TWO GERMAN TOPEDO DESTROYERS LOST

President Wilson's Speech Causes Unfriedly Comment

Address On Canadian Patriotic Fund By B.C. Secretary

Address On Patriotic Work In B. C. Given By Provincial Secretary

F. Nation, Provincial Secretary of the Canadian Patriotic Fund, was greeted by a crowded house last evening when he delivered his address on the work of the Patriotic Fund organization in British Columbia.

S. M. Newton, President of the local branch, acted as chairman. After a short address, in which he expressed himself as satisfied with the work that was being carried on in Prince Rupert during the past year, and feeling that the response would be equally as great during the year 1917 introduced the speaker of the evening, Mr. Nation.

Mr. Nation, in opening his address, considered it a pleasure to be present again in Prince Rupert. He thought he might apologise for meeting the citizens twice in nine months in connection with the work, but the work was of vital importance and was really a part of the carrying on of the war.

The Patriotic Fund was inaugurating its campaign for 1917. As long as the war lasted we might expect that demands for this purpose would be made upon us to assist. Since being appointed by the Lieutenant-Governor of the Province in October, he had addressed 125 audiences. The organization in British Columbia started out to collect $125,000 for the year 1916. This was an easy proposition as the first nine places visited pledged that amount, and $400,000 was pledged by the Province.

Sir Herbert Aims of Ottawa, had visited the Province and addressed twenty places, at which $400,000 was pledged for the year 1917. $1,000,000 was expected off this Province for the coming year. The fund is spread out as some centres cannot give as much as other places. This amount is asked for, for it is considered the duty of the citizens to their country.

The origin of the society was dealt with by the speaker. It was found wiser to make it Canadian rather than national. The volunteers who joined left those dependent upon them and it was found that local organizations did not meet the requirements. A conference was called at Ottawa, and as a result of serious deliberation the Canadian Patriotic Fund was organized and incorporated.

The Governor-General for the Dominion, Premier Borden, Sir Wilfrid Laurier and leading financial men in the east are taking a deep interest in the organization.

Branches were established in the different provinces throughout the Dominion.

He said there was an excellent organization in Prince Rupert. There were 150 branches in British Columbia. 7,000 families were being assisted, or about 18,000 souls. Every care is taken of the administration so that there will be no leaks.

The fundamental principal was to give as much as you can, give until you feel it and give until it hurts.

The total collected for the Dominion was $13,893,000, besides $1,100,000 collected by Manitoba, but much more is required. We must have enough on hand to last from five to ten months after the war is over, as it would take that long for the last of the soldiers to return home. People soon forget their obligations said the speaker.

In the administration of the fund, out of every $100 collected $99.40 found its way into the hands of what it was required for.

Interesting statistics were given by the speaker on the amounts raised in different parts of the Province. Prince Rupert raised $12,000 in two years. The amount allotted to the city. Hazelton collected $9,059.

The disbuursing of the fund was also carefully explained, including the amounts that were paid to the different dependents. The payments were equalized as nearly as possible. He explained the system followed at arriving at these amounts at some length. Every possible precaution was entertained.

In concluding the address the speaker touched on a number of ob-

Small Naval Battle Occurred In North Sea Two Destroyers Sunk

Ymuiden, Holland, Jan. 24.—Two German torpedo destroyers were sunk by the British in the North Sea on Monday night. Fourteen enemy destroyers were obliged to leave Zeebrugge harbor in order to avoid thick ice. In the North Sea they encountered a flotilla of British destroyers and an engagement ensued, which was continued into Tuesday morning.

Besides having two destroyers sunk, the Germans suffered heavy casualties it is believed, though full details are lacking. Sixteen severely wounded German sailors have been landed from a Dutch trawler, which afterward towed in the destroyer V-69, containing twenty dead seamen. The commander died before reaching port, having both legs shot off in the engagement. There are no details regarding the British casualties.

NEW BRIDGE OVER THE BULKLEY RIVER

The New Structure At Hazelton Was Opened To Public On Tuesday.

The old river ferry is a thing of the past as far as the crossing of the Bulkley River a Hazelton is concerned. The citizens of the town and district have felt the need of this improvement for a long time and turned the event into one of a celebration.

Speeches were delivered by a number of the leading men of the district. Reference was made to the earlier days and the hardships that had to be met by the early settler. Comparing the past with conditions as they existed today, and the advantages that would be gained by having

FORTNIGHTLY CLUB HOLD REGULAR MEETING

Interesting Paper Given By Miss McClanaghan On The Emancipation Of Women.

The Fortnightly Club held their regular meeting in the Presbyterian Hall last evening. Miss McClanaghan delivered a carefully prepared paper on the Emancipation of Women. She touched on how women had so quickly come to the front with such imperious power since the commencing of the war. Scales had fallen from their eyes. They were assisting to keep the engine of the state pulsing forward. This was a revolution of the weaker sex.

She compared the past with the present status of woman. Touched on the days of Mrs. Pankhurst. The debate started between the sexes when they were still in the trees, and continued on down to the present. The reader went fully into an explanation of the many walks of life that they were entering and the successes they were making. The paper was instructive, interesting and a treat to all who had the privilege of hearing it read.

Frank Moore gave a short but pleasing talk on the last book he had read. This, with a number of musical numbers completed a very enjoyable evening's entertainment.

Capt. J. B. Gillatt, Sandpit, Queen Charlotte Islands, is a visitor in the city. Mr. Gillatt is one of the most prosperous ranchers on the Islands. He made his home there over eight years ago. He is a guest at the Rupert Hotel.

President Wilson's Speech To United States Senate Causes Adverse Comment

London, Jan. 24.—There is considerable unfriendly comment in the British press on President Wilson's recent speech to the Senate, in which he stated that a permanent peace could not be expected to follow victory.

Prominent citizens courteously refer to the President's good intentions in trying to bring about a peace which will be lasting but, at the same time, express the belief that the only way in which a lasting peace may be brought about is by supporting to the utmost Britain's new war measures for the prosecution of the struggle to a successful issue.

In official circles silence is maintained regarding the speech, but it is believed that the matter will be brought up in Parliament when the House of Commons re-assembles, and that there will be a free parliamentary discussion on the President's expression of his views.

TEUTONIC FORCES AGAIN ARE ADVANCING IN RUMANIA

THE BRITISH RAIDED GERMAN POSITIONS NEAR NEUVELLE

London, Jan. 24.—The British raided the German positions near Neuvelle St. Vaast last night and captured a number of prisoners. The British also defeated German attempts to gain their trenches near Armentieres and caused a hostile party to leave a number of dead behind in their retreat.

On the French section of this front there has been cannonading between the Oise and the Aisne.

E. E. Willot of Swanson Bay, who entered the public hospital about three weeks ago, is recovering. It will be remembered that he was rather severely wounded in the head by a section of a broken saw falling and striking him on the scalp. He had to undergo an operation of rather a dangerous nature, but from latest reports seems to be on the road to recovery.

MR. ALBERT LEAVES VANCOUVER FOR RUSSIA

Sails By The Empress Of Russia Today, And Expects To Be Away From Canada Four Months.

Mitchel Albert, who left Prince Rupert about a week ago for the south, expects to sail on the Empress of Russia for Russia today. Before going on board the boat in Vancouver he gave the following interview to one of the Vancouver papers:

Referring to the plans of the company of which he is the Managing Director, Mr. Albert stated that in the first place he would survey the districts where the railways were to be constructed, and then make arrangements for the sending of eighty or one hundred men to Russia, and if at all possible he would get those men from Canada. What they wanted was men with a good mechanical knowledge, and thoroughly acquainted with the work of railway construction, and he saw no difficulty in the way of getting these men, if not all from British Columbia, at least some of them, and the remainder from other parts of Canada.

Mr. Albert said it had been impossible to get Canadians interested in his company of railway construction in Russia, and he was obliged to go to Seattle and other cities down south where he had received a sympathetic hearing, and was promised every assistance. Alluding to the magnitude of the task which they propose to undertake, he stated that it was the intention of the Russian Government to construct 4,000 miles of railway every year for the next ten years, and in order to do so it would be necessary to place large orders all over the world. Canada, he added, would receive its share of those orders, principally, so far as he could see, for metals of all descriptions.

To give an idea of the immensity of the work that is to be taken up by the Russian Government, Mr. Albert said that it would require 700,000,000 feet of lumber for railway ties, for the making of bridges, and a host of other things. Russia, however, would, he said, produce all that lumber herself, and he did not think that there would be any call on outside countries to supplement the supply.

He will be gone three of four months, and when he returns he hopes to be able to get ready for the commencement of operations

LADIES' HOCKEY GAME HELD AT HAZELTON

Young Ladies Of The Town Turn Out To Play Game In Aid Of Red Cross.

On Monday evening twelve ladies from the town of Hazelton played a hockey game, in an endeavor to further add to the Red Cross Fund.

The game was a good fast one from the face-off, and the referee, Bert Glassy, was kept busy. It even got rough at times and two or more of the fair players decorated the fence, one for five minutes. The game was played in three periods of fifteen minutes each. The teams were named the Reds and the Whites. The Whites won by a score of 6 to 3.

There was a large turn-out to witness the game and as a result the Red Cross Society is the winner by $20. The line-up was as follows: Reds—Mrs. F. Goddert, goal; Mrs. Little, point; Mrs. Anderson, cover point; Miss Jean Grant, centre; Miss D. McDougall, right wing; Miss Catherine Allen, left wing. Whites—Mrs. Neiler, goal; Miss Ina Smith, point; Miss Grace McDougall, centre; Mrs. Cox, cover point; Miss Florence McDougall, left wing; Miss Margaret Allen, right wing.

jections that are met with. Cleverly bringing forward arguments in defense of the Fund that called for applause by the audience. The speaker argued against a tax system in favor of the voluntary fund organization.

ANNUAL MEETING OF MERCHANTS' ASSOCIATION

Election And Installation Of Officers Took Place And Other Important Business Transacted.

The annual meeting and election of officers of the Retail Merchants' Association was held on Monday at the City Hall. The following officers were elected for 1917: President, O. J. Smith; Vice-President, H. E. Peck; Secretary-Treasurer, J. C. Gavigan; Executive Committee, Messrs. A. Spurr, J. H. Thompson, James Jabour, W. W. Wrathall, A. T. Parkin and W. Harper.

Following the installation of the officers the meeting transacted considerable business. The new executive displayed considerable enthusiasm. A committe was appointed to interview the city council in regard to certain defects in the half-holiday and early closing bylaws, which could easily be evaded under the present wording of the acts.

It was decided that the Association, in view of the many important matters to be taken up, should resume their regular monthly meetings, date of same to be advertised prior to meeting.

Initiation fees and membership dues were lowered and every effort will be made to secure the assistance of every merchant in the work of the Association.

The Retail Merchants' Association unanimously decided to support the Exhibition Association in making the fall fair a bigger and better success than ever.
