

Chilliwack, British Columbia, 3rd Sept. 1910

Dear Goldie,

I have just returned from a two days fishing & shooting trip. I found your letter notifying me of payment on account. I was awaiting. me. I am busy just now as have started a General Produce business. & have been buying up all the hay we could get down here. Next year you must let us handle some of your fruit. We shall have a branch in Vancouver as well as here. a love

Yours truly
Frank Atkinson

Love to Dornier ask him to write sometimes.

Sorry misunderstand the telegram. never have yet understood object of your signing those papers to the Atlantic. if money always sent to my Credit & it was the only way I could understand your offer asking such a big discount.
