Jas. Goldie Esq,

Okanagan Centre, B.C.

Dear Mr. Goldie,-

Enclosed please find copy of letter from the Manager of the Bank of Commerce at Vernon, also copy of my reply.

It seems to be unnecessary detail to have all the Directors sign these notes, but at the same time, it is essential that Mr. Dormer and myself have the opportunity of consenting to our borrowings from the bank.

Personally I am most anxious to be cognizant of our obligations in this respect, and suggest that you prepare proper resolutions along this line, which can be signed by Mr. Dormer and myself, so that while it would be unnecessary for us to sign the notes, we have the opportunity of knowing at all times, what our obligation to the bank is, and also of approving any addition to the same.

Yours very truly,

J E McAllister

Dear Sir,-

We are forwarding to our Toronto branch promissory notes of the Rainbow Ranche, Ltd. aggregating $8,000. for your signature as President of the Company. In the absence of a resolution authorising Mr Goldie to borrow, we would like to have the notes signed by all the Directors in their official capacities. May we trouble you to call at our branch to sign the notes?

Thanking you in anticipation,

Yours truly,

(Sgd) - J.F.E.Corbet
