Dear Bob,

I am busy clearing off my desk before leaving. So just a note Jess is now at the Coast and I am driving down for her, and taking the chance of seeing the Water Department.

On Wednesday morning a letter came in from you addressed to Jess. I sent it on to her. Will hear your news tomorrow. I am most anxious to hear word of your Wife. It must be about time for the big event. I know that you will let us know as soon as possible.

Since you left us, I have never written, but late as it is, I want you to know how much we enjoyed your visit this summer. I hope that it won't be long before we again see you and also your Wife.

On the 11<sup>th</sup> I received the following cable and don't know what it means. Possibly ~~you~~ it is from Cecil Whitaker
