend the meetings in connection with that body. During the absence of the chief executive from the Royal City, Alderman J. J. Johnston will act as mayor.

A striking proof of the way in which the city police force has been neglected at the hands of the city council compared with other civic departments is shown in a brief comparison with the annual report of the force in Vancouver. The area here to be policed is nearly two-thirds that of Vancouver and costs only \$9000 per annum, as against \$185,000 in the Terminal City, while the Vancouver police deal with 5400 cases a year this small force here handles 700 per annum, a much higher average per man of arrests.

From the moment the disappearance of Peter McCoy, the four years term man at the local pen was discovered, specially chosen posses of hunters have been out scouting far and near for the prisoner who made such a daring escape. Warden Brown is holding an enquiry into the mysterious disappearance, but until a late hour last night the matter had not been cleared up. The official description of the missing man is: Height, six feet; age, twenty-five years; medium build, light brown hair, fair complexion and slightly bald in front. He is a logger by occupation.

Despite the fact that the officials of the engineers' department aver that the waters are not flooding over the land, and destroying the crops at Queensborough, the ratepayers association of that district state positively that such is the case, and are pushing for a more careful investigation into the matter. A pump which could be worked by gas will in all likelihood be installed at the island, and this will be handy at all times when the waters encroach on the land, as is said to be the case at this time. Mr. Stewardson, assistant city engineer, who has visited the locality has made an exhaustive report to his chief.

Thursday being Coronation Day the issue of the Daily News will be suspended. The paper will appear as usual on Friday, when a full account of the proceedings in London, and celebrations in this province will be published.
