Dear Sir:

Your letter of the 22nd has just come, and I note with deep regret that you propose to desert the ship. I am shaping up things to get out there next month, and expect I can do so, as I have been able to get some affairs concluded yesterday which will help.

I wsote you on the 25th asking for your letter of operations for the month of August, and would ask you to kindly follow the arrangement under which we have been operating, as closely as possible until I can see you.

Yours very truly,

JEM/T
