Toronto 2. May 3rd 1930.

Dear Mr Goldie:-

Your letter of April 23rd did not permit arrive in time to permit of any further modification and the Dominion Income Tax was paid by D.G. In'ta on 8820 and J.E. In'ta 35. so it will have to rest at that for the time being. I still have the pamphlet you sent me with your letter in February and if you don't require it will keep it until Dorner arrives. I don't know when this will be as I have not heard from him since the winter. I shall take no action regarding the letter I sent you from the Toronto office of Dom. Inc Tax dept until I hear further from you.

Whatever because of the letter I sent you containing the deeds to Bellevue? That sale is about as irregular a proceeding as one could imagine.

The pamphlet you sent refers in ^{Section 8} clause 8 to a "family Corporation" and that does not seem to apply in our case, nor does the title "personal corporation". As I see it we are to all intents and purposes the same as any other joint stock limited company with thousands of shareholders.

I shall bring west with me a specimen balance sheet of the company I mentioned to you in my last
