

THE ENGINEERS' CLUB
32 WEST 40TH STREET
NEW YORK

Dec 4th 1911

Dear Jim:-

You seem to have quite
dropped out of sight and it is
so long since I have heard from
you that I forget where we are
at. I wrote MacRae about a
mistake in the Bellevue Bank
statement which he forwards
me monthly and in his reply
he said he was going to Hanaimo
to live.

Had expected to be just
about arriving West now
but have been unable to get
away and must be here for at

THE ENGINEERS CLUB
22 WEST 40th STREET
NEW YORK

at least two weeks longer so
will not go West till after
Christmas. Will probably
leave New York about Dec 23rd
spend Xmas in St. Catharines
and then go on West.

Please write me and let
me know what is doing.

Have just returned from
a ten day trip and was
in Toronto last Wednesday.

Yours faithfully
J. W. Wallis
