Dear Jim:-

Enclosed, I send you the Bellevue tax notice which has been forwarded to me, will you kindly look into it and attend to the payment of it if there is no opportunity of a reduction.

Expect to return to New York next week. With best wishes,

Faithfully, yours,

JEMc/E.

P.S. After the Duke of Sutherland's recent plunge
Dorne ought to be able to do business on both Rainbow
and Bellevue propositions. What?
