GERMANS READY TO INVADE SERBIA

PART OF STUTTGART PALACE DAMAGED BY FIRE

Zeppelin Factory At Freidrichaven Has Been Bombarded

German Troops Are Ready to Attempt Serbian Invasion

Nish, Sept. 23.—From the best information obtainable here, there are indication that 80,000 German troops are now available to attempt to force a passage through Serbia. It is felt in Nish that this movement will be undertaken.

The operations thus far are of a character which indicates that the Teutons are feeling out the Serbian positions preparatory to making a start on this move.

HON. H. E. YOUNG IS IN THE CITY

PROVINCIAL SECRETARY REACHED HERE EARLY YESTERDAY MORNING

He Is Going To Granby Today—Says Atlin Is Going Well.

Hon. H. E. Young, Provincial Secretary, reached the city early yesterday from Atlin. He says the northern mining camp is looking splendid this year. Before going there he visited Telegraph Creek.

Yesterday Hon. Dr. Young visited the Fair here and was delighted with the showing made by this district. He leaves today for Granby, which he will visit before leaving for the south.

Last evening the Provincial Secretary was waited upon by the Hospital Board with a strong request for $2,500 towards the institution. The minister was not able to give any assurance of aid now, but will look into the matter when he reaches Victoria.

TENNIS MATCHES WERE PLAYED YESTERDAY

Final Games Of Series Will Be Played Here Today.

In a tennis tournament between Prince Rupert and Hazelton, the first of the series were played yesterday. The remainder will be played today.

In the men's doubles yesterday Hall and Brewer, of Hazelton, beat Wilson and Fulton, of Prince Rupert, 6-4; 4-6; 8-6. Wilson and Fulton beat Morrison and Donohoe, 6-3; 6-4.

Hall and Brewer beat Purdy and Brady, 6-2; 3-6; 6-4.

In the ladies singles, Miss Jenns beat Mrs. Hall.

Annual Meeting Of Fair Association Was Held Last Evening

At the annual meeting of the Fair Association held last evening in the city hall, Alex. Prudhomme was re-elected President for the year. The attendance was not large, but occasion was taken to go rather fully into matters affecting the Association. Feeling reference was made to the death of L. Crippen, one of the Directors of the Association who fell at the front. The meeting was presided over by the President, A. J. Prudhomme.

A. J. Prudhomme, the President, said that in spite of the fact that this was not a good year for a Fair in many ways, but in spite of this the Fair was proving a great success. The exhibits had increased and farmers were realizing that a good quality of products was needed. He felt that the transportation companies should give free transportation of exhibits. This they had not been able to do. He felt that the thanks of the Association was due to the press of the city and the district for publicity given.

M. M. Stephens being called upon, said that he felt it would be more profitable to hear from farmers who were present. The Fair had been an unqualified success in spite of the conditions. No small share of praise for the success was due to the President.

Austin Richardson, of Laun Hill, felt that it would be wise to have a competition for vegetables alone. This would give a chance to new districts that had not the grain to exhibit.

The President felt that this would right itself as more money was available for this.

Mr. Jorgenson, of Prince George, said he was impressed with the excellent building and the good arrangements for placing the exhibits. He was very much surprised at the Fair. He hoped to be here next year for the Fair. It was an expensive matter of bringing exhibits here. He had farmed in Denmark, New Jersey, Wisconsin, Washington and British Columbia. He had never seen exhibits of better quality than he saw in Northern B. C. It was his first visit to Prince Rupert and he thought the city was to be complimented upon the splendid conditions that prevailed. When he went back to Prince George he was going to advocate a city market there.

Mr. Evans, of Remo, excused himself from speaking from being a new worker.

W. E. Collison complimented the Association upon the Fair. He thought attention should be given to the rates for shipment to Prince Rupert. As a fish city the exhibit in that line should be on a much larger scale.

When it came to the nomination for President, Mr. Prudhomme was nominated.

He declined this honor, stating that he felt that after three years service on the Board, he would like to retire from the position.

Mr. Stephens urged that Mr. Prudhomme should continue in the office. In no small way the indefatigable work of Mr. Prudhomme had contributed to the success of the institution.

Ald. Edge agreed with this.

The President further declined, but by a unanimous vote he was re-elected and accepted the office.

The other officers were elected as follows: Vice-Pres., George Frizzell; Secretary, F. S. Wright; Treasurer, M. M. Stephens; Directors, Rev. W. E. Collison, W. P. Lynch, G. R. Naden, D. G. Stewart and Ald. Edge.

The Mayor being called upon to speak said that he felt that some systematic plan for the development of the agricultural resources of this district should be undertaken. It would appear that the Australian

Airships Caused A Lot Of Harm To The Stuttgart Palace

Geneva, Sept. 23. — The news has reached Romanshorn that the right wing of the Royal Palace of Stuttgart had been badly damaged by the air raid of the Allied aviators.

When the bombs were dropped it was known that several members of the Royal Family were in residence.

The French aviators after bombarding the station and the barracks, where two soldiers were killed and 15 seriously injured, divided. Some flew to Freidrichaven where a Zeppelin factory has been bombarded.

Native Weaving.

An interesting exhibit at the Fair is that made by the Indians of this northern district. Among these exhibits is one brought by Pat Phillipson from one of the reserves. It is the simple apparatus used by one of the old women of the tribe in weaving nets. The art is one that is liable to die out among the Indians. Nettle stalks are used in this case, although fire weed does equally well. From it is taken, after a beating process, the material that makes the cord which is used in the net. The cord is very strong.

STEAMER DELHI IS BOUGHT HERE

CAPT. BABINGTON HAS TAKEN AMERICAN VESSEL OVER FOR $2,000

The Engines Will Be Taken Out Here By Great Crane.

The steamer Delhi will remain here. The hull, as she lies, has been bought by Capt. Babington and will be stripped by him of all that is worth taking off. The price paid by the local shipping man is $2,000, which is considered a safe price.

The steamer has left the dock, after having her engines unbolted from their places in the hull. These will be lifted from the vessel by the great crane at the dock and put to use later.

Capt. Babington will beach the hull and strip her of her winches and all other matreial he thinks worth taking.

Queen Charlotte Won District Prize Auction Sale At Fair

The Laun Hill and Sandspit district won the district prize at the Fair yesterday. The judges spent several hours deciding upon the question. Diplomas were awarded the others, viz: Kitsumkalum and Lakelse, Prince George and Porcher Island. The exhibit was made under the charge of Austin Richardson, who feels very proud of his victory.

This evening Kitsumkalum will offer its exhibit for sale. The proceeds of the sale will all go to the Red Cross Society.

PRINCE RUPERT WON BASEBALL

HAZELTON DEFEATED IN FIRST MATCH OF SERIES YESTERDAY

Local Players Put Up A Splendid Game At Recreation Grounds.

The local baseball team defeated the Hazelton players by a score of 4 to 3 yesterday in a most exciting match. A second game will be played this afternoon at 1:30, which should be equally exciting.

The local players, with Fortin and Manson as battery, put up an excellent class of ball.

The score by innings was as follows:

Prince Rupert	1-	0-	1-	0-	2-	0-	0-	0-	—4
Hazelton	0-	0-	0-	0-	0-	2-	0-	1-	0—3

TWELVE CARS OF FRESH FISH OUT

PRINCE RUPERT SHIPPED ITS LARGEST CONSIGNMENT OF HALIBUT YESTERDAY

A Special Train Took Twelve Carloads To Eastern Markets By Express.

Yesterday morning twelve carloads of fresh halibut were sent out form here to eastern points over the G. T. P. The fish were all halibut and went out by express, a special train leaving with them.

The most of the fish was landed here during the day preceding the shipping. There was a busy night at the various fish company's quarters getting the halibut ready.

Finest Part of B.C. For Farming Is Along G.T.P. Line

That what is now described as Northern B. C., but which is in reality the central part of the province lying along the G. T. P. and within reach of Prince Rupert, is the richest part of the whole province, is the opinion expressed by the agricultural experts who have acted as judges at the Fair here. At the annual meeting of the Association last evening these judges were called upon to speak. Their remarks were as follows:

A. H. Tomlinson said the results of the Exhibition far exceeded anyting that had been expected. The grain showing augured well for the future of the interior territory. The grain exhibits gave promise of what would be the result when fully developed. There should be a great stock country. In other lines, as in vegetables, the exhibits were splendid. Experience was needed in these lines. He hoped the Fair would tend to bring the producer and the consumer together and also the producer and the wholesaler. Growers would in some instances have to learn how to sort their produce.

Mr. Walker said that about three hours were spent on deciding upon the district exhibit. The Fair this year was better than last year's. He thought that a score card should be placed in the prize list, so that the district exhibits might be arranged on the basis. The interior had produced the best kinds of winter wheat. It was easy to criticize the country in this great central part of British Columbia. He found constantly increasing areas of good farm land tributary to Prince Rupert. In the Bulkley Valley there were 4,000 tons of the best timothy hay for sale. That hay would be better fed on the ground. Most of the land of British Columbia suitable for farming was along the line of the G. T. P. He included the Delta District when he made that comparison. The land and the climate of this district along the G. T. P. was just as good as the Delta. He advised all to get acquaint-

Have Your Eyes Tested

An opportunity is afforded those visiting the Fair of having their eye troubles properly attended to by an experienced Eye-Specialist.

In order to make it of interest to all who have trouble with the eyes, Dr. Inman has occupied the corner store opposite the City Market and is offering special inducements to those who wish properly fitted glasses.

All kinds of complicated cases of defective sight corrected. He is displaying a few odd lines at very low prices, and it wil' be an advantage to see them and make a selection before they are cleared out, as they cannot be duplicated at the price again. Make appointments early for day or evening.

ANNUAL MEETING.

(Continued from Page One.)

method was the one to be adopted by the Government. There were many men who would like to get on the land if they had the means. The Government should afford the means for doing this, perhaps by clearing the land and putting the men on it. He thought it would be a long time before the lands were occupied, unless the Government secured loans and cleared lands on the debenture system. They could clear it like the men who cleared the townsite did it.

M. M. Stephens in moving a vote of thanks to the Provincial Government for aid, and to those who contributed to the success of the Fair, contended that the outsiders who came here and exhibited were the real back-bone of the Fair. He went into the subject of the resources of the district, and said that while it might be thought out of place for him to speak on the subject of farming, when he was not following that occupation, yet he knew from going over a large part of the district what the capabilities of the country were. He had, moreover, spent considerable time on the farm. He had worked between the handles of a plow, had milked cows and knew all there was to do on a farm. He could not see that a man who never was between the handles of a plow and had never milked a cow could be in a position to know what the Government should do for the farmer.

The votes of thanks carried unanimously.

ed with the interior country.

H. Upton complimented them on the Exhibition. After what he saw in the many other fairs, he was surprised. Apart from the poultry exhibits, he saw nothing in Vancouver to meet those shown here.

Mr. Dunlop said Prince Rupert stood high in the matter of vegetable and district displays.

NOTICE TO CONTRACTORS.

Granby Bay School.

SEALED TENDERS, superscribed "Tender for Granby Bay School," will be received by the Honorable the Minister of Public Works up to 12 o'clock noon of Tuesday, the 5th day of October, 1915, for the erection and completion of a two-room schoolhouse at Granby Bay, Anyox, in the Skeena Electoral District.

Plans, specifications, contract, and forms of tender may be seen on and after the 13th day of September, 1915, at the office of J. H. McMullin, Government Agent, Prince Rupert; John Conway, Mine Recorder, Stewart; Miles MacInnes, Secretary of School Board, Anyox P. O.; J. Mahony, Government Agent, Vancouver; and the Department of Public Works, Victoria.

By application to the undersigned, contractors may obtain a copy of the plans and specifications for the sum of ten dollars ($10), or a marked cheque, which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Honorable the Minister of Public Works, for a sum equal to 20 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

GEORGE BRODERIUS

SYNOPSIS OF COAL MINING REGULATIONS.

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories and a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 per acre. Not more than 2,560 acres will be leased to one applicant.

Applications for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only; but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 per acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

Deputy Minister of the Interior
