Jas. Goldie Esq,

Okanagan Centre, B.C.

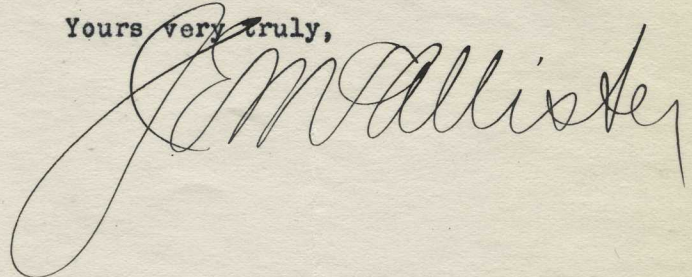

Dear Mr. Goldie:

I have not heard from you since September, and have just written a letter to Dormer, who is still in barracks in England, expecting to go to the front at any time.

In the bank statement for the month of October, I note that our loans are up to \$10,000., and there is an overdraft of \$230.07. I am hoping to hear from you every day as to the situation out there, and what solution you have for holding the Ranch's head above water.

I presume you are fully advised on how things are here. Do you expect to come East this winter?

Yours very truly,
