Dear Sir:-

Your letter of the 2nd to hand and owing to the fact of the absence of the writer at the time it did not receive prompt reply. We note through your favor now before us that you are ready to dig your potatoes and you would be pleased to have our price f.o.b. your landing, as also state what sizes sacks we would like the potatoes put up in and if we have sacks for sale to quote prices. We use nothing but the standard Calcutta sack which is 22 1/2 X 36, 12 oz. and holds a net of about 103 to 105 lbs per sack well filled and sewed, which sacks are worth in thousand lots \$67.50, in 300 to 500 lots \$75.00 per thousand or in 100 lots 8 cts a piece. We have gone into the potato situation quite carefully and the best we can pay for your white potatoes, stock nice and smooth, uniform size, is \$20 per ton f.o.b. Rainbow Idg. Kindly advise us by return mail if you require any sacks as also whether you consider our offer in order on your entire lot of potatoes. Thanking you for an early reply.

We remain,
Yours truly,
