Dear Dornice.

Tonight I have a letter from Mrs. McCallister, with very good news of McCallister's condition. He has made a wonderful recovery from the operation, and expects to enjoy better health than for years, now that the ulcer is removed. Mrs. Maca. speaks of him likely to go back to his own house in a day or two, and is planning to go South some time in March.

Yesterday I wrote to de Visci, returning his cheque for \$35.00. The Vernon Union will shortly repay this \$35.00 as well as another \$5.00. Out of this I can collect the \$35.00 which I advanced for him. The enclosed circular letter explains this deal. You might hand it to de Visci if you think he would be interested.

The only rebate we get out of the profits is the 1 1/2 cents in stock. This is on the Overhead charge for which we pay 2 1/2 cents per box.

The total profit shown on the Union balance sheet for the year is \$52,000.00 after writing off \$10,000 depreciation.

Working at books tonight so will not go farther  
J.P.
