

Feb. 26th. 1930.

Dear Sirs :-

We have just received the Jonathan Account Sales. these have not been checked over as yet but it looks as if they were about \$300. less than we had figured.

The advances received amount to better than \$8000. and we are to day sending out cheques for this amount.

We have nothing new to report since our letter of Feb. 12th. The weather has been mild and fine since the first of the month.

Yours truly,

James Goldie.

*We have again raised the question of cheques being paid at par. However you should have little trouble in getting this at your end for your own cheques.*

*My brother Billy has been with us for a few days and leaves today for Toronto.*

*Jim.*

*I am sending your \$2000. to Bk. Montreal  
Vernon. I suppose they have your instructions.  
All well and going strong.*
