Dear Sir,

We thank you for your letter of the 27th inst. The lowest price we can give you on our No. 1. Oats (guaranteed 40 lbs a net to the Bushel) is \$27.00 per ton F.O.B. Peachland; freight to Rainbow is 14 cents per 100 lbs or \$2.80 per ton.

Possibly we may be able to put in a car of Oats & millfeed at Wilsons Landing—as we did at the Centre—and if so we could ship you for there and the freight wouldn't amount to much. kindly let us hear by return as ~~we~~^{we} will hold our offer open

OUR MOTTO—Lowest Prices on the Lake—For Flour and Feed.

at \$27 a ton for a few days
Respectfully,
Eyre & Cutbill.
