Mr F A Bauer. Vernon

Dear sir

Yours of 8th received wrote you to Vernon several days ago re trees. We are sold out on Jonathan and I do not know of any to be had on this coast that I care to handle. any more imported ones as I lost some $300 worth last year and part of them were the ones you received and cost. and which we are crediting you up with.

Your order went forward a few days ago but I am afraid in our rush that my men did not order it prepaid.

As the C P R freight office is closed this after but our freight book shows they were shiped to Vernon. and if you are in a hurry for them you could get them shiped on down to the ranch. I do not think your order mentioned prepay, but if so it was our mens neglect or oversight in not doing it.

Thanking you and awaiting your further pleasure I remain

Yours truly
M J Henry
