City Tax Sale Resulted Satisfactorily As Far As City Is Concerned

At the council meeting last evening the City Treasurer brought in a report relative to the tax sale just held. This showed a very satisfactory result. The report was as follows:

October 16, 1916.

Mayor and Council,

1916 Tax Sale:

Dear Sirs:

This sale was duly held on October 12, and adjourned until October 13, when the balance of the lots were sold.

The original advertised list contained 711 lots, against which there were outstanding in taxes and costs $72,545.07. Out of this amount the 200 Government lots, upon which taxes and costs amounting to $23,840.00, were withdrawn from sale, on account of equity still due to Government making a sale impossible. 54 lots, with taxes amounting to $7,695.22, were redeemed after advertising and before sale, leaving 457 lots, with taxes and costs amounting to $41,009.85, submitted to and sold by auction, as follows:

To Private Individuals.

Section 1	$3,086.53
Section 2	628.84
Section 5	2,063.42
Section 6	2,602.75
Section 7	2,398.25
Section 8	2,452.01
Total	$13,231.80

To City Of Prince Rupert.

Section 1	$ 7,886.25
Section 2	17,312.01
Section 5	612.99
Section 7	216.12
Section 8	1,750.68
Total	$27,778.05

Out of the total amount purchased by the city $26,524.80 is property owned by the Grand Trunk Pacific Development Company. There were also lots purchased by private individuals in which this company is still interested.

The net result of the sale was the collection, after advertising, of $20,927.02 arrears of taxes.

With regard to the amount purchased by the city, I have, in other years, invested this money in our sinking funds, and I would like to do so this year. You will no doubt remember that owing to the overestimating of plank roadways on Eleventh Avenue, etc., we have $7,000 surplus capital on deposit, losing the property holders 2 1-2 per cent. This is not repayable until December 2, 1918. By taking this and earning 8 per cent. we would recover part of loss, supplementing this to sinking funds on hand I can finance the whole of lots knocked down to the city, and earn 8 per cent. for these funds instead of 3 1-2 per cent., as we are now doing. Past experience has shown this to be advantageous. On a $7,800 investment last year we earned $521 interest, instead of $373, which would have been earned on depoosit, and there is always the possibility of lots becoming the property of these sinking funds, which would mean considerably more as the majority is inside property.

Will you therefore kindly consider this, and if it is your desire to take this course, please do so by resolution.

Respectfully submitted,

E. D. JOHNSON,
City Treasurer.

IRISH FUSILIERS TO LEAVE FRIDAY

FORCE STATIONED HERE ORDERED TO PROCEED TO VANCOUVER

Lieut. Christie And His Men Expect To Sail By G. T. P. Steamer.

Lieut. Christie and Lieut. Bowden with the detachment of the Irish Fusiliers stationed here have been ordered to proceed to the battalion headquarters at Vancouver. Some weeks ago similar orders were given but these were countermanded before the date of sailing, and the Fusiliers remained on duty here.

The orders received by Lieut. Christie now are to proceed south on Friday by the G. T. P. steamer. Unless some other orders are received before that date the whole force will be leaving.

YUKON SOLDIERS WENT THROUGH HERE YESTERDAY

Governor Black Brought Contingent Of One Hundred And Twenty-Five South.

Yesterday morning the G. T. P. steamer Prince Rupert arrived from Skagway with Governor George Black and a party of about one hundred and twenty-five men from the north bound for the front. They are to be followed in a week's time by another party that could not get away now.

Upon arrival here they were soon in touch with former Yukon men who gave the visitors a hearty welcome.

In addition to the Governor, who goes as Captain of the party, there were included among others, Capt. L. G. Bennett, who goes out as a private; James Johnson, a well known athlete; Gordon McLeod, Thomas Kirkpatrick, a sourdough of the sourdoughs known to everyone who ever lived in the north; "Red" Ryan, Malcolm McKinnon, Fire Chief; J. Laclair, who was messenger in the Government service; Geo. Keillor, a pilot on the White Horse stage; Robert Hornby from Mile 40, Charles Barnell, F. Burton, C. D. Hart, and from the Royal Northwest Mounted Police, Constables Marshall, Oldham, Turnbull, and Greenway. The latter, who was formerly with the Coldstream Guards, acted as drill instructor. The men have been in training a good part of the summer and are well prepared for overseas.

Arthur G. Campbell is joining the Engineers.

CITY WILL MAKE NEW ASSESSMENT

COUNCIL HAS DECIDED TO HAVE PROPERTY REVALUED FOR NEXT YEAR

Assessor Will Start On Work At Once And Have It Ready By January 10.

The city will have a new assessment made upon which the levy for next year will be struck. This course was decided upon by the council at the meeting last night, upon a recommendation being made from the Financial and General Committee. The assessor will start at once on the work and have it completed by January 10.

The last assessment was made three years ago. On that one there have been general reductions made each year for the last two years. It is felt now by many that a new assessment should by rights be made if the equality of the assessment is to be kept up.

An assessment is necesasry on the watefront, as from time to time there is a demand for a valuation upon parts of the waterfront. It was found that there is no authority under which the assessment can be made upon one part only, such as the waterfront. It is necessary to order a full assessment, which is now done.

QUARTERS SOUGHT FOR THE RETURNED SOLDIERS

Request Made Of ity Council For Old Telephone Building.

The Returned Soldiers' Association which has been formed in this city wishes the council to turn over the rooms over the Telephone office for that purpose. A delegation waited upon the council last evening and made this request. The Mayor explained that the premises were still occupied and it might be necessary to find somewhere else for that purpose. The General Committee will therefore go into the subject at its Friday meeting. The delegation consisted of Ald. McClymont, Mrs. O. Besner and H. O. Crew.

Ald. McClymont explained the object of the Returned Soldiers' Association. He suggested that rooms over the Telephone office might be set aside by the city for the purpose of furnishing accommodation for men returning.

H. O. Crew supplemented this by stating that a place was required where they could meet.

Mrs. Besner agreed with the object in view.

The matter was referred to the General Committee for consideration.

YUKON PRODUCE ABOUT SAME AS LAST YEAR

The Output Of Gold Will Be Over Four Million This Season.

The season in the Yukon for recovering gold is drawing to a close. Arrivals yesterday were inclined to expect about the same as last year. This will be between four and five million dollars' worth.

Drydock Has Work To Keep It Busy Until New Year

The G. T. P. Drydock is the scene of renewed activity. This time it is due to the expected arrival of a large vessel, instead of as formerly on account of building operations. About twenty-two mechanics are busy now overhauling everything and getting ready for the arrival of the big steamer. On Wednesday another contingent of forty will arrive and will enter upon their duties at the dock.

The work to be done on the vessel, it is expected, will take about eight weeks. It will in fact require the active operation of the dock until about New Year's. It is hoped that by that time some other work may present itself so that the dock may be kept busy.

The whole of the pontoons have been brought together so as to give its greatest length. It is capable of taking care of a vessel of 20,000 tons. The coming work will test it quite fully, having a tonnage of about 17,000.

The arrival of the vessel will mean all told about 430 men in the city for the time the dock is occupied. This will mean very much to Prince Rupert, and is a matter of congratulation all round. Experts who have now come to work here remark upon the splendid equipment at the dock. It is admirably adapted for the work which is to be handled by it.

FRENCH TROOPS HAVE MADE SOME SLIGHT ADVANCES

Paris, Oct. 16.—South of the Somme the French captured the first German line and a two kilometre front east of Bellyen Santere today as well as the hamlet of Generment and the sugar refinery near Ablaincourt. Eight hundred prisoners were taken. North of the Somme French troops made some progress on Malisseze.

RUMANIANS ARE BEING PRESSED VERY HARD BY ENEMY

London, Oct. 16.—Bucharest reports the capture of Mont Siguello, a frontier town near Petrograd, as well as gains to the northeast of Kronstadt and southeast of Orna. The Rumanians are being hard pressed.

A commission of French officers is on its way to the Rumanian capital to aid the hard pressed generals and King Ferdinand.

More than 15,000 prisoners have been taken by the Rumanians on the various fronts. The Rumanian troops are fighting desperately to prevent the forces of the Central Powers from entering Rumania. Russian reinforcements are rushing to their aid. King Ferdinand has taken the field at the head of his troops.

COUNSEL NOT TO REPRESENT HIM

Hon. Robert Rogers Declines Invitation To Have Lawyer At Inquiry.

Winnipeg, Oct. 16.—Hon. Robert Rogers has been invited by the Galt Commission to have counsel represent him in the argument in the Carter-Halls-Aldinger contracts case in respect to the Agricultural College investigation and has wired to the commission declining.

Mr. Rogers replied in these terms:

Montreal, Oct. 14.—F. A. Macdonald, registrar, Winnipeg: I have your letter of the fifth to say that Commissioner Galt will hear argument on behalf of all persons interested in his investigation. Insofar as I am concerned the facts have been given clearly and fully by me, and it is only with the facts that I am concerned. I have no interest whatever in what the commissioner may choose to find. Even had I such an interest, I cannot see that it would be of any value now to have counsel present who could only add to the farce with an argument in a matter that the commissioner has already, and before the evidence was heard, announced the verdict.

(Signed) R. ROGERS.

Production and Thrift

"CANADA from her abundance can help supply the Empire's needs, and this must be a comforting thought for those upon whom the heavy burden of directing the Empire's affairs has been laid. Gain or no gain the course before the farmers of Canada is as clear as it was last year—they must produce abundantly in order to meet the demands that may be made, and I believe this to be especially true in regard to live stock, the world's supply of which must be particularly affected in this vast struggle. Stress and strain may yet be in store for us all before this tragic conflict is over, but not one of us doubts the issue, and Canadians will do their duty in the highest sense of that great word."—*HON. MARTIN BURRELL, Minister of Agriculture.*

"MODERN war is made by resources, by money, by foodstuffs, as well as by men and by munitions. While war is our first business, it is the imperative duty of every man in Canada to produce all that he can, to work doubly hard while our soldiers are in the trenches, in order that the resources of the country may not only be conserved, but increased, for the great struggle that lies before us! *'Work and Save'* is a good motto for War-time."—*SIR THOMAS WHITE, Minister of Finance.*

THE CALL OF EMPIRE COMES AGAIN IN 1916

TO CANADIAN FARMERS, DAIRYMEN, FRUIT GROWERS, GARDENERS

WHAT IS NEEDED? THESE IN PARTICULAR—

WHEAT, OATS, HAY,
BEEF, PORK, BACON,
CHEESE, EGGS, BUTTER, POULTRY,

CANNED FRUITS, FRUIT JAMS,
SUGAR, HONEY, WOOL, FLAX FIBRE,
BEANS, PEAS, DRIED VEGETABLES

We must feed ourselves, feed our soldiers, and help feed the Allies. The need is greater in 1916 than it was in 1915. The difficulties are greater, the task is heavier, the need is more urgent, the call to patriotism is louder—therefore be thrifty and produce to the limit.

"THE AGRICULTURAL WAR BOOK FOR 1916" is now in the press. To be had from The Publications Branch, Department of Agriculture, Ottawa.
