Dear Jim:-

Your letter of the 10th inst. to hand. We were rather sorry to learn from your sister's card that she was unable to stop off.

We are without the services of the nurse now, and everything has settled down to regular routine, and Mrs. Starr was counting on having your sister visit us. You had better try and make arrangements to take a trip up here in which case we shall expect you to stay with us while in town.

Regarding your lots, I shall try if possible to get an offer for them within the next day or two and submit it to you. I would like very much to make you a good profit on these lots after inducing you to buy here.

Calgary is very active and from the reports coming in from the surrounding country regarding the crops, it looks very much as if we should have a very busy Fall.

With kindest regards, I remain,

Yours sincerely,

F. H. Starr
