to think I slept through them all going out — it was all I could do to resist jumping off at Seamons for I didn't feel like there that I was really on my way home — I told you of the Vancouver farewell at Vancouver. — Well they all came to the station but I was saved the "Parted on the Shore" — that would have been too much — Pat is working about thirty miles east of here so will be in again for Sunday. so I will likely leave for St. Paul Monday night — In case there are any letters — 2004 Marshall Ave - St. Paul will find me

55, DONALD STREET,
WINNIPEG.

Dear Jim — You see where I am at last — just got in about an hour ago — Pat and Victor were at the station to meet me and I was glad to see them for I expected no one & the trip was great and I never thought of being ill whether it was the pleasant company or fresh air or both I can't say. Aren't the mountains perfect? And

I know this Winnipeg gaiety would suit me — to-morrow night the Government House people give a Ball for the débutantes (Aggie is one of them) at which they are to be presented to the Queen. — After ranch life. can you tell me how I am to manage a train — Will ball — if possible — Did you know that E.P. had property at Kelowna? — So much just now for I must wash my hair —

Your loving sister
E.P.
