Dear Mr. Goldie,-

Your letter of October 16th was received, but being away so much, I have been unable to attend to it.

I was in New York last week and found, at the Engineers' Club there, your letter to Dormer in my care, which I immediately forwarded to him in London, writing and asking him to fill in the Bank's guarantee and return to you at once.

I send you herewith statement of financial position in so far as it concerns the credit in question, which should be sufficient to satisfy the Vernon Bank Manager's requirements. You might inform him that the indefeasible title No. 16045 A to the Bellevue Ranch is placed, among other securities, for safe keeping with the Head Office of the Canadian Bank of Commerce, Toronto.

Before you turn over the enclosed executed guarantee and statement of financial position to the Manager of the Bank of Commerce in Vernon, will you kindly procure copies from him and mail to me at this office for my files.

I am leaving to-night for New York, and sail for the Continent at 1.00 O'Clock Wednesday morning, November 20th, and expect to be back about December 7th to 14th, when I will look forward to seeing you on your trip East.

When Dormer passed through, I was down in New Brunswick, so he got away without my seeing him, but hope to do so in London.

With best wishes,

Yours very truly,

Encl-
