## NIGHT LETTER

**ALL NIGHT LETTER MESSAGES TAKEN BY THIS COMPANY ARE SUBJECT TO THE FOLLOWING TERMS WHICH ARE HEREBY AGREED TO**

The Canadian Pacific Railway Co.'s Telegraph will receive not later than midnight **NIGHT LETTERS**, to be transmitted only for delivery on the morning of the next ensuing business day, at rates still lower than its standard night message rates, as follows: the standard day rate for ten words shall be charged for the transmission of fifty words or less, and one-fifth of such standard day rate for ten words shall be charged for each additional ten words or less. The minimum charge for any **NIGHT LETTER** will be twenty-five cents for fifty words or less.

It is agreed between the sender of the following message and this Company, that said Company shall not be liable for damages arising from failure to transmit or deliver, or for any error in the transmission or delivery of an unrepeatable telegram, whether happening from negligence of its servants or otherwise, or for delays from interruptions in the working of its lines, for errors in cypher or obscure messages, or for errors from illegible writing, beyond the amount received for sending the same.

To guard against errors, the Company will repeat back any telegram for an extra payment of one-half the regular rate, and in that case it shall not be liable for damages beyond fifty times the amount received for sending and repeating.

Correctness in the transmission of messages can be insured by contract in writing, stating agreed amount of risk, and payment of premium thereon at the following rates, in addition to the usual charge for repeated messages, viz.: one per cent. for any distance not exceeding 1,000 miles, and two per cent. for any greater distance.

This Company shall not be liable for the act or omission of any other Company, but will endeavor to forward the telegram by any other Telegraph Company necessary to reaching its destination, but only as the agent of the sender and without liability therefor. The Company shall not be responsible for messages until the same are presented and accepted at one of its transmitting offices; if a message is sent to such office by one of the Company's messengers, he acts for that purpose as the sender's agent; if by telephone, the person receiving the message acts therein as agent of the sender, being authorized to these conditions for the sender. This Company shall not be liable in any case for damages, unless the same be claimed, in writing, within sixty days after receipt of the telegram for transmission.

In further consideration of the reduced rate for this special "**NIGHT LETTER**" service, the following special terms are hereby agreed to:

A. **NIGHT LETTERS** may at the option of the Telegraph Company be mailed at destination to the addressee and the Company shall be deemed to have discharged its obligation in such cases with respect to delivery by mailing such **NIGHT LETTERS** at destination, postage prepaid.

B. **NIGHT LETTERS** shall be written in plain English or French. Code language is not permitted.

*No employee of the Company is authorized to vary the foregoing*
