Dear Jim:--

I met Mr. Deschamps in Nelson as I agreed with you and he proposes to arrive in Penticton from Keremeos about next Tuesday or Wednesday the 23rd, so you should arrange to be on hand to meet him. It would be as well that his business be not known and should it be necessary to say anything he will indicate that he is purchasing cattle. He will then get you to show him over the property in question and will size it up.

I wish you would keep your eye on the team that you spoke of and if they are still for sale by about the first of September, and you can recommend the buy, I would like to consider it then.

Yours very truly,

*J. W. Wallister*
