Dear Sir:-

We beg to advise you that Mr. Maddock has made arrangements with us for borrowing the sum of \$900. with which to meet a payment which was due to your Company about a month ago.

Certain documents, however, have to be prepared in connection with the matter and other documents have to be brought up from Okanagan Centre by Mr. Maddock, which will perhaps cause a delay of about a week before everything is completed and the money can be paid to him.

He has asked us to write you to this effect so as to let you know that the money is forthcoming just as soon as the necessary documents are in order.

Yours truly,

G. A. Hankey & Co., Ltd.,
