Yours of 22d ascend and I enclose copy of estimate sent to Mr Haver some months ago. he has generally planted in the fall so but if we are to hold them until spring will expect you to comply with terms of deposit. as in several instances we have held stock until dates were all over to be notified that they were not wanted. or supply had sold out and gone.

There Jonathans are really all I have unsold and as you will notice am giving you old rates of 15.00 per 100 while I am now listing them at $2.00

Hoping this will be satisfactory and that I shall hear from you at your convenience I am your further pleasure and remain Truly Yours

M J Henry
