Dear Goldie,

Your favor just received. Hope that you have not got the agreement I enquired for, I don't know what has become of it I guess Ray must have it cashed some place.

Leir has sold the mill to Robb so there is no show at present to have those logs cut up, He also sold some of our stuff claiming it belonged to the Syd that is why I want the agreement, However since writing you I have seen Mr Robb and I guess he won't take anything now that belongs to us. They have already taken the machine drill I guess you remember seeing it at the mill I had it bolted on a post
