READY FOR BIG SALE

Lots in Section 2 Will be Sold Continuously After Auction Opens on Nov. 9.

Order of Rotation in Which the Parcels of Land Will Be Put Up for Sale

David H. Hays has all things ready well in advance for the big sale of lots to be put on here November 29 and be continued until all have been disposed of. The inquiries for lots are very numerous, says Mr. Hays, and there promises to be a very active auction. It has been decided that once the sale starts it will be kept going continuously day after day until the 585 lots have been disposed of. This will allow any who come to buy a chance to get the lots he has in view.

The order in which the lots will be put on sale will be as folows:

Block 1, Lots 37 to 54.
Block 2, Lots 1 to 4.
Block 3, Lots 1 to 4.
Block 4, Lots 17 to 24.
Block 5, Lots 5 to 7.
Block 6, Lots 1 to 5.
Block 7, Lots 5 to 12.
Block 8, Lots 17 to 24.
Block 9, Lots 1 to 6.
Block 10, Lots 5 to 12.
Block 11, Lots 5 to 8.
Block 12, Lots 35 to 41.
Block 13, Lots 7 to 12.
Block 14, Lots 8 to 11.
Block 15, Lots 1 to 12.
Block 16, Lots 19 to 28.
Block 17, Lots 1 to 12.
Block 18, Lots 23 to 26
Block 19, Lots 7 to 24.
Block 20, Lots 1 to 3.
Block 20, Lots 44 to 67.
Block 1, Lots 1 to 23.
Block 2, Lots 20 to 29.
Block 3, Lots 42 to 52.
Block 4, Lots 5 to 16.
Block 5, Lots 12 to 27.
Block 6, Lots 11 to 15.
Block 7, Lots 17 to 24.
Block 8, Lots 1 to 6.
Block 9, Lots 7 to 12.
Block 10, Lots 13 to 24.
Block 11, Lots 13 to 18.
Block 12, Lots 17 to 26.
Block 14, Lots 12 to 15.
Block 15, Lots 13 to 24.
Block 17, Lots 13 to 25.
Block 18, Lots 1 to 12.
Block 19, Lots 25 to 30.
Block 20, Lots 9 to 13.
Block 20, Lots 20 to 33.
Block 1, Lots 55 to 72.
Block 2, Lots 14 to 19.
Block 3, Lots 11 to 26.
Block 5, Lots 28 to 35.
Block 6, Lots 6 to 10.
Block 8, Lots 7 to 12.
Block 20, Lots 119 to 132.
Block 19, Lots 31 to 45.
Block 18, Lots 13 to 16.
Block 12, Lots 50 to 58.
Block 12, Lots 61 to 69.
Block 11, Lots 19 to 24.
Block 16, Lots 1 to 18.
Block 1, Lots 73 to 84.
Block 3, Lots 27 to 35.
Block 20, Lots 105 to 108.
Block 9, Lots 11 to 24.
Block 5, Lots 36 to 45.
Block 20, Lots 68 to 102.

LAST VICTIM FOUND

Kamloops, Nov. 23.—The fourth victim of the recent terrible fatality in the recent snowstorm here has been found. It is the body of little Lizzie Keefer.

MILITIAMEN'S PAY

Volunteers in Camp Will Draw Higher Remuneration—Learning Extended

Ottawa, Nov. 23.—The militia department will raise the standard of pay for men from 50 cents to $1 a day. The camping term will be lengthened from twelve to sixteen days.

Coming to Sale

Incoming steamers will carry many visitors who come to attend the sale of Section 2 lots. It is believed that many will buy elsewhere in the city as well as a result of their visit here.

Shrubsall's and Frizzell's handle Mayflower eggs.

A CHARMING CHATEAU WILL BE BUILT HERE

F. W. Bergman of the G.T.P. Hotel System Gives Impressions of the City and Tells of Arrangements for the Magnificent Building That is to be Built Here for the G.T.P. Company---Plans Have Been Altered to Make it Suitable to the Situation---It will be Seven Storeys High Looking up First Street.

After making a thorough inspection of the location of the G. T. P. hotel in the city F. W. Bergman, manager of the Chateau Laurier at Ottawa, who acts in an advisory capacity to President Hays in the matter of the hotel end of the company's service, left this morning for Vancouver on his way east. Mr. Bergman did more than inspect the locality of the hotel here. He practically covered the whole city, walking over the site as far as the cold storage plant and viewed the prospective hotel location from every point of view. He pronounces it an ideal one and classifies it as the best he has seen anwhere on the continent of America.

Mr. Bergman, who was formerly with the C. P. R., and knows all the hotels in Canada and most of them in the United States, says that he must pronounce the site here unexcelled by any he has seen any where else.

Commanding Position

It is designed to look up First Street, being located on the company's reserve between the water and First Avenue. The entrance to the hotel from First Avenue will be on a level with that street, and on the ground floor will be offices, etc. The next floor will be the guests' floor for the main part. It will have the dining room, the palm garden and other public rooms, which will command an unobstructed view over the water and the city. It will be planned so that the building will command a fine view out over the water, which is to be one of the great charms of the hotel.

Plans Altered

Under the practised eye of Mr. Bergman, alterations were made in the plans by the architect, F. M. Rattenbury, to meet the practical needs of the place. The height of the structure, Mr. Bergman thought rather too great to occupy such an elevated position. Accordingly the buildings has been reduced to seven stories, or about the same height as the Empress Hotel in Victoria.

The central part will rise to the full elevation, while on either side will be four-storey wings. These will be so constructed that they may be carried up later to the full height and conform to the general plan. As first constructed, there will be accommodation for about 300 rooms. This can be added to very materially when the wings are completed.

In order to allow more room in the main building there will be two smaller buildings erected close to the main one on either side. These will accommodate the power plant, the laundry, and the quarters for the help. They will be built to conform to the general plan and will thus add to the effect rather than mar it in any way.

In accordance with the scheme there will be very little excavation necessary, thus avoiding the expense of blasting out a large area. Building upon the higher level will give the building a a very commanding appearance.

Mr. Bergman is a man of utility. He does not believe in building an hotel that is not capable of being used to its fullest extent and for that reason he does not urge the completion of the whole structure at once, although he is undecided as to whether the local hostelry will not require to be quite well up to the permanent size.

May Have Farm

In connection with the hotel a farm may be located up the river to supply part of the fresh milk and vegetables. This has been found of advantage in other places, and at the Chateau Laurier this is to be done. A saving is effected and absolutely fresh material is ensured.

Speaking of the Chateau Laurier, Mr. Bergman says that it is easily the best hotel of its kind on the continent. The management of the G. T. P. is building nothing but the best to meet the needs of the trade, and Prince Rupert will have a building that it can well be proud of.

Prince Rupert's Advantages

The location of Prince Rupert, Mr. Bergman thinks, is an ideal one. When the bungalows are built on the pretty locations that abound here and substantial business blocks are built on the business streets the city will present a very striking aspect. Laid out by landscape gardeners, the city will not fall into the errors that have crept into some of the older cities.

The route along the Skeena, made by rail by Mr. Bergman, is, in his opinion, a delightful one, which will attract tourists in immense numbers when the road is formally opened. The hotel here will be one for all-round trade. It will be for the accommodation of the general travelling public as well as the tourists, the same requirements being demanded for each. Mr. Bergman does not believe in classifying hotels as the one planned as distinctly commercial houses or as tourist places. They are adapted to both.

Alaskan Travel

The Alaskan and northern traffic is every year increasing as the charms of this northern country are better known. Prince Rupert will have an important place in this trade, which is bound to be a good one.

Mr. Bergman leaves delighted with the general outlook here. The work of getting ready for the hotel will not take long and he is inclined to that the management of the G. T. P. will make an early start upon the work.

AN IMNENSE CEMENT DEPOSIT CLOSE TO CITY

Mining Engineer Reports That There is Within 83 Miles of Prince Rupert a body that will Supply all the Demands of the Northern Country---Product Would be Equal to the best Made in the Old Country---Immense Bodies of the Ore is in Place and can be Used to Produce High Class Output.

Within a very short time Prince Rupert will have no occasion to import its supply of cement from England, Germany, China or even Victoria. During the summer there was located near Shames a large deposit of crystallized limestone that is perfect for the manufacture of cement. Accordingly the locators staked the property awaiting an examination by an experienced mining engineer.

Alex. Faulds of Vancouver, who is well known in this city, returned last night from an examination of the property, and decides that the body is one from which cement better than any produced in the country and equal to that made from the Rivers Medway or Thames, regarded as the best in the world, can be made from this.

One of the great advantages of this body is the fact that there is no mixing of clay required. The limestone is of such a composition that all the manufacturer has to do is to go in and quarry it tand treat it, getting the highest grade of cement therefrom.

"There are millions of tons of this," said Mr. Faulds last night after his return from the location. "The deposits are located between Shames and Amsbury right on the line of the G. T. P."

The property is owned by local investors, who are associated with Vancouver interests. The question of what to do with the body has not been decided upon yet but it is probable that work will start very shortly in construction work. This will be done either by the present owner or by other interests which seek to purchase dependent upon the report of Mr. Faulds.

Within a very short time there can be cement manufactured to meet all the requirements of the north. Ideally located in point of transportation the formation is such that it be most economically handled. The works would be within eighty-three miles of Prince Rupert.

NEVER A BREACH

Hon. F. D. Monk Says There Never Was Any Serious Differences Between Himself and Borden.

Recalls Laurier's Entry Into Power, When He Took Diverse Elements Into His Cabinet

Ottawa, Nov. 23.—During the debate in the House of Commons this afternoon Hon. F. D. Monk, Minister of Public Works, said there never had been any serious difference between himself and Hon. Mr. Borden dealing with his action in voting for the resolution in the House in 1909 calling for Canadian action in support of the Mother Country.

He said he voted for it because at that time the British Empire was threatened by a danger. He added that a coalition government was a good thing. Sir Wilfrid Laurier should remember he took diverse elements into his cabinet in 1906.

J. F. McDonald has returned to the city from Hazelton.

TO PROTECT CANADIANS

Ottawa, Nov. 23.—Answering a question in the House of Commons, Hon. R. L. Borden said today that steps would be taken to protect the lives of Canadian missionaries now in China.

DIVIDED OPINIONS

Resolution at Conservative Convention Relative to Annexing Yukon Will Be Interesting

Vancouver, Nov. 23.—At the convention of the Provincial Conservative Association in New Westminster tomorrow the resolution to be presented calling for the enlargement of the province northward including the annexation of the Yukon Territory promises to give rise to a rather animated discussion. Opinions on the matter are very much divided.

J. Fred Ritchie returned from up the river yesterday.

RAILWAY ACCIDENT

Samur, France, Nov. 23.—Sixty passengers lost their lives here when the train carrying them plunged into the river by the collapse of a bridge.

FARMERS' BANK

Government, It Is Understood, Has Issued a Commission to Inquire Into It

Ottawa, Nov. 23.—It is understood that the government has decided to issue a royal commission to inquire into the failure of the Farmers' Bank.

Vote on Saturday

The vote on the Hays Creek Sewer Bylaw to provide $75 000 to put in a main trunk sewer to serve the district draining toward that stream will be taken on Saturday. The voting will be in the police court room.

The Camosun is expected to arrive from Vancouver Saturday noon.

YEAR'S DIVIDEND

B. C. Electric Company Declares 5 Per Cent. Dividend Upon an Investment of $25,000.000

Lower Coast Cities Are All Supplied With Tramlines by This London Corporation

Vancouver, Nov. 23.—The British Columbia Electric Railway Company has declared a dividend of 5 per cent. The company's investments in British Columbia total twenty-five millions, including the electric lines in Vancouver, New Westminster, Victoria and throughout the lower mainland.

The company's stock is largely held in London. From year to year large expenditures are being made in the province by this company.

Preparing to Build

A substantial hotel will be built at Kitsumkalum early in the spring. It will be of cement block made on the ground.

WILL ALLOW WALK

Council Decides to Put in Planking on Bonds Being Taken Over by Those Desiring it.

No Material Available by the City so Contracts Will Be Called for the Work

Relative to the sidewalk near the Junction, the Public Works Committee recommended to the City Council last night that the work be gone on with, at a cost estimated by the city engineer at $2,624, on the Finance Committee assuring itself that the bonds would be taken by Mr. Lynch and Mr. Besner, who offered to do so.

The city solicitor advised that the bonds should be taken before the work began.

Alderman Newton wanted to know if the Public Works Department could go on with this.

Alderman Hilditch felt that while the work would be better done by day labor, yet no provision was made for this and the city had no material on hand for it.

His Worship pointed out that it was doubtful whether a contractor buying such a small quantity of lumber could get it as cheaply as the city did in quantity.

It was decided to advertise the work.

MONTH IN JAIL

London, Nov. 23.—Mrs. Pethick Lawrence, the head and front of the suffragette invasion which was made on Tuesday upon the House of Commons, was sentenced today to month's imprisonment. She struck a policeman twice in the face in the melee.

ORDER FOR CEMENT

Westholme Lumber Company Is Given Award by the Council to Supply for City Hall

A recommendation was made by the Public Works Committee at last nights council meeting that the necessary cement be ordered from the Westholme Lumber Company.

Alderman Newton wanted to know if the concrete work could be done in cold weather.

Colonel Davis, asked to explain, said if severe frost came the cement work would have to stop.

Alderman Clayton thought if there was any danger of frost coming, and there was any material difference in the prices of the cement, he would not favor letting the contract to the Westholme Lumber Company, but would delay it until the lower priced cement arrived.

Alderman Hilditch explained that the lowest priced cement was the Vancouver Portland cement, handled by Mr. Forster. The chief objection to the lower priced cement was that it was shipped in sacks only and was open to deterioration from the wet. The cement from the Westholme Lumber Company had been thoroughly tested, while the other had not. The weights went to show that there was little difference in price.

The report was adopted.

AWARD CONTRACTS

The City Council last evening awarded the contract for the pipe, hydrants and valves. The engineer after considering the long list of tenders classified the lowest as follows:

For cast iron pipe, to Balfour, Guthrie & Co. for $63,110.88.

For hyrants, to Canada Foundry Company for $2,387.40

For valves, to Drummond, McCole & Co. for $1,865.30.

The council awarded these contracts, being the lowest.

E. H. Fletcher, post office inspector for this district, left this morning for Victoria, where he makes his headquarters. He made a thorough inspection of the local office on his visit here.

A RICH COUNTRY

Every day brings more prominently to the attention of residents of this part of the province the fact that new British Columbia is to be the greatest wonder in the matter of resources yet opened up on the coast. The announcement, that within eighty-three miles of the city, directly on the line of the G. T. P., is an unlimited deposit of cement producing rock that will supply the whole of the north.

Cement will play an important part in the building up of this city and the manufacture of it in unlimited quantities within easy reach of the city will have an important bearing upon the future of the place.

Local men are interested and it is said that capital has already been proferred to complete the development of the undertaking, which may be commenced within a very short time, adding to the wealth of the city and creating a source of business that will have an important bearing upon the future of the city's business.

POWELL RIVER PLANT

Big Pulp Mill Will Be Ready Definitely Next Month—Trials Already Made

The progress at the Powell River Pulp Mills, while not as rapid as might have been hoped, as the company expected to be in actual operation by the present month, has owing to unforeseen difficulties postponed the opening to the middle of next month, according to present plans, after preliminary trails, which have already been carried out.

R. N. Calkins says that the mill will have a capacity of 100 tons a days, the newspaper publishers and others using a large amount of paper having cause for satisfaction in the opportunity to purchase right in the province instead of having to meet the high freight rates from the east, where most of the paper has been bought in the past.

There are now 150 families located at the plant, and a school for fifty children is maintained in connection with the settlement. The intention is to run the mill at its full capacity, and the most modern machinery has been installed to enable the operations to be carried on most satisfactorily, and expeditiously. Mr. Calkins explained that when M. J. Scanlon, the millionaire Minneapolis lumberman, was at the works a few weeks ago, as one of the principal proprietors, he was greatly pleased with the plant.

ADVISES PUBLIC SPIRIT

T. D. Pattullo, who is back to the city for the sale in Section 2 seems to have lost none of his faith in Prince Rupert by his residence in the south. Speaking to the Journal, he said he has the utmost faith in the place. It is going to be a splendid city, and that very quickly.

Coming back after several months' absence, he says he is struck by the progress that has been made and the altered appearance of the streets for the better.

Living away from the city, the ex-alderman says he can look a little more dispassionately upon the situation. He admonishes the citizens to get in and work for Prince Rupert. All party differences should be sunken in the effort to make the very best out of the city. If this is done the place will reflect the added interest which must be manifested.

He expects to see practically all the property in the business section of the city worth $1,000 a foot within a very short time.

Mr. Pattullo will stay here until after the sale.

WILL VISIT CANADA

Mrs. Pankhurst, the lated English suffragette is expected to arrive in Montreal, on December 15, and will lecture in Stanley Hall on "The English Women's Fight for the Vote." Mrs. Pankhurst, who has lectured in all the leading cities of the United States, visited Toronto last year, and is said to have won many recruits to the suffrage cause. She lectured before the Men's Canadian Club, and was given a warm welcome. She is a native of Manchester, England, and comes of revolutionary stock, her father having been a radical politician in the Peterloo Franchise riots in 1819, when he narrowly escaped with his life. As a student in Paris, Mrs. Pankhurst met a roommate of a daughter of Henri Rochefort, and from her caught the republican spirit. In Manchester she met and married Dr. Pankhurst, a barrister, who has been a member of the first woman's Suffrage Society, founded by John Stuart Mill. In 1903 Mrs. Pankhurst, with her daughter, Christabel, formed the Women's Social and Political Union. It is expected that her Canadian tour will include a visit to western Canadian cities.

CANCELLATION OF RESERVE

NOTICE is hereby given that the reserve existing over Crown lands on the Morrice River, Range 5, Coast District, notice of which bearing date of May 5th, 1910, was published in the British Columbia Gazette of May 5th, 1910, is cancelled in so far as it relates to the lands surveyed as Lots 3881, 3882, 3883, 3884, 3885, 3886, 3887, 3888, 3889, 3890, 3891, 3892, 3893, 3894, 3895, 3896, 3897, 3898, 3899, 3900, 3901, 3902, 3903, 3904, 3905, 3906, 3907, 3908,, 3909, and 3910.

ROBERT A. RENWICK,
Deputy Minister of Lands.
Department of Lands, Victoria, B. C.
September 12, 1911. s22-d22

WATER NOTICE

WE, Henry Newton Boss, of Victoria, B. C., occupation Broker, and John Bruce Johnstone, of Lakelse Lake, B. C., post office address, Copper River, B. C., occupation Fishery Employee, give notice that on the twenty-second day of December, 1911, we intend to apply to the Water Commissioner at his office in Prince Rupert, B. C., for a licence to take and use three-fourths of one cubic foot of water per second from the Lakelse Hot Spring, situated on Lot 684 in the Skeena Land Division of Coast District, Range 5. The water is to be taken directly from the west side of the spring and is to be used on that part of Lot 684 described as follows:—Commencing at a point on the north boundary line of Lot 684, said point being about 400 yards west of the northeast corner of said lot; thence south 5 chains; thence east 6 chains; thence north 5 chains; thence west 6 chains; for industrial purposes.

NORTHERN ANTHRACITE COLLIERIES LIMITED

HAS BEEN INCORPORATED WITH THE FOLLOWING OFFICERS:

D. R. YOUNG HAS CONTRACTED FOR THE PURCHASE OF TWO BLOCKS OF SHARES OF 100,000 SHARES EACH, AND THEY ARE BEING SOLD BY A. E. KEALEY, FISCAL AGENT, FOR THE PURCHASER.

T. S. Gore, President, Victoria, B.C. **A. S. Innes, Victoria, B.C.**

J. C. Keith, Vice-President, Vancouver, B.C.

Arthur E. Hepburn
Christian F. J. Galloway } **Consulting Engineers, Vancouver, B.C.**

F. H. Hepburn, Secretary, 317-317 Winch Building

Kenah & Nesbit, Auditors

$85.00 Profit

IN SIX MONTHS ON AN INVESTMENT OF $15.00 IS GOOD ENOUGH FOR ANYONE

33,000 SHARES HAVE BEEN ALREADY SUBSCRIBED FOR

The Diamond Drill on the Ground Today
Limited Amount of Stock at 15 Cents---5 Cents Cash

Read this offer over carefully. Be sure that it is right, then don't wait. The owners take a chance with you. They put up the coal lands and you put up the money to prove the coal, one-half of the stock for you, and one-half for them. This is one of the fairest and best offers ever made to the public under ironclad conditions. A business proposition from start to finish, there is nothing on the market like it. Leases and Crown grants to over 3,500 acres of the best coal lands on Queen Charlotte Islands are being conveyed free from all encumbrances to the Northern Anthracite Collieries, Ltd., capital stock 1,500,000 shares, par value of $1.00 each; one-half of this stock for the treasury and one-half for the owners of the land. The first 100,000 of these shares of par value of $1.00 each, non-assessable and fully paid up, are to be sold at 15c, 5c with application, 5c in 30 days and 5c in 60 days. The proceeds from this block of stock will be used proving these coal lands with a Diamond Drill under special contract, and in charge of competent management. It is expected that the proceeds from this first block of stock will be sufficient to put down at least three or more boreholes of 1,000 feet each. This will undoubtedly cut one or two seams of splendid coal—then see your stock jump. Satisfactory tenders have been accepted and a contract let to the Diamond Drill Contracting Company of Spokane, Wash., for the boring and drilling operations. As an emergency, and to be absolutely on the safe side, a further block of 100,000 shares of treasury stock will be offered at 25c per share, 5c on application and 5c per month until paid, as soon as the first block has all been subscribed.

Now, use your own judgment, but consider carefully what your chances are of making $85.00 on an investment of $15.00 in six months, or $1,000 on an investment of $150.00, for as sure as the sun rises and sets this stock will go to $1.00 at least as soon as the drill cuts through the seams of splendid coal that are surely there, according to all experts' reports of the highest obtainable authority, who have reported on the Queen Charlotte Islands coal measures as follows: T. R. Marshall, F.C.S., 1902; Dr. George M. Dawson, D. S., A.R.A.R.S.M., F.G.S., 1878; H. E. Parrish, John J. Langdale, 1867; James Deans, 1872; James Parkinson, 1888; R. W. Ellis, 1906; T. B. Cory, of the State of Washington, U. S. A., and our own expert, C. F. J. Galloway, B.Sc., who is among the best authorities in B. C.

These reports cover first the Wilson-Robinson coal fields, three miles north of this coal land; second, the Old Cowgate coal fields, almost adjoining on the west; third, the Alfred Bay coal fields on the south; and fourth, the company's own coal, all of which are positive evidence that this is one of the best coal fields on the Queen Charlotte Islands. Situate on Graham Island, Bearskin Bay, one of the best harbors in the north, at the gateway of transportation to all points of the world, and at the very doors of Queen Charlotte City; in fact, a portion of this coal underlies the townsite. No railroads to build—just load the coal from the mines to the boats. These are facts that defy contradiction, and within five days the Diamond Drill will be on the ground and in operation. This is the only way anyone can tell how many millions of tons of coal there is in the property.

All applications will be filed in order received, and only 100,000 will be sold at 15c.

How many times in your life have you had a chance like this? A square deal for once at least in a stock proposition, with almost a certainty of the stock being worth $1.00 before you have made your third payment at 15c. Do not hesitate. Send in your application today.

For further information call or write to the head office of the company, 506 Pacific Building, where the report of C. F. J. Galloway, B.S.C., on this coal land can be seen. His report is all that could be asked, practically saying that the coal is there beyond a doubt, with sufficient evidence in sight to warrant drilling and development work at once.

Paragraph From Mr. Galloways Report

"The easiest seam to prove will be the Cowgitz, as its horizon is known. I should, therefore, recommend you to put down a borehole near the eastern end of your easternmost section. At the point marked C on the map the position of this seam should be passed through at a depth of about 500 feet, the Camp Anthracite seam being probably passed through in the same hole, if it occurs at all in this locality."

All promoters' stock is to be pooled until $200,000 has been raised for the purpose of developing the mine.

In conclusion, you will have the satisfaction of knowing that your money is all goinng into proving the coal is there, not into the promoters' pockets nor to pay for a dead horse of any kind, as the coal leases and titles are all paid for and clear of all encumbrances and will always be a valuable asset. Fill out the application form for any number of shares you want and address your application to H. F. McRae & Co., Second Avenue, Prince Rupert, who are the authorized agents to receive applications and receipt for same. All cheques or money orders should be made out to them. You are requested to make any enquiries not answered in this advertisement, which will receive a prompt answer. The solicitors for all concerned are Burns & Walkem, 415 Winch Building, Vancouver, B. C.

Capital $1,500,000----1,500,000 Shares of $1.00 Each

Municipal Notice

TAKE NOTICE that the Municipal Council of the City of Prince Rupert has fixed Saturday, the 25th day of November, 1911, at the City Police Station, Prince Rupert, as the time and place for taking the vote of the electors on a Bylaw of the City of Prince Rupert to create a debt of $75,000 by the issue of debentures for the purpose of providing money to construct a main sewer to discharge in Hays Creek.

And further take notice that the poll shall be taken by ballot, and that the poll booths shall be kept open on the said 25th day of November, 1911, from the hour of 9 o'clock a. m. to the hour of 7 o'clock p. m.

And further take notice that Peter McLachlan has been appointed Returning Officer to take charge of said poll.

Dated at Prince Rupert, this 10th day of November, A.D. 1911.

ERNEST A. WOODS,
City Clerk.

BYLAW NO. ....

A BYLAW OF THE CITY OF PRINCE RUPERT TO PROVIDE FOR THE CONSTRUCTION OF A MAIN SEWER TO DISCHARGE IN HAYS CREEK, AND TO CREATE AND SECURE A DEBT FOR THE PURPOSE OF CONSTRUCTING THE SAID SEWER, AMOUNTING TO $75,000.

WHEREAS, by the Municipal Clauses Act and Amending Acts, the City of Prince Rupert is authorised to construct, operate and maintain works for s wage purposes;

AND, WHEREAS, it has been considered necessary that a sewage system should be constructed at the present time by means of a main line from Man-hole No. 8, as shown upon the plan now filed in the office of the City Clerk, and running down to Man-hole No. 28, as shown upon said plan;

AND, WHEREAS, it may be necessary hereafter in some detail to alter the line of the said sewer,

NOW, THE MUNICIPAL COUNCIL OF THE CORPORATION OF THE CITY OF PRINCE RUPERT do hereby enact as follows:—

1. It shall be lawful for the City of Prince Rupert to construct a main sewer from Man-hole No. 8, as shown upon the plan of the said sewer line now filed with the City Clerk, to Man-hole No. 28, as shown upon said plan.

2. And it shall be lawful for the said City to divert from the said plan in such way as the engineer for the time being engaged by the City of Prince Rupert may see fit, it being generally understood that authority is hereby given to construct a main sewer from the point marked on said map, Man-hole No. 8, to Man-hole No. 28, by the best possible line.

3. And for the purpose of paying for the said sewer line hereinbefore mentioned, it shall be lawful for the City of Prince Rupert to raise the necessary amount by debentures as hereinafter mentioned.

4. AND, WHEREAS, it will be required to raise the sum of Seventy-Five Thousand Dollars ($75,000) for the purpose of paying for the said sewage line;

5. AND, WHEREAS, the City intends to issue Debentures for the said Seventy-Five Thousand Dollars ($75,000) by the sale of which to realise the moneys necessary for the said purpose, the said Debentures to extend for a period of Fifty (50) years;

6. AND, WHEREAS, this Bylaw cannot be altered except by the consent of the Lieutenant Governor in Council,

NOW THE MUNICIPAL COUNCIL OF THE CITY OF PRINCE RUPERT further enacts as follows:—

7. That for the purpose of paying for the construction of work hereby authorised the City of Prince Rupert is hereby empowered to create a debt of Seventy-Five Thousand Dollars ($75,000), which debt shall be payable in Fifty (50) years from the date when this Bylaw comes in force, for which debt debentures shall be issued to be secured in manner in this Bylaw mentioned.

8. The sum of Five Hundred and Seventy-Two Dollars and Fifty-Three Cents ($572.53) is necessary to be set aside annually during the currency of the said Debentures for the purpose of forming a sinking fund with which to pay the said debt and debentures at maturity; the said sum of $572.53 to be raised annually as a sinking fund, and, further, the sum of Three Thousand Three Hundred and Seventy-Five Dollars ($3,375) is necessary to be raised as interest during the said term, and the currency of the said Debentures.

9. The said sums necessary to pay the said sinking fund and interest shall be annually collected as a tax against the taxable property in the City of Prince Rupert.

10. There shall be issued any number of Debentures, to be made for such sums as may be required for the raising of the said sum of $75,000, and the said Debentures may be either for currency or sterling money for not less than $100.00 currency or £20 sterling each, and not exceeding in the whole the sum of $75,000; and the said Debentures shall be duly prepared, executed and sold for the purposes aforesaid.

11. The said debentures shall be deemed to have been properly executed by being signed by the Mayor and the Treasurer of the City, and shall be sealed with the Corporate Seal.

12. The said Debentures shall bear the date of the passing hereof, and shall contain a promise to pay the amounts secured thereby and the interest thereon at the rate of Four and a half per cent (4½%) per annum, payable half yearly on the first day of January, and the first day of July, and may be with or without coupons for interest; and if coupons are attached same shall be equivalent to one half year's interest at the said rate, payable half yearly.

13. Said Coupons shall be properly executed by having written, stamped, printed, or lithographed, thereon the names of the Mayor and Treasurer of the said City.

14. Each Coupon shall be numbered with the number of the Debenture to which it is attached.

15. The said Debentures shall be made payable at any place in England, the United States or Canada therein set forth.

16. The said Debentures when issued and sold and any Coupons thereto attached shall be deemed a valid and binding charge upon the said City of Prince Rupert.

17. The amount of debt authorised by this Bylaw is subject to consolidation with the amount of any other debt authorised by any other Bylaw of the said City, and notwithstanding anything herein contained authorising and directing, the issue and sale of Debentures for the payment of the debt thereby created, the City of Prince Rupert Consolidated Stock may be issued in the place and stead of the Debentures to the amount of such debt.

This section shall apply only in so far as the City may be empowered by law so to do.

18. It shall be lawful for the council during the construction of the works hereinbefore provided for to borrow money from any bank at interest to be agreed upon willing to advance the same for the purpose of paying for the said works or any part thereof, and for such loans to hypothecate the debentures to be issued hereunder provided that such loans with interest shall be repaid out of the sums of money to be realised upon the sale of the said Debentures.

19. The Council may sell the said Debentures at less than par if it is found advisable to do so.

PASSED THE MUNICIPAL COUNCIL OF PRINCE RUPERT (the 6th day of November, A. D. 1911.

WM. MANSON,
Mayor.
ERNEST A. WOODS,
Clerk.

RECONSIDERED AND FINALLY ADOPTED BY SAID COUNCIL, the .... day of ..... A. D. 1911.

.....
Mayor.

TAKE NOTICE that the above is a true copy of the proposed Bylaw on which the vote of the Municipality will be taken at the City Police Station at Prince Rupert, on Saturday, the 25th day of November, 1911, from the hours of 9 o'clock a. m. until 7 o'clock p. m.

ERNEST A. WOODS,
City Clerk.

NOTE—Section 76, Municipal Clauses Act, reads as follows:—

"Notwithstanding anything contained in any Act to the contrary, no person shall be entitled to vote upon any bylaw for raising money upon the credit of the Municipality, or any bylaw to which the assent of the electors is necessary, unless he or she is the assessed owner of land or real property in such Municipality according to the last revised assessment roll as added to or altered up to five clear days before the day of voting on the bylaw."
