Your telegram
received refusing stock - this
stock is our own growth and
of course is grown on upland soil
with out irrigation not as tall as
irrigated stock - and was reserved
for you at \$5.00 per 100 less than pres-
ent prices of Jonathan. we could
have sold them fifty times at \$2.00
per 100 - but kept our part of the contract
by reserving them for you -

I refused Jonathan to Mr Price
Elison your neighbor. so if you do not
care to accept them turn them over
to him. I am writing him to that
effect by this mail.

Truly yours
M. J. Henry
