Dear Sir :-

I last wrote to you on the 24th Feb. and have had no word from you since.

Our books are closed and the Audtor is expected on Thursday. The statement of the 27th. appears to be correct.
We still have to hear from the following, -Jonathan, Romes, Spitzenberg, and Newtown. Today there is no reason to change our guess as to the value of these.

The Delicious closed a little bit less than our guess and the Salome a little better. Delicious averaged $ I.61⅛ Net to us.
Salome averaged $ I.54¾ The Fancy Salome net more than Fancy Delicious.

After the Auditor gets through we will send you our own Staeements.

A payment came in today and the Bank balance is $6,900. Against this, cheques for $6,000. have been made out, and you will find yours enclosed.

The Ranch work is well up to date. It is going to be difficult to get the Dormant Spray on, but we hope to do the Romes and some Newtown. Saturday we started plowing in the Dormer field. There is still frost in the Orchard and a few patches of snow left.

Yours truly,

Copy to Dorman.
