Dear Jim :- I have your letter of the 11th and think you are to be congratulated on your deal. I wrote Doremus yesterday before I knew it had gone through and he will consult you re my letter. Anything done on the proposition contained therein would have to go through along with your purchase.

In a letter from Hewer today he asks how we propose to arrange the change in directorate and Secy &c without my going down there and I have suggested that you three draw up proceedings of a meeting embodying what is required and ~~let me~~ send to me a copy when I can execute proxy on the proceedings. However let me know about this.

With best wishes.

Very truly yours
