Dear Sir:

RE BELLEVUE RANCH.

Following my letter to you of the 16th inst, I have to-day a letter from Lambert in which he says that a bill for early potato seed I authorized him to purchase, must be paid at once, also an amount of \$13.65, being 10% of the cost of irrigation water applied for. As I have not yet received from you the Bellevue checkbook, and statement of the account, I am unable to make these payments, and would ask you, if you have not already sent the checkbook on to me, together with the information requested in my letter of the 16th, to make these two payments before doing so.

I have requested Lambert to send you a statement for each, bearing his O.K., upon which you can make payment.

Yours very truly,

J. M. Allister
