Dear Jim:-

Your letter of the 2nd inst. to hand, stating you are arranging to send the money to Calgary, instead of having the transfer attached to the draft at Vernon.

Upon receiving your letter this morning, I immediately called up Mayhew, and he told me that he did not get his letter away last night to you, and therefore is now holding transfer here until your money is in the Royal Bank, ~~here~~.

As soon as your money arrives, Mr. Adams will see that it is handed over to Mayhew in exchange for the transfer, and have the transfer registered in your name.

I have not quoted your lots to anyone, nor have I advertised them, but I think very soon now, I will see if I can get you an offer netting you about \$2,000, and if you care to take it up, perhaps we can secure some other good investment here if you desire it.

With kindest regards, I am,

Yours very truly,

F. H. Starr
