October 31st. 1928.

Dear Sirs :-

The enclosed circular letter to Associated Directors might be of interest to you. (This letter you might send to Dormer.)

We expect to finish packing tomorrow Nov. 1st.

There are about three cars of bulk Jonathan to move and the Salome are still to go to storage. This fruit is still out side. We expect that Saturday night will see every thing under cover.

Our pack up to Thursday night should be about 42,560 boxes. This with the Salome should bring our pack to about 44,700. Besides this we will have shipped about fourteen cars of bulk Jonathan. Or a total of about 54,000 boxes including Crab apples.

If it had not been for the heavy grading on Jonathan and Wagner the total would have been much greater.

The market is being held fairly well and there is no reason why it should not be cleaned up if the Shippers can be held steady.

Will send you a statement of our pack as soon as possible.

The weather is still mild.

Yours truly

James Foldi
