SERBIANS RETIRING IN PERFECTLY GOOD ORDER

ONLY A FEW DAYS UNTIL ASSISTANCE ARRIVES

FIGHTING HAS BEEN IN PROGRESS ALONG THE WEST

French Are Fighting Bulgarians In Serbia Reinforcements Coming

London, Nov. 4.—An artillery duel has been in progress virtually all day in the Strumitza region between the French and the Bulgarian armies.

The Serbians are reported to be retiring in good order from Fetovo before numerically superior forces.

In Bubuna Pass the Serbians are continuing to repel the furious assaults of the Bulgarians.

Generally speaking, the situation of the Serbians is extremely critical. It is declared, however, that if they are able to hold out a little longer the situation will take on an altered complexion. Further re-inforcements of Allied troops are being moved rapidly forward to aid the Serbs in their gallant defense of their country.

FUSILIERS PUBLISHING FORTNIGHTLY PAPER NOW

The Vancouver Regiment Represented Here Prints The Swagger Stick.

The 11th Irish Fusiliers of Vancouver, which regiment furnishes the garrison here, has begun the publication of an official journal which will be called The Swagger Stick. Pte. William Morris, the editor, who was formerly a member of the South Vancouver School Board, announces that The Swagger Stick will be printed once a fortnight. The management

More Fighting Along Western Front At Different Points

Paris, Nov. 4.—An official report says in Belgium our artillery has directed against the enemy's positions, in the region of Lombaertzyde, a prolonged bombardment. We shelled effectively the German batteries which replied upon our trenches.

Violent artillery actions have taken place in Artois in the sector of Givenchy Wood.

To the south of the Somme, in Champagne, the struggle has continued during the day with greater activity. Near Hill 199 we first drove the enemy completely from the first section of our advanced trenches, which we still held yesterday at the end of the day. A new attack of extreme violence permitted him to gain a footing at several points on some of the fronts for a very limited extent in depth. One other attack against our sector at Lacourtine was completely repulsed.

In Vosges the artillery duel was resumed in the region of Violu, at the same time there took place a spirited struggle with trench guns.

LANDO'S STORE IS TO BE CLOSED SHORTLY

Bargains To Be Offered At Sale Which Starts Saturday.

On Saturday a closing out sale will commence at Lando's Store on Third Avenue. With only twelve days to run before the lease of the store expires, the firm will make quick work of selling the goods.

The sale starts on Saturday morning and most sensational reductions are promised by the proprietor, who has an excellent stock to choose from.

Died In Ireland.

Harry Morton, formerly a resident of Prince Rupert, has died in Irelan. He will be remembered by many of the old-time residents of this city, having been bookkeeper for G. W. Morrow and for J. H. Beatty at different times. He was on a visit to Ireland when he died according to the word received here.

Notice to Working Men

The Granby Consolidated Mining, Smelting and Power Co. of Anyox, B.C.

WISH TO NOTIFY THE WORKING MEN OF PRINCE RUPERT AND DISTRICT THAT THERE ARE MORE MEN IN ANYOX LOOKING FOR WORK THAN THE COMPANY CAN EMPLOY AND MEN ARE HEREBY ADVISED NOT TO MAKE THE TRIP TO ANYOX WITH THE EXPECTATION OF BEING EMPLOYED.

THREE CARS OF COPPER ARRIVED

G. T. P. STEAMER HENRIETTE BROUGHT IN SHIPMENT

Product Was Brought From Granby Smelter Yesterday To Be Shipped East.

The G. T. P. freighter Henriette brought from Granby smelter at Anyox three carloads of blister copper yesterday. This represented about 100,000 pounds, which was transferred at once to cars here and shipped east over the line.

It is believed that the shipments by way of Prince Rupert are to be increased from now on. The new schedule of the steamers allows better opportunities to ship now as greater time is allowed the vessels in the north.

Under the new sailing schedule the steamer Prince George left last night for Anyox at midnight. She is due to return at 5 o'clock this afternoon, leaving for the south again at 9 o'clock Saturday morning.

NO ANNOUNCEMENT AS TO SERF INLET

PRESIDENT HELLER OF THE BELMONT-CANADIAN COMPANY RETURNING

He Will Leave For South On Saturday After Inspection.

Clyde A. Heller, of Philadelphia, President of the Belmont-Canadian Company, which controls the Surf Inlet gold mines under an option, will leave for the south on Saturday by the G. T. P. steamer on his way to San Francisco. He is accompanied by George H. Garrey, of New York, another of the Directors of the company.

They have made an inspection of the property at Surf Inlet where Superintendent Holler is in charge of the work. Mr. Holler is here also and will accompany the officials to Vancouver. At the latter point an expert for the company will be met. The expert was to have come north to the property with them, but sickness prevented it.

Seen at the Hotel Prince Rupert, where he is a guest, Mr. Heller said he did not care at the present time to say what the plans of his company was respecting the mine. They had still until December 31 to run before deciding what course to follow with regard to taking over the property under the option. Up to the present they had spent about $125,000 on it, testing out the property and carrying out development work.

The mine is one in which the values are in gold only. If it is decided to take it over and work it the proposition would be one for cyaniding. The company has about 50 men working there.

Mr. Heller during his stay here

British Progressing With Small Loss In Southeast Africa

London, Nov. 4.—An official statement has been made today regarding the operations in the Kamerun region, in German Southeast Africa. It says that the towns of Bamenda and Banice have been occupied by the British, whose casualties have been small.

Kamerun, which became a colony of Germany in 1884, has a population of about 4,000,000. The white population is small, however, being only 1,225 in 1908. The country is adapted to agriculture and stock raising.

To Hold Court.

Judge Young left for Hazelton yesterday morning. He will hold court there.

CANADIAN PATRIOTIC FUND

Seventy cents per capita of population, men, women and children, was Canada's contribution towards the support of soldiers' families during the first year of the war. While this was more than sufficient for the requirements of that period, it falls considerably short of the contribution that will be required during the next twelve months. The total estimated requirements for that period will be $7,500,000 or about $1.00 per head of population.

This amount should be easily raised once the prime importance of the Patriotic Fund is realized. Soldiers are essential to British victory. Soldiers are only obtainable if decent provision is made for their families. The public, through the Patriotic Fund, must make that provision.

The following tables show the contributions by provinces during the first year and the estimated requirements by provinces during the second year.

FIRST YEAR.

Contributions by Provinces—To September 30th, 1915

	Population	Amount raised	Per Capita contribution
Maritime Provinces	900,000	$ 325,000.00	$ .36
Quebec	2,100,000	1,675,000.00	$ .80
Ontario	2,600,000	1,750,000.00	.68
Manitoba	525,000	750,000.00	1.42
Saskatchewan	600,000	240,000.00	.40
Alberta	500,000	238,000.00	.48
British Columbia	475,000	372,000.00	.78

Average for Dominion—70 cents per capita.

SECOND YEAR.

Estimated requirements for year commencing Sept. 1st, 1915.

	Poulation	2nd year	Per capita load
Maritime Provinces	900,000	$ 550,000.00	$ .61
Quebec	2,100,000	1,250,000.00	.60
Ontario	2,600,000	2,400,000.00	.92
Manitoba	525,000	1,000,000.00	1.90
Saskatchewan	600,000	600,000.00	1.00
Alberta	500,000	1,000,000.00	2.00
British Columbia	475,000	650,000.00	1.37
Head Office Relief & Expenses		50,000.00	
		$7,500,000.00	

Say $1.00 per head

The expenses of administration are interesting as showing what can be done by effective organization and businesss management. The Fund has not merely to spend its money. Much of its energy is devoted towards safeguarding itself against the greedy and the unscrupulous. But for the thorough work of the Head Office and Branches many thousands of dollars would have been given to persons not entitled to assistance. To get through the first year of its existence, therefore, on a combined expenditure of $70,000 is a feat to be proud of. By far the greater part of this amount was covered by the bank interest earned on deposits, so that the actual impairment of the Fund only amounting to 65 cents for every $100.00 of expenditure.

Seventeen Car Loads Of Fish Shipped Out Yesterday

Following the prompt discharge of the fishing vessels that had arrived during the two days previous, yesterday morning saw seventeen cars of fresh fish dispatched east over the line of the G. T. P. The railway company aided in every way possible in getting the fish sent to its destination with as little delay as possible. Accordingly a special train was made up in the morning and sent on its way before the regular passenger train started. A shipment of thirteen express refrigerator cars went out with that train. In addition to that it picked up some salmon shipments at the canneries.

The regular passenger train leaving a little later had four cars of fresh fish, so that seventeen cars are now on their way to meet the demands of the east for the famed Prince Rupert halibut.

There will be quite heavy shipments to go out tomorrow. With the continuation of better fishing weather it is possible that much quicker returns will be made to port by the fishing craft for a time.

LIGHTER RECEIPTS IN FISH LINE

LESS THAN 100,000 POUNDS OF HALIBUT REACHED PORT YESTERDAY

The Tyee Came In With 50,000 Pounds Of Fish.

Prince Rupert has become spoiled as far as halibut catches are concerned by the record made recently. When yesterday there were less than 100,000 pounds of fish brought in the day was considered an off one in a fishing line.

Of the boats that came in yesterday the Tyee was the top one. She brought 50,000 pounds, which were bought by the Canadian Fish & Cold Storage Company. The company's own vessel, the Chief Skugaid came in with 7,000 pounds after a short trip out. The Thelma also came in yesterday with 12,000 pounds.

SERIAL BONDS.

In view of the fact that the question of introducing into this city's financing the serial bond system, it will be the duty of citizens generally to study that style of issue. It is said to be no unusual method in the United States, and the city officials who have investigated the system are satisfied that it can be worked out to advantage here. The City Treasurer, Mr. Johnson, and the City Solicitor, Mr. Peters, have had wide experience along the lines of financing, and should therefore have good judgment in such matters. It is said they have taken advice of financial men of repute outside and they are satisfied that advantages will come to the city by adopting the method. In the private bill it is proposed to bring before the Legislature at the coming session, the right to adopt this system in connection with the bond issues will be sought. In the meantime the fullest consideration possible should be given this matter by local citizens, who will want the fullest information on the question. The great advantage in connection with the serial issue, is that the money which is paid yearly by the property owners is not allowed to accumulate in the bank as sinking fund drawing a very low rate of interest while the principal remains the same. The principal of the debt is being reduced regularly, and the interest thus decreased from time to time.

took occasion to look into the town and its outlook. He was very much impressed with the prospects of Prince Rupert, and the timely arrival of considerable fish afforded him the chance to see what the city had in that line of industry. SALE OF HOME COOKING

The Red Cross sale of home cooking will be held on Friday, November 5, from 10 a.m. to 6 p.m. Mrs. Peter Black and Mrs. Wm Miller will be the ladies in charge. The sale will be held in the store of the Woman's Home Bakery on Third Ave. British pluck and the determination of every man and woman is going to win, and now more than ever, must we at home make some sacrifices for the assistance of the men at the front; donating pie, cake, dough-nuts, buns or a loaf of bread, or patronizing the sale means doing something, and you are all invited to consider this an invitation to assist.

Mrs. Birnie will demonstrate at this sale the making of an inexpensive war cake, and sell the recipes. Every lady in this city should have this recipe; price 5 cents. Proceeds for the Red Cross. Miss James of the Woman's Bakery has very kindly offered to serve tea, proceeds also in aid of the cause.

SYNOPSIS OF COAL MINING REGULATIONS.

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories and a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 per acre. Not more than 2,560 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights re not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only; but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 per acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior
