BRITISH ARMY IS CLOSE TO THE CITY OF BAGDAD

GAINING GROUND IN EARLY HOME OF HUMAN RACE

The Russian Forces Are Putting Up Very Stubborn Fight

Some Artillery Fighting Has Been Going On In West

Artillery Actions Along The Western Front Yesterday

Paris, Nov. 26.—An official report says that during the day there has been an intermittent cannonade along the whole front. The activity of the artillery has taken a more violent turn in Argonne, where our batteries have blown up a former ammunition depot.

In the Fille Morte region there has been fighting with grenades.

In the sector of Courtes Chausses we dislodged the enemy from a mine excavation which we occupied.

A Belgian communication reports that rather a violent bombardment has occurred in front of St. Heewege.

MRS. TALLANDER GRANTED LEAVE

TEACHER ON SCHOOL STAFF WILL COMPLETE COURSE IN NORMAL

School Board Grants Her Leave Of Absence For Six Months.

At a meeting of the School Board held yesterday afternoon it was decided to grant the request of Miss Tallander, of the teaching staff, for six months leave of absence, while she completes her course in the Normal School, so as to give her a life certificate. In view of the fact that Miss Tallander is looked upon as an excellent teacher, it was decided to allow her this leave from the Christmas holidays until the summer.

Several matters connected with the schools were disposed of, including some changes thought better by the fire chief, for the better protection of the children in case of fire. This

FRANCE'S WAR LOAN IS BEING TAKEN UP READILY

Paris, Nov. 26.—The subscriptions to France's new "Loan of Victory" are coming in rapidly and in large amounts. The success of the issue is far exceeding expectations.

Yesterday, Paris alone subscribed over twenty-five billion francs, equal to about $5,000,000,000. The Bank of France subscription of fifteen million francs is the largest in history.

GERMANS OFFERED SERBIA SEPARATE TERMS OF PEACE

Paris, Nov. 26.—It is officially confirmed that the German General, Von Mackenzen, offered a separate peace to the Serbian Crown Prince. The proposition was that Serbia was to lose a strip of the northeastern part of Serbia and all Macedonia.

The Crown Prince replied that Serbia could never consider peace while a foreign foe remained on Serbian soil.

SIR RICHARD HAS BEEN EXONERATED BY COMMISSION

Ottawa, Nov. 26.—The report of Sir Charles Davidson on the purchase of the submarines in British Columbia is ready. It is understood that it completely exonerates Sir Richard McBride.

GRANBY COMPANY ON NEW WORKINGS

IT IS REPORTED START WILL BE MADE NEAR McKINNON'S HOTEL

Ore Showing There Is Such As To Work Well With Other.

It is reported from Anyox that the Granby Company will begin at once extensive work on new undertakings held by the company a short ways from the present workings that are being examined. The new location is close to the hotel property, held by Mrs. McKinnon. In view of the new undertaking, it is said that the hotel there will be enlarged considerably to provide the necessary accommodation that will be required.

The new workings will be used to supply ore that will be supplementary to that got from the present mines that are being operated at Hidden Creek. According to the report that has been received the new undertaking will mean the opening up of a new camp. This promises excellent things for the nearby mining camps.

BEGIN RECRUITING HERE AT ONCE

MAJOR McMULLIN HAS RECEIVED MESSAGE IN THAT CONNECTION

He Expects Written Instructions Today From The South.

The recruiting for the new battalion for the nortrhern part of British Columbia, which has been authorized to be raised under the command of Major Warden, will start at once. This is the purport of a message received from the D. O. C. at Victoria yesterday by Major McMullin. He was instructed to proceed immediately upon the receipt of his orders to take men on the strength of the new regiment.

Major McMullin expects that he will have definite instructions by mail today, and will lose no time in getting lists started for recruiting. It is expected that Major Warden will be here very shortly himself, in connection with the work of recruiting.

An Indecisive Day For Most Part On Russian Front

Petrograd, Nov. 26.—An official report says the action near the farm at Borsemunde has continued all day without any decisive result. Toward night the fighting became less violent.

Violent fighting near Mintziouny ended in our troops occupying the wood.

Quiet prevails in all sectors along the front from the Gulf of Riga as far as Pripetx River, and also on the Styr.

In the region west of Olyka the enemy attempted to make an advance. Upon being threatened with being enveloped the enemy fell back in its original position.

DECISION GIVEN AGAINST AUTHORS OF "THE CRISIS"

Victoria, Nov. 26.—In the suit for libel brought by Alex. Lucas, M. P. P., against Moses Cotsworth and the Ministerial Union, the jury returned an unanimous verdict in favor of the plaintiff, with $200 damages and costs.

TORNADO WORKED HAVOC IN CITY OF LITTLE ROCK

Little Rock, Ark., Nov. 26.—A tornado swept over this town last night doing a great deal of damage. Thirteen people are dead and twenty injured. The storm lasted but ten minutes.

EISTEDDFOD WAS DECIDEDLY SUCCESSFUL

Excellent Programme Was Given In Methodist Church Last Night.

In the Methodist Church last evening an excellent entertainment was given by the Young Peoples Society of that church. It took the form of a competition under the style of the Welsh Eisteddfod. Splendid talent was brought out and the attendance was excellent. The amusing side of the entertainment was afforded in the competitions in impromptu speech making.

While the singing and the instrumental music, together with the speech-making, was all put on in the auditorium of the church, the cooking and fancy work was exhibited in the basement, where, upon the conclusion of the other competitions tea was served.

William Manson, M. P. P., presided over the meeting and introduced the various competitors. The organ playing was won by Miss Ethel Eason, in competition with Mr. Lancaster and Mr. Woods. In the Mezzo-Soprano singing for juniors, the prize was awarded to Viola Hardy. The other competitors were Gladys Viereck, Lily Shrubsall and Beatrice Killin. In elocution for juniors, Margaret Morgan was the winner, in competition with Bernys Palmer and Mabel Syrotuick. Mrs. Johnston won

British Conquering Land Which Was Cradle Of Mankind

London, Nov. 26.—A telegram from General Sir J. E. Nixon, Commander of the British forces in Mesopotamia reports that General Townsend's troops are in possession of the battlefield where the Turks have been defeated. The Turks are reported to be retiring upon Dialah, which is ten miles above Ctesiphon, and the same distance from Bagdad.

General Townsend is engaged in clearing the field of the wounded and the prisoners. At first it was stated that there were eight hundred prisoners taken. Now it appears that no less than 1,300 have been marched back to Lajj.

The wounded are supposed to number about 2,500.

ITALIANS ARE PRESSING GORIZIA TO ITS FALL

Rome, Nov. 26.—Reports of the fall of Gorizia were premature, but the Italian artillery has swept the enemy's positions for several days with terrible effect, and it is predicted that the city will fall into the hands of the Italians within forty-eight hours.

Aviators report that the city is on fire in many places, and that it has been practically denuded of citizens.

The fall of Gorizia will open up the way for an offensive towards Trieste and Vienna.

Will Build School.

A two-room school house is to be built in Smithers by the Provincial Government. The contract was awarded last week to Harry Smith of that place, and he will start at once upon the work, so as to have it completed by the spring. Mr. Smith arrived in the city from the south yesterday, having gone south to purchase some of the supplies that will be needed. He will start the foundation as soon as he gets back to Smithers, in order to get the cement work in before the hard frost begins.

New designs in Dressers and Chiffoniers—just arrived. Remember, for every $2.00 Cash purchase you receive Three chances in Grand Drawing. Geo. D. Tite, The Home Furnisher.

NAVIGATION ON LAKES IS OPEN

IT WILL PROBABLY NOT FREEZE UP UNTIL NEXT MONTH

Fifty Million Bushels More Grain To Be Shipped East.

If the weather remains favorable lake traffic will be open until Dec. 10 or 15, in the opinion of J. P. Jones, of the Board of Grain Commissioners, who was interviewed in Winnipeg. Mr. Jones states that already 150,000,000 bushels of grain have been handled at the lake ports this season and that 125,000,000 bushels of this have been shipped east. Of this amount there have been 100,000,000 bushels of wheat, he says. If the weather holds out and the boats do not have to tie up for the winter before Dec. 15, there should be at least 50,000,000 more bushels moved.

So far there has been no congestion at the head of the lakes, says Mr. Jones, and he does not anticipate any. Every available boat is rushing grain east as rapidly as possible, and from now until Dec. 5, when the insurance runs out, there will be a big effort to get every bottom loaded, for those ships which are loaded when the insurance expires are given an extension of time to deliver their cargoes. Upon unloading in the east the boats are not waiting to take on a return shipment but run back light or with water ballast.

HAZELTON CONSERVATIVES ELECTED OFFICERS

R. S. Sargent Is Made President Of The Interior Association.

There was a good attendance at the annual meeting of Hazelton Conservative Association, which was held in the school house on Monday evening, says the Omineca Herald. Reports of officers and executive were of a most favorable nature, and were unanimously adopted.

Officers for the ensuing year were elected by ballot, the following being the successful candidates:

President, R. S. Sargent; Vice-President, Rev. John Field; Secretary-Treasurer, H. M. Mathews; Executive Board, A. E. Player, C. V. Smith, Wm. Grant, Jas. MacKay.

A unanimous vote of thanks was tendered to A. E. Player, the retiring president.

DR. NEIL M. McNEILL WILL GO TO FRONT

Local Physician Will Be Chief Medical Officer Of Battalion.

Dr. Neil M. McNeill has been assigned to the duties of chief medical officer of the battalion that is to be raised in the north for overseas service. Some time ago he offered his services and was enrolled in the Army Medical Corps with the rank of Lieut. which was gazetted a little time ago. When the local regiment was ordered from the north he offererd to go with it, and has been assigned that post. He will not leave the city for some little time, until the battalion is mobilized.

In the meantime he will act as the examining physician for those who offer themselves for enlisting here. The enlisting will start at once.

Missing All The Fun.

There is a ridicuously mad story of two Canadians who got separated from their company on their first trip to the trenches. They were wildly trying to find their comrades, when the sound of the daily "frightfulness' struck their ears. This was more than they could bear, so rushing up to an English officer who was passing, they saluted respectfully, and then, almost in tears one gasped, "Please, sir, CAN you tell us the way to THE WAR. WE ARE SO AFRAID WE ARE MISSING ALL THE FUN ! ! ! !"

GOOD CATCH OF FISH LANDED BY MANHATTAN

The Flamingo Landed Some Also—Will Fish On Way South.

The New England Fish Company's boats the Flamingo and the Manhattan were in port yesterday. The Manhattan brought 130,000 pounds of halibut which were landed here. The Flamingo did not land all hers in this port, but out of 45,000 pounds, put off here about half, and taking on supplies went south intending to fish on her way.

Reports received from the vessels that came in were to the effect that there were some boats on the banks almost ready to come in with catches. The weather has not been quite so bad of late for fishing.

PROGRESS REPORTED TO HAVE HAD NO FISH ON BOARD

Well Known Fishing Boat Which Put Into Yakatat Will Undergo Repairs There.

According to the inforrmation that has been brought from the banks by some of the latest boats to arrive in port from there, the Progress, well known here, and which was expected a week ago, but was delayed on account of meeting with trouble, had no fish on board when the accident happened.

She has broken her tail post and will have to be repaired at Yakatat. This will be done and the boat get out again to the banks.
