CONCENTRATED ACTION BY POWERS IN BALKANS

A DECIDED CHANGE IS EXPECTED IN EAST SHORTLY

GERMANY HAS CLOSED SWISS FRONTIER WITHOUT REASON

Geneva, Nov. 25.—Germany has closed the Swiss frontier from Basel to Constance. It will probably remain closed for a week it is said. The reason for the action is not known.

J. A. KIRKPATRICK TO JOIN NORTHERN CORPS

Local Merchant and Pioneer Of City Will Be Paymaster Of Battalion.

J. A. Kirkpatrick returned to the city yesterday after a trip made to the south, where he was called to confer with Major Warden, the officer commanding the new regiment that is to be raised in Northern B. C. It is announced that Mr. Kirkpatrick will be paymaster of the new battalion. He will leave in a few days to enter upon his duties at the district headquarters at Work Point.

Ever since the war broke out Mr. Kirkpatrick has had a desire to be of service in the Canadian overseas forces and "do his bit." While he would be indignant at the suggestion that his age was any barrier to enlisting, the fact remained that he had passed the age at which recruits were received. He decided, however, that if his services would be of any use in a non-combatant position as paymaster or quartermaster he would be ready to do his part when debarred from the combatant end. He therefore volunteered his services, and as a result was called south to confer with the officer commanding the regiment and with the district officers including the District Paymaster.

As a result of this conference he has been assigned the post and will start at once getting his training under the direct eye of the District Paymaster.

The selection of Mr. Kirkpatrick is a happy one. He is a native born Canadian, proud of his native land, and anxious at all times to bring credit upon it. He has been a pioneer of the north and will be untiring in his efforts on behalf of the men of his regiment.

GERMANS FOUND THAT BRITAIN RULED THE WAVES

New York, Nov. 25.—Evidence of the Hamburg-American Directors describes how they chartered sixteen steamers after the war to replenish the German fleet at a cost of $2,000,000. Captain Falkenburg, says his steamer, the Berwind, was the only one to reach the Germans. The other fifteen were captured by the British.

METHODIST CHURCH TO HOLD NOVEL EVENING

Contests In Many Lines Will Be Conducted After Welsh Style.

In the Methodist Church this evening an entertainment is to be held which promises to be one of special mert and most novel in its character. It is an Eisteddfod, a Welsh form of entertainment, at which will be held competitions in impromptu speaking, vocal and instrumental music, cooking, reading, reciting and many other lines.

Elaborate arrangements have been made for the event. Refreshments will be served at nominal prices at a Welsh tea room in the basement of the church, where young ladies in typical Welsh costumes will be in waiting. The admission to the entertainment is fixed at 25 cents.

MONSTER SALE STARTING AT ACME CLOTHING

On Saturday The Immense Stock Will Be Offered At Cut Rates.

The Acme Clothing House, which bears a splendid reputation in a business way, is putting on a monster sale starting Saturday. The house is this time putting on no ordinary sale, but has a tremendous stock of goods from which to select. Mr. Louis, an experienced sales conductor is in charge, and is determined to reduce the big stock to the lowest point possible.

Residents should consult the prices and make selection from this well assorted stock.

W. Carmichael, who has for five years been in the employ of the G. T. P. here, left yesterday for Glasgow, Scotland.

CHILEAN BARQUE LOST WITH ALL HANDS OFF VANCOUVER ISLAND

Tacoma, Nov. 25.—The Chilean barque Carlmapu has been lost with all hands, numbering 25, off Vancouver Island. The vessel was driven ashore in a terrific southwest gale, one mile east of Gowland Rock, Schooner Cove, on the West Coast of Vancouver Island. The vessel pounded to pieces after hanging several hours on the rocks.

At risk to herself the C. P. R. steamer Princess Maquinna attempted to go to her rescue, but owing to the tremendous sea running ashore at the time, was unable to approach. The crew of the Chilean vessel were washed off the deck and drowned one by one within sight of the helpless men on the Maquinna.

CATHOLIC BAZAAR HAS MAGNIFICENT SUCCESS

The Results Exceeded The Expectations Of Those In Charge.

The expectations of those in charge of the Catholic Bazaar were exceeded by far. The church function closed last night with the awarding of the prizes and drawing. A large sum was netted for the church, in spite of the fact that so much money has been donated to the Red Cross cause of late.

A dance was held last evening when a very pleasant time was spent. Refreshments were served throughout the evening and all seemed to enjoy themselves immensely.

A great deal of interest centred around the drawings. The gold watch, given by Rev. Father Bunoz, was won by Miss Kenny, of Edson; the easy chair, given by Geo. D. Tite, went to a resident of Edson also; the tea set, donated by H. S. Wallace, was won by J. G. Scott; the silver salver, given by M. P. McCaffery, was won by Miss Grace Davis; the carving set, donated by Mr. McNulty, was won by Mrs. Carpenter; the water color painting, given by Mr. Pierce, went to Tony .....; the smoking jacket, given by M. O'Reilly, was won by Miss Morrissey; the lace collar, presented by Mrs. Ward, was won by Mrs. Besner; the tea cloth, given by Mrs. Fred Penring, was won by D. Kelly; the baby's carriage robe, presented by Mrs. Besner, was won by Dr. Tremayne; a cake, presented by Mrs. Morrissey, was won by Mrs. J. Fred Ritchie; and a box of candy was won by Miss Hassen.

British, French, Russian And Italian Armies To Co-Operate In Attack On Balkans From All Sides Which Will Change Situation

London, Nov. 25.—The situation in Serbia is picking up. The French army which is apparently in greater force there than has hitherto been supposed has pushed ahead by forced marches with astonishing rapidity. It is attacking the Bulgarian army at Pripet incessantly. The French army which possesses superiority in heavy artillery has definitely turned the tables against the invaders, who have been hard put to hold their own.

United Action.

Sensational developments are expected in the Balkans within the next two weeks if not sooner. Definite entry of Italy from the Adriatic of Russia and perhaps Rumania from the east it is believed will soon change the situation and compel the Teutons to revise its carefully laid plans for an onward sweep to Constantinople and beyond.

Settlement With Greece.

As a result of the interview between Lord Kitchener and King Constantine, the Greek situation has been settled to the satisfaction of the Allies.

Greece has agreed that the Allies are to have free use of Macedonia as their headquarterrs, while the Allies have promised that Greece will have compensation for the concession, after the war.

Shipping Free Again.

The blockade, which had been placed upon Greek shipping has been lifted.

The Allies are already building a power plant and enormous barracks, with army shops, at Saloniki.

FATHER TO MAIMED SON.

The fol'owing lines, composed by Horace Mills, the English comedian, well known to many old country people, were written to his only son, Captain Horace Leslie Mills, of the Sherwood Foresters, who lost his right arm at the Dardanelles. The verses were published in some of the London papers.

TURSUM CORDA!

(To my son, wounded in action.)

Take heart, dear boy, when doubts assail,
Yours be the pride of vic'try won.
Your empty sleeve proclaims the tale
Of danger scorned, of duty done.

One of those thousands, broken, maimed,
Who seek no cross, no crowd's applause;
The strong right arm your country claimed
You gave, a tribute to her cause.

'Tis yours to shame the craven, who
Heed no call, no beat of drum,
Who yet shall look on such as you
With envious eye in years to come.

Take heart! Altho' you've sheathed your sword,
You've trod the path that heroes trod.
Take heart, dear boy! and your reward
Leave to your country and your God.

—Horace Mills.

BAKESHOP WAS SCORCHED BY FIRE

The Fire Brigade Extinguished Blaze Before Serious Damage Occurred.

About 2:30 this morning the "Peter Pan" bakery, near the city hall, was slightly damaged by fire. One of the police fortunately discovered the fire before any great headway had been gained, and the fire brigade shortly afterwards had the blaze extinguished.

The fire was caused from an overheated oven.

HOSPITAL BOARD AND INSURANCE

QUESTION OF BOARD OR NON-BOARD COMPANIES CAME UP

The Finance Committee Have To Deal With Question At Once.

The Board of Directors of the Hospital met last evening in the city hall for the transaction of general business. A report from the matron informed the Board that one of the probationers was sick and would be unable to return to duty for some months. She recommended the taking of another probationer.

The recommendation was endorsed by the Board.

The secretary reported that $6,000 worth of insurance expired in a few days. The rates of Board and non-Board companies were shown to be $45 and $36 per $1,000 for three years. The Board discussed the question at some length, finally referring the matter to the Finance Committee for action.

The accounts were referred to the Finance Committee with power to act.

ITALIANS ARE MAKING PROGRESS IN THE GORIZIA

Rome, Nov. 25.—Five more fortresses in the Gorizia district have fallen. The Italians have taken many prisoners, including some of the highest rank, and are pressing on resistlessly with heavy artillery pounding down all defences of the enemy. Good work is being done by aeroplanes in establishing locations of vulnerable points in the fortifications.

THE DRYDOCK.

What the exact plans of the G. T. P. are with respect to the drydock here have not been revealed. It is evident that the dock is constructed for actual work. The G. T. P., as would be the case were it owned by any private individual, undoubtedly is open to engage in a commercial way and utilize the dock plant. The Dominion Government manifested a deep interest in seeing the dock completed. The Government, we should think, would now use its best endeavors to see that business is secured for the dock. The good offices of the Dominion Government, we should imagine, would be of very considerable value in the diverting of contracts towards this dock. There are small craft being constructed for the Admiralty in Canadian docks, and in some instances where there are no docks. It would seem but the natural thing that some influence should be exerted by the Government to turn some such contracts here, now that the dock is ready for carrying them out. If that were done the company would be placed in a position where a staff would be employed, and where material would be on hand. This would enable the company to take care of any repair work that may present itself, like that of the steamer City of Seattle.

Hon. Robert Rogers, on his recent visit to the coast, seems to have conveyed to the people of Vancouver the need of docking facilities there. We are inclined to think that some assistance in the securing of work for a dock like the one here would be of quite as much importance. The Dominion Government will have overhauling of its ships during the winter months. Why cannot some of that work be done here? This city might well bring pressure to bear upon the powers that be, in order that we should get what would benefit, not only the companies directly concerned here, but would be of decided advantage to the citizens indirectly.

SYNOPSIS OF COAL MINING REGULATIONS.

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories and a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 per acre. Not more than 2,560 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only; but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 per acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.
