Okanagan Centre, B.C.

Dear Mr. Goldie:

RE BELLEVUE RANCHE.

I have to-day written the Manager of the Bank of Commerce, as per enclosed copy.

I had hoped to leave here for British Columbia on Saturday evening last, the 12th, but at the last minute things came up which have prevented my getting away.

I do not know how I can get Bellevue matters straightened out until I can see you, and hope to try and get out there within the next thirty days. Meantime would you write me by return mail and let me know just how you treat a typical transaction, as I cannot trace your general scheme of book-keeping.

You did not send any blank vouchers through with the papers, so I have had a supply printed here. You will not forget the outstanding vouchers which you are to send on to me.

I am making some payments to Lambert to-day for wages, and would like to carry on the books after the same scheme as you have used, but am afraid that unless you can put me straight before many transactions go through, I will get badly mixed up.

I met your brother George and he told me you have an addition to your family, upon which you have my sincere congratulations. I hope Mrs. Goldie and the new daughter are both well.

Hoping that all is going well with you.

Yours very truly,

J E McAllister
