Dear Jim:

I am in receipt of yours of the 13th inst., enclosing agreement for loan on your Sun Policy # 61391. I will forward the agreement to the Head Office and deposit the amount to your credit here until I hear further from you. Enclosed herewith you will find cheque for \$500 in the meantime.

Regarding your statement of May 17th, the \$20 charged you on Dec. 23rd should have been \$10. I do not know of any special regulations for one in your position. If you want any special information you had better write Mr. Robinson direct. You have been given credit for \$10 in your account.

I have been keeping in touch with the railroad regarding the Midway Branch, but have been unable to learn anything as yet. I will also try to find out something about the Cambridge Society.

I have been talking recently with Esther regarding her trip to B. C. There is a special rate on now of \$74.10 to Seattle and return, and I think she has practically decided to leave here about the first of August and spend August and September, getting back about the first half October.

I am awaiting your reply to my letter of the 11th inst. regarding Henry Elliott and his wife.

Business is very dull. We have sold nothing in a week or two, and we do not expect to do much
