Dear Sir:-

We have your favor of the 25th inst enclosures at stated for which please accept our thanks. The Vouchers have been returned to you under separate cover. Re credit note ~~325~~ we find this was credited you personally instead of the ranch and we have made transfer here in order to correct account.

Our implement man advised us that he forwarded you the extra plow share last week and no doubt you have received the same ere this. We are also enclosing you a credit note for a ton of seed potatoes order canceled by letter some few days ago, together with credit note for three horse trees returned.

Yours very truly,

W. R. M.
