In the exhibitions that has just closed the Indians of Northern B. C. p'ayed a very worthy part. They attended in large numbers and in addition to that made a most creditable showing in the line of exhibits.

The Kitimaat Band provided the music for the Fair and contributed without stint. The band is a credit to any place and the members of it conducted themselves in a most creditable manner during their stay in the city.

Other bands would have been here had it been possible. In the case of the Metlakatlas several of the former bandsmen are at the front.

The Indians had a prominent part in the sports held in conjunction with the Fair and they did their part well.

MORE MEN THAN WOME HAVE APENDICITIS

Surgeons state men are slightly more subject to appendicitis than women. Prince Rupert people should know that a few doses of simple buckthorn bark, glycerine, etc., as mixed in Adler-i-ka, often relieve or prevent appendicitis. This mixture removes such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. The INSTANT, easy action of Adler-i-ka is surprising.
