Dear Sir

I have to report a slight accident to the Plate Glass door. owing to the damp weather, the woodwork was swollen & in shutting the door last night, the glass cracked across, will you please see to this at once, as it is injured,

Yours truly
A. C. Lane

P.S

This is another matter I wish to see you about next time you are in town, the water closet will have to have something done, before the winter sets in.
