Montenegrins in Canada and also the United States, are making their way back to their native country to fight in the battles that are to be found by that nation. They are assembling at different points, whence they will be taken back home to join the colors.

Yesterday aboard the Princess Royal, were nearly 50 of these people, who took the boat at Alaskan ports. They are answering the call to arms, and proceeding home to serve.

Quite a number of these people throughout the country, have offered to join the Canadian force and go to the front. The Canadian authorities are not accepting them, however.

DEVELOPING BIG MINING CLAIMS

AMERICAN CAPITAL INTERESTED IN PROPERTY ON STIKINE RIVER

Frank Cullin Of Telegraph Creek Says Prospects Are Good.

The Stikine mining district seems likely to attract a lot of attention in the next few years. This is the common opinion expressed by those who have come from that part of the country. Among those who reached here yesterday, was Frank Cullin, formerly of the Journal, who is now a resident of Telegraph Creek. He gives details of a deal, of more than usual interest on the Stikine. This is the taking over one option of a group of claims at the Devil's Elbow on the river. These claims carry high values in silver, lead and zinc that have been taken up.

The property was owned by residents of Telegraph Creek, who have placed an option with Americans, the sum involved being $40,000. Messrs. Chilberg and Lindenberg, and the Scandanavian Bank of Seattle are interested in the deal.

There are about 12 men engaged on the property now, and it is expected this force will be increased. The outcropping is plainly visible from the river, and is said to extend for a long distance.

Mr. Cullin says that the need of that country is good prospectors. He believes there is a rich feild there for prospecting.

Church Parade.

The St. Andrew's Society will hold a church parade to the Presbyterian Church this evening. Rev. R. H. Grant will preach a farewell sermon to the members, who are leaving with the contingent on Thursday. The members will assemble at the St. Andrew's Hall at 6:45 tonight.

YOUR KING AND COUNTRY NEED YOU!

Recruits Wanted for 62nd Overseas Battalion Canadian Expeditionary Force

Recruiting Station at Provincial Government Office---OPEN NOW

In view of the recruiting which is in progress at present throughout the province, it is apropos to answer a few of the questions which are considered by those who contemplate entering the service. The following is a list of the pertinent queries, together with the information which each elicits:

QUESTIONS ANSWERED.

1 How long am I to serve? Until the end of the war, and six months after if required.

2 What pay shall I receive? Your pay as a private will be $1.00 per day and 10c field allowance. Besides this you will be clothed, equipped and subsisted by the government.

3 What will my wife receive during my absence? Every month there will be paid her a separation allowance of $20, (also part of your pay), and if this be not enough to comfortably maintain your family, the Canadian Patriotic Fund will further assist them.

4 What will happen if I am wounded or sick? You will be cared for by the government and your pay continued until you are discharged. If you are permanently disabled an allowance will be paid you, varying according to the extent of your injury or disability.

5 What will be done for my wife and children if I die while on Active Service? The government will provide an adequate pension, that will enable the family to live comfortable until the children are old enough to look after themselves. The widowed mother of a single man ,if the son be here sole support, is treated in the same way as a wife.

MAJESTIC STOCK COMPANY COMING

WELL BALANCED COMPANY WILL APPEAR MONDAY NIGHT

Will Be Here For Week—Change Of Programme Nightly.

The Majestic Stock Company opens a week's engagement in the Westholme Theatre on Monday night. There will be a complete change of programme each night. The company comes very highly recommended. A Prince Albert paper referring to the presentation there of Wildfire, which is to be the attraction on Monday night says:

Those who went to the Empress Theatre expecting to see the usual ten-twenty-thirty variety of performance were agreeably surprised when they found that an all-round excellent group of performers is holding the boards there. It is the best stock company that has ever played in Prince Albert, and is supplying entertainment worth easily double the prices charged, if this were any sort of a prosperous year.

Outstanding in the effort of the players, was the evenly-balanced ability of the cast. While the leading woman, Vane Calvert, and the leading man, Fred Cantaway, naturally had the most conspicuous roles and played them splendidly, the other principals were almost equally effective. The performance was really

Local Contingent Proceeds To Vernon On Thursday Morning

Major McMullin has definite instructions with respect to the dispatch of the next contingent from here. While the desire was expressed to get them off next Tuesday, it wasfound impossible to do that. A delay is necessary, to allow those from the interior to get here. It has been arranged to sail by the G. T. P. steamer on Thursday forenoon.

There are 175 to be taken from here, and it seems likely that this number will be reached before that time. The contingent is to proceed to Vancouver, and then take the train for Vernon camp.

IMPRESSED WITH NORTHERN FIELDS

H. B. THOMPSON, M. P. P. AND W. C. HALL RETURNED FROM STIKINE

Visitors Believe That There Is A Great Future For North.

The arrived from the north yesterday by the steamer Princess Royal, H. B. Thompson, M. P. P., and W. C. Hall, of Victoria. They have been up the Stikine River as far as Dease Lake, looking over the Thibet Creek mines, in which Mr. Thompson is interested.

Mr. Hall, who formerly lived at Atlin, is acquainted with the north and knows what it is capable of. Mr. Thompson returns very much impressed with the future of the country.

He points out that the Stikine is easily navigated—more easily than the Skeena was by river steamer. There is, therefore, no reason why there should not be a very considerable development of that region in a mining way, without railway communication.

The country, he thinks, is a very rich one in a mineral sense. That country over thirty years ago, made a great showing in a mining way. At Dease Lake there was a town of 5,000 people at that time. There was a rush into the Cassiar to develop the placer properties then found. The result well repaid the hopes, and millions were taken out. Even now, there are many making good in a placer way. The country, however, should be prospected in a quartz way.

At the deserted Dease Lake city of former days, the log houses still stand well preserved, on what is a model townsite. Mr. Thompson went into some of the old stores and found the old books of that day still there, with entries that recalled well known men of the earlier days of this province.

ITALIANS ARE INFLICTING HEAVY LOSSES ON ENEMY

Rome, July 3.—The Italian forces have inflicted terrific losses on the Austrians at Carnic, in the Alps northwest of Malborghetto, when their efforts to relieve a fortress were repulsed.

The whole front of the enemy's column was swept away by deadly artillery fire, and they retired in confusion.

The Austrian offensive on the Plave-Cradisca front has completely broken down. At Udine, Austrian ammunition convoys were blown up by Italian aviators.

FISH BRINGING HIGHER PRICES NOW

INCREASED DEMAND FOR HALIBUT ON EASTERN MARKETS

Local Dealers Are Anxious To Secure Supplies For Shipping.

There is a heavy demand for halibut at the present time, and good prices are being paid locally for the fish. As high as 5 1-8 cents a pound is being paid in the city, so strong is the demand in the east.

The Atlin Fisheries and the Rorvik Fish Company are each making a bid for halibut also, to meet the demands that are being placed upon this. Yesterday there were a number of American boats in with good catches.

Room For A Few More Men

For the contingent that leaves here on Thursday next for Vernon camp, Major McMullin has a few places yet to fill. Word from Lieut. Van Der Byl, gives the information that there are a good number of men enlisting between here and Prince George. He will arrive with these next Wednesday evening. In the meantime, it will take but a few more men here to complete the 175 allotted to here. Any who wish to go, should act quickly and see Major McMullin at the Government offices.

Big Game Hunters Coming

There was feeling that in view of the war, the number of big game hunters that would visit the north this season, would be very much reduced. Frank Cullin, who arrived yesterday from Telegraph Creek, says that this fear appears to be without foundation. At Telegraph Creek, which is one of the main shooting points, there have been arrangements made by many hunting parties.

MOURN LONG WAR.

The Toronto Telegram says: Britishers mourn the fate that dooms them to the miseries of a long war.

Britishers might better realize that we fare better than we deserve to fare when we escaped the greater miseries of a short war.

A people who refused to listen to Lord Roberts and listened to such anti-dreadnought oracles as the English examplars of the Globe and the Star, may be thankful that they were able to evade quick annihilation in a short war and secure the certainty of safety and victory as the inevitable issue of a long war.

FAVORABLE TRADE REPORT.

Trade returns for May show a favorable balance to Canada's credit. Exports for May amounted to $42,080,486, while the imports were $34,390,808. The total trade for May, 1915, was $78,938,990, and for the same period last year $80,023,321.

Products of the mine, fisheries, forest and farm all show light increases over May of last year, but the manufactures exported have made a great gain, growing from $5,997,277 for May, 1914, to $16,121,149 for the same month this year.

Imports show a decrease of over $10,000,000, the imports for May, 1915, being $34,390,808, as compared with $45,076,939 for the corresponding period last year.

The total Canadian trade for the first two months of the fiscal year was $145,244,352, and the same period last year $135,868,244. The great increase in the export trade has more than made up for decrease in imports. The balance of trade for the two months in Canada's favor amounts to about $8,000,000, as compared to $35,000,000 deficit in 1914.

ATTEMPT MADE ON LIFE OF CHIEF PURCHASING AGENT

New York, July 3.—J. P. Morgan, who is chief purchasing agent for the British Government in the United States, was attacked and shot twice at his country home at Glen Cove, L. I., last night, by a fanatic who claims to be F. Holt, an instructor in German at Cornell University. The assailant said he felt that it was his duty as a christian gentleman to kill Morgan if he could not induce him to end the war.

The wounds are, fortunately, not serious. The assailant is injured, having been felled by a coal box thrown by the butler. A satchel was found at the door, filled with dynamite. The assailant is of German descent. He had numerous railway tickets which he had purchased in order to effect his escape by any road, and had a fast auto waiting. His hand bag bears the name of Schwartzheimer, but his real name is said to be Marccoe.

MAJESTIC STOCK COMPANY COMING.

(Continued from Page One.)

meritorious throughout, and the vehicle chosen, "Wildfire," made famous by Lillian Russell, was well suited to show off the capabilities of the performers.

Vane Calvert as Mrs. Henrietta Barrington, owner of the race-horse "Wildfire," and proprietress in secret of a racing stable, put plenty of dash and go into her portrayal and had more than enough of the former beauty and charm of Miss Russell to make her whole performance a delight to the eye as well as the intellect. The role gives her an opportunity to wear several stunning gowns in an effective manner. Fred Cantaway as John Garrison, a lover of horses, is the real type of matinee idol, but, unlike many of that variety, possesses much ability as well. He accepted all his opportunities last night in capital style.

Worthy of special mention was the performance of Charles Ellis as Bud, a stable boy. He got every laugh there was in the line and secured added amusement through his capers. W. W. Craig as Matt Donovan, the racing trainer, handled his part well, while Hugh O'Connell as Dr. Woodhurst, Jack Hallett as Chappie Raster, and Edward O'Neil as Ralph Woodhurst, were working all the time and helped the show along very considerably. Miss Julie Grey as Mertle Wentworth, Miss May Orr as Janet Sterling, and Miss May as a colored maid also did capable work.

That is the Solution

That manufacturers should increase their advertising appropriations during a period of business depression and curtail during the years of prosperity, was the opinion advanced by Roger Babson, the financial and business statistician, at a meeting of the Technical Publicity Association, held in New York.

"Directors of your company regard advertising as a luxury to be cut down when business is poor," said Mr. Babson. "They give you orders what to do rather than you giving them orders.

"If you solved this advertising problem in a scientific way you would tell them what to do, the same as their lawyers and their bankers tell them.

"In a year of prosperity they are willing to give you a big advertising appropriation, and when the reaction comes they cut down to almost nothing. Take the big appropriation in the fat years and salt it away for use in the lean years.

"If you all did this the business of the country would move along more evenly; the business boom would be less, and the reaction, the area of business depression, smaller."
