Your favor of the 7th Inst. received. I was writ-
-ing to you tonight, even if I had not had the conversation
with you over the 'phone.

It is too late now to do anything with the Rye, unless I
can get one or two men on the 'phone, or see them - I have tried
since talking to you, but cannot get any of them, so am afraid
it will be too late for you.

You had better quote me on the wheat, something between 30
& 35 might tempt me. In haste.

Yours very truly,
