Dear Mr. McAllister ;-

I last wrote on the 22nd. Oct.
Have your letter of the 21st Oct.

All fruit was picked the night of the 25th. There has been no fruit lost from wind, frost or dropping. As yet we have had no frost to effect garden truck.

The Romes were packed the night of the 25th. grading about 300 Extra Fancy, - 1300 Fancy; - 900 CEE grade; - 350 Crates. Total 2850.

The Spitzenberg were packed today. Grading about as follows 525 Extra Fancy; - 200 Fancy; - 130 CEE; - 60 Crates.

The Delicious should be finished tomorrow.

The Salome are being trucked to Winfeild Packing house for storage. These will not likely be packed until February.

Anything that is not packed by the first will be stored in bulk at Winfield,to be packed under cover from frost.

I note your remarks about advances of cash.
The Pickers have been paid but it will take another $5000. to pay wages owing. At present our bank Loan stands at $15400. It is not likely that we will recieve $20,000. before the 15th. of November. When our fruit is all packed and under cover I will take up with the Bank the Question of carrying some of the loan and allowing us to pay out some cash.

A copy of this will go to Dormer.

Yours truly,
Jas Goldie
