THE RAINBOW RANCHE, LIMITED
OKANAGAN CENTRE, B.C.

Jan 15th — 1911

Dear Goldie —

Your letter of the 4th to hand yes-
terday.

I have been forwarding all mail to Toronto until I heard different but guess you have had it all in a bunch for all mail east has been held up for a week on account of snowslides in Rockies.

The weather here looks as though it may moderate, as glass is above zero and wind shifting am thankful too for we have had a bad week; the wind has been awful glass below zero and strong N.E. wind going, am afraid this will get it where snow blew off our orchard all right cover crop held snow but I think wheat has been killed for that field has been blown bare, roots froze in root cellar although I had lamp burning in there all day and night, have started fixing up harness but shall leave it if weather breaks am making those sign boards but shall be pleased to get on pruning again.

Board of Trade meeting on Friday 13th. and postponed general meeting until February 10th as could not elect officers or do business with the few there

THE RAINBOW RANCHE, LIMITED
OKANAGAN CENTRE, B.C.

There is to be lectural course on fruit growing at O.K. Centre on Jan 23rd by Mr. C.C. Clark J.K. Carpenter, & Ben Hoy, it has been instituted by Provincial Government & includes whole of valley from Mara & Okanagan.

I should be pleased if you could get 2 pairs of pure rubber gloves for spraying you could get them from any good drug-store or rubber supply store and would come much cheaper than out here we are in need of 2 new sets of lines for teams if you think you could do better back there would also like a set of taps and dies Reed's are as good as any oh if you do get any would like case of 4 size nuts from 1/4" to 3/4" inch. for myself could you bring 1/2 doz pairs of good wool sox & 2 good wool medium weight undervests

I wrote Vernon Hardware re hose & had reply saying expecting it in any day and would forward.

Mrs. Cleaser arrived home Saturday had been hung up for a week in field on account of snowslides.

Yours faithfully
Harvey. A. Evans
