Dear Goldie

many thanks for yours.

I dont think I shall have any difficulty in getting the price you mention for the Martin St. Lots in the next 30 days & may also find a buyer for the other one you might send me the number of it & size of lot. I am gett keepng a good lookout for a purchase for The Range & hope to find one this Summer. Expect you are very busy hope you have had as much rain as we have had here. Campbell is not in town at present I believe
