

THE PROSPECTOR

VOL. 3, NO. 50

LILLOOET, B. C., FRIDAY, OCTOBER 9, 1914.

\$2 PER YEAR

Grand Social and Dance Nets \$175.00

When Lillooet sets out to have a "good time" there is "something doing." Friday last Oct. 2nd was one of these occasions, and in the evening a Concert was given in the Lillooet Opera House to an audience which filled the Hall. Music and songs were interspersed with recitations. During the evening a War speech was given by Mr. J. S. Bell in his inimitable way and a short financial statement was made by Mr. P. LeMare in regard to the Lillooet War Fund (in the interests of which the social was held).

The Ladies who contributed to make this a really pleasurable evening were Mrs. J. S. Bell and Miss Hurley, whose catering in the Refreshment Department left nothing to be desired, the Misses Stewart and Walls on the social committee, Mrs. P. LaMare and Mrs. H. Reed on the dance committee and Mrs. W. T. Bridge and Mrs. P. LeMare on the committee for the decoration of the Hall, which was a picture of tastefully arranged flags and flowers.

An ingenious method of coining money was worked out by Mrs. S. A. Macfarlane and Miss Stewart who collected and sold flowers (in neatly arranged bouquets) and thus added to the funds a sum of \$18.25

A candy counter presided over by Miss Reed was equally well patronized, as was also a fruit and lemonade booth run by Mrs. W. T. Bridge and Mrs. J. Bell.

"Mere man" assisted so far as possible to ensure the pleasure and comfort of the visitors, some of whom came a distance. Mr. Ring from the Horse Shoe Bend mine, and Mr. Keeble from Lytton with a carload of ladies and gentlemen from that town. Such was the enthusiasm during the evening that at one point it seemed as if musical efforts from different sources would overlap but there was a complete unanimity of opinion expressed by those present and reiterated by one or two that "It's a l-o-o-n-g long way to Tipperary."

The concert programme was contributed to by Mrs. LeMare who sang with good taste. Mrs. F. E. Anderson presided at the piano and gave the audience some samples of her rare executive ability. Ellen Bridge sang a song which was well received, and the School children trained so creditably by Miss Stewart, sang "God save the King," and "The Maple Leaf."

Messrs. Sweet and Nicholson were deservedly recalled to the stage as the result of very successful exhibitions of the elocutionary art. Messrs. Dunlop and Hopkins "discours'd sweet music" on the violin. Messrs Greig, Aston, and Bridge sang some of the "old songs," and C. Dunn proved himself to be some "husky maiden," whose charms it is understood most completely captivated one or two of the male portion of the audience who, being near the front, came under "her" spell.

A Dance followed the Concert, and under the able management of Messrs Duguid, Hughes, Abercrombie and Powers, assisted by Mr. Aston at the piano and Mr. Hautier (violin), dancing was indulged in till the "small hours." As a net result of this money-

"Hold-up" Safe Found

The news arrived this week of the finding in a grove, by a party of workmen belonging to Mr. J. Cronin's construction gang at 100 mile camp, of the safe which was taken from the B.X. stage, just below the 150-mile house Cariboo road in 1890. The safe was seen at 59-mile Cariboo road by E. Sayers who brought the news to the "Prospector." The safe had been cut open at the front, the \$5000 in gold, which was in the safe, needless to say is missing, but the papers are intact. The finding of this safe will bring to the minds of the old timers many stirring incidents of the by-gone days. Most of the men who are at all familiar with the facts of this "hold up" are unfortunately out of town at present, or we would give a minute account of same.

Lillooet War Fund

A Public meeting was held in the Santini Hall, on Tuesday last to discuss matters pertaining to the Lillooet War Fund.

The Secretary gave a report of what had been done up to date. On Monday October 5th a draft was forwarded to H.R.H. The Prince of Wales, Buckingham Palace, London, Eng., for £100 sterling in aid of the National Relief Fund from the monies of the war fund. The money now in hand to the credit of the fund is as follows—

Bal. over first donation	\$ 7.08
Presented by Pres. Sports	
Com. W. J. Abercrombie	100.00
Proceeds of Social, Dance	175.00
Total	\$282.08

The meeting then discussed the distribution of the available and further donations to the fund, but as there was some difference of opinion as to the publicity given to the meeting, no decision was arrived at in regard to the Canadian Patriotic Fund.

It was moved by Mr. McIntyre and seconded by Mr. Greig that "before deciding the distribution of Funds to allow at least two weeks for advertising purposes and to give everyone an opportunity of attending the meeting to give expression to their opinions"

Mr. Greig moved that a meeting be held in Santini Hall on Saturday, October 24, seconded by Mr. C. Phair, motion carried.

The meeting was then entertained to an impromptu concert in which Dr. Thompson (Pianoforte Solo) and Messrs Bridge, Abercrombie and Sweet assisted.

Wm. Adams, Esq. was in the chair. The meeting adjourned at 9.30 p.m. God Save the King.

NOTICE

A Public meeting will be held in the Santini Hall, Lillooet, on Saturday evening at 8 o'clock p.m. October 24, 1914. Business will be to discuss the distribution of the monies standing to the credit of the Lillooet War Fund.

Wm. Adams will occupy the chair. All those interested are earnestly requested to attend.

P.G.E. Service to Pemberton This Month.

In a statement made by Mr. D'Arcy Tate, published in the Vancouver Province, the following will be of considerable interest to the people of this district.

"While construction activity is general all along the line, from tidewater far into the interior, our main effort is being exerted on the long section fifteen miles this side of Quesnel to Fort George Yesterday October 5 the track-layers reached Alta Summit.

"I have been informed that it is the intention of our general manager to inaugurate an accommodation service from Squamish to Alta Summit, and that he is very hopeful of being able to extend this service to Pemberton the present month."

War Gleanings

The London Times in its war summary dismisses all the news from France in three words "No decisive results"

On Russia's attack on Germany's northeastern frontier it says—

"It is now certain that the Russian army, under General Rennenkampf has inflicted a very serious defeat upon Germans under command of General Hindenberg. The German loss is very heavy. It is estimated that the total force engaged on both sides in this battle, is not less than a half million men.

"The importance of the Russian victory is great. The Germans under General Hindenberg were flushed with success. They had checked the too precipitate Russian advance across East Prussia, and had raised the investment of Koenigsberg and had driven the invaders over the East Prussian frontier.

"Now they they have met the Russian counterstroke, and this first shock of the great encounter that is impending between the armies of Russia on the one side and Germany and Austria-Hungary on the other, has gone heavily against the Germans."

The main Russian army on the lower Vistula has yet to come into contact with the enemy, but the screen of Cossacks on its flank has already got into touch with the Germans.

London—The admiralty has announced that the British submarine E.9 has returned safely after having torpedoed and sunk a German torpedo boat destroyer off the estuary of the River Ems, between the Netherlands and East Friesland, in the North sea. The British submarine is commanded by Lieutenant Commander Max K. Horton, and this was her second successful raid into German waters.

Tokyo—The belief was expressed at the war office that the German cruiser Cormoran and two other German gunboats had been sunk in Kiauchau Bay. The Japanese army has occupied the Shantung railroad as far west as Chinan.

The French aviator Frantz has destroyed a German aeroplane, killing its two occupants. Frantz was decorated with the legion of honor and Quinalt, his mechanic, the military medal for their exploit.

General News of Lillooet District

Mrs. Hemis, of the Jones estate is a visitor in town today.

Mrs. W. Adams returned from the coast Tuesday, having spent a very delightful time.

There are some remarkable photos of the excellent growth of young fruit trees, in C. A. Phair's store.

The Water Commission entered upon their tedious task this morning. Rumor has it that there is to be some interesting cases.

Miss O. Beloud, 17-mile ranche was a visitor to town during the past week, the guest of Mrs. Geo Prosser.

Some of the local sports are keeping their eyes in trim with a 22, shooting rabbits, no shot guns for them, too much like butchering.

Mrs. W. G. Duguid and family, and Mrs. Eagan, are at present visiting their many friends along the Cariboo road, and are the guests of the Boyd Family.

Mr. R. A. Hume, who has been on the Forestry staff, in the Lac la Hache district, returned to town Saturday, and is renewing old time acquaintances.

Mr. and Mrs. McAlpin, 21-mile, were visitors to town this week, the guests of Mrs. Dave Craig. They drove in, accompanied by their three bonny children.

We are enjoying some exceedingly good weather these days, even for Lillooet. The moonlight is so bright that one can see the time by their watch, at almost any hour of the night.

Among the many visitors to town this week will be found W. Jones and "Joe" Shuster. They are on a business trip, in connection with their respective claims.

Mrs. Howard Reed has left for the Horse Shoe Bend, Bridge river, where she intends to remain for the winter months. Mr. and Mrs. McCartney of the Lillooet Nurseries, are residing at Mrs. Reed's residence.

See page 4 for the Loo Hall Co. advt. for vegetables and hay.

Tom Brett is busy these days, putting the finishing touches to the interior of the new addition to Dr. H. A. Christie's town residence. The new addition was built by Fred. Clyde and Joe Decellas, builders and contractors

Petit Jury

The following gentlemen have been called upon to act as jury-men at the Clinton assize.

Messrs. J. S. Bell, H. Keary, Wm. Manson, A. Brown, W. G. Duguid, W. J. Abercrombie, R. Foster, and H. A. Durban.

Some twelve or fourteen witnesses have also gone from here.

Church Services

Methodist church : Morning (Sunday School) at 11. There will be the usual evening service at 7.30, Rev. R. D. Hall, pastor, will officiate.

This is Harvest Thanksgiving Sunday, special music will be rendered.

Annual Report of Lillooet Mining Division

(Report of Minister of Mines)

Gold Dream Mining Company—On August 19th I visited the Gold Dream Mining Company, of which C. P. Dam of Seattle, is manager. This company owns five 500 yard bench leases on Cadwallader creek to the west from the Coronation Mining Company's group, also twelve bench and two creek leases at the mouth of the South Fork of Bridge river.

On the north bench of Cadwallader creek, about 750 yards west from the Coronation mine, a cross-cut 150 ft. in length, and averaging about 20 feet in depth and 10 feet wide at the bottom, had been ground-sluciced in order to expose bed-rock. This had been successful, for 100 feet in length, the bed-rock being soft and schistose. Some placer gold in heavy particles had been found, but no pay-streak showing really commercial value had been exposed up to the time of my visit.

Last Dollar—This claim is on the north side of Cadwallader creek, about 4,000 feet above its mouth. The claim is owned by two prospectors Carl Wihksne and John Boyd. An adit drift has been driven 35 feet in length on a vein that outcropped on the top of the precipitous creek bank, the portal of the adit being 50 feet below the top of the bank, and about 50 feet above the creek. The strike of the vein is N. 35° E. and dip 45 degrees towards the north-west, but the vein appears with depth, to be straightening up to a higher angle. This vein fills a fissure with well defined walls in the solid, and the ore is from a few inches to 2 feet wide. This ore-body is quartz, of a bluish cast, and some of it has a ribbon structure. The country rock is diorite and appears to be an extension of that occurring on the Lorne and other claims to the east.

New Era—This claim is situated on the south side of Cadwallader creek, 3,500 ft. above its mouth, and is owned by the same prospector as the Last Dollar claim. An adit was started as a cross-cut in a N. 65° W. course, which cut a vein 10 feet in from the portal. From the point the vein was exposed the course of the adit was changed, and 50 feet farther was driven to drift along the vein, the strike of which is N. 35° E. and dip

60 degrees towards the north west.

The vein has increased in width from a few inches, to 22 inches in the face; the walls are quite well defined, with gouge on both, between the ore and country-rock. A sample taken across 22 inches of ore at the face assays: Gold, 40 cents to the ton, and silver a trace.

London No. 1.—This claim is situated west of and adjoining the New Era claim on the south side of Cadwallader creek, and is owned by the same prospectors. In an open-cut on the surface, 12ft long, 6ft wide, and 8ft high at the face, a fissure vein filled with quartz, with well defined walls, has been exposed. This is about 3 and 4 feet in width, and apparently the same vein can be traced to the south west across the South fork of Bridge river, about 1,000 feet distant. Its strike is N. 70° E. and dips at an angle of 65 degrees towards the north-west.

As this bank of the creek is precipitous, the owners have started a cross-cut adit just at high-water mark in the expectation of intersecting the vein at a depth of 300 feet. They have already driven 40 feet, and, figuring on the dip anticipated, have about 250 feet yet to drive before reaching the vein. These prospectors have done excellent work on all their openings, especially when timbering was necessary. They have also, at their own expense, built a substantial bridge across Cadwallader creek, so strong that eight pack-horses loaded with heavy packs have crossed at the same time.

Mr. Wihksne was in town a few weeks ago and in an interview, stated, that every thing was progressing favorably.---Edt.

Water Act, 1914.

Before the Board of Investigation

- (1) All streams flowing into Seton Lake and their tributaries;
- (2) All streams flowing from the west into the Fraser River between the mouth of Cayoosh Creek and the mouth of Bridge River, including the said Bridge River and its tributaries;
- (3) Any water records on streams flowing from the east into the Fraser River between the northern boundary of the Railway Belt and the mouth of Fountain Creek, which were not taken into consideration at the meeting of the Board held at Lillooet on the 14th July 1914.

A meeting of the Board of Investigation will be held at Lillooet on the 9th of October 1914, at 10 o'clock in the forenoon, when all claims to water rights or privileges on the said streams which have been filed, all objections thereto, and the plans prepared for the use of the Board will be open for inspection.

All persons interested are entitled to examine these, and to file objections thereto in writing if they deem fit.

At this meeting claimants who have not previously done so shall prove their title to lands to which their water records are appurtenant. This may be done by producing, in case of Crown granted lands, the title deeds, or a certificate of encumbrance; or in case of lands not held under Crown grant, by producing the pre-emption record, the agreement of sale, the mining record, or other documents of title.

Objections will be heard forthwith if the party objected to has received sufficient notice of the objection.

The Board at the said meeting will determine the quantity of water which may be used under each record, the further works which are necessary for such use, and will set dates for the filing of plans of such works, and for the commencement and completion of such works.

And whereas there may be persons who, before the 14th day of March 1909, were entitled to water rights on any of the said streams and yet have not filed statements of their claims with the Board of Investigation; such persons are required to file on or before the 20th day of September 1914, a statement as required by Section 294 of the "Water Act 1914". Form (No. 50 for irrigation, and No. 51 for other purposes) may be obtained from any Government Agent in the Province.

Dated at Victoria, B.C. the 27th day of August, 1914.

For the Board of Investigation,
J. F. ARMSTRONG,
Chairman.

The water rights maps and the tabulation of records will be open for inspection at 9 o'clock in the forenoon on the said 9th day of October 1914, at Lillooet.
