Dear Sir:-

We are in receipt of your esteemed favor of the 21st inst., and in reply beg to say that the meeting called was not productive of any great results, and had to be postponed. The idea of the meeting was to ratify the transfer of the Mail Order department to the new firm under the name of Montgomery Ross & Company. This is going through we hope, at the meeting next week.

I am enclosing under other cover a copy of the last catalogue of Montgomery Ross & Company, a firm in which I am interested largely myself. We do a pretty fair business in British Columbia, but if you happen to know the names of any people there whom you think would like a copy of this catalogue, I would esteem it a great favor if you would advise me.

Very truly yours,

CAMBRIDGE CORPORATION, LIMITED.

Vice-President.
